## COMMUNITY EASTER CELEBRATIONS

Every year Sunrise Community Church (SCC) puts on a variety of Easter celebrations honoring the holiday and this year is no exception. Saturday 4/15 there will be an Egg Hunt for the community. It is quite the event for families all around; and the best part? It's FREE! This year will feature face painting, crafts, bounce houses, delicious waffles for purchase at the beloved

Frenchie's Waffle Truck, and of course, the EGG HUNT... which will be split up for different age groups ensuring everyone enjoys their hunt. The lush grass and sprawling campus make a fabulous venue for hunting eggs and lots of fun for the entire family to enjoy. Last year, over 700 community members attended the Kids Easter Celebration Egg Hunt, and this year will not disappoint! Sunrise Community Church Kids Ministry works hard all season long to thoughtfully plan this event. So come on out this year, on Saturday, April 15th from 10am – 12 pm for a FREE community family event, with a special surprise too!

Along with the Egg Hunt on Saturday, other Easter celebrations at Sunrise Community Church include an intimate experience of Jesus' sacrifice during the Passion Week leading up to Easter. There will be special services on Good Friday and on Easter morning. All are invited to SCC as they engage the emotion, wonder and power of Easter. For more information about the events and celebrations SCC hosts, you can visit the website @ [www.sunrisecommunity.church](http://www.sunrisecommunity.church) or call the office @ 916.726.7580. Happy Easter!

## NEW OWNERS COMMITTED TO RESTORING

Pathway Fellowship is in the process of buying the Historic Victorian Caldwell Mansion on Greenback Lane as our new home. Our intention is to restore and keep the Mansion as a historical building and site. We are the oldest Church in Orangevale, founded in 1890 as the Methodist Episcopal church. Formally on Central avenue we have left that sight to find a more suitable & visible location for our ministry.

We are an independent small Christian family fellowship of about 120 people. Because of our own beliefs, heritage and tradition, it is our goal to restore the Mansion back to its pristine glory as much as we can. The building needs a lot of work before we can move in. The major emphasis will be on foundation repair, installation of bathrooms, dry rot repair, HVAC & electrical upgrade, paint interior and exterior, fire safety, and ADA access to the upper floor.

We are trying to raise \$300,000 to restore

this historic building. As a non-profit, we must raise these funds through donations from friends, family and the community. If you have a passion to see this building restored would you consider giving toward the renovation costs? Your donation would be tax-deductible and would go a long way to provide a safe and beautiful Historic Mansion as well as a home for Pathway Fellowship

We have a huge heart for Orangevale as it has been our home for 127 years! You can visit our website at [www.hipathway.org](http://www.hipathway.org) to see what we are all about. You will also find a link to our Go Fund Me campaign.

Thank you for your love and support, and for helping Pathway become a beacon of God's love and light in our community!

### ABOUT THE ORANGEVALE VIEW

The "Orangevale View" – the ultimate, award-winning community newspaper – serves Orangevale and surrounding areas, including Fair Oaks, Citrus Heights, and Folsom, CA. With a present estimated readership of more than 37,000, this FREE paper grows with every issue. It is delivered twice a month to at least 15,000 residents' homes and to more than 100 high traffic locations.

The views and opinions printed within are not necessarily those of Publisher Brad Tatum or the Orangevale View staff. Rather, the views and opinions expressed are those of each individual contributor.

#### SUBMISSION POLICIES:

Submissions from you, our readers, are always welcome, for this is YOUR newspaper. We await school, church, or sports team materials, anniversaries, births, special occasions, memorials, or other items of interest. Donations are encouraged and accepted for anniversaries, births, and other special milestones and announcements. Publication is at the discretion of the Orangevale View staff.

#### Requirements are simple:

(1) Acknowledge that either you are the author or you have permission to publish from the original author;

(2) Articles should not exceed 300 words. We like Community Calendar items of 45 words or less.

(3) Format: Microsoft Word format with photos at least 300 dpi JPEG or PDF.

Please use this format so we do not have to send your work back to you for corrections.

(4) The View does not verify the accuracy of your submissions, and in some cases, dates and information are subject to change.

(5) Please email submissions, to YOUR newspaper. The email address is [editor@ovview.com](mailto:editor@ovview.com). It is you, our contributors, readers and advertisers who make the Orangevale View a newspaper you want to read.

## CREATIVE NATURE PLAYSCHOOL A NATURE- BASED PRESCHOOL & CHILD CARE PROGRAM

Creative Nature Playschool, CNP, is an in-home nature-based recreational preschool and child care program for children 2 ½ to 5 ½. At CNP we look beyond the ABC's and 123's by instilling a lifelong love for play, learning, and our natural environment.

At CNP we strongly believe that nature is integral to child development. Each day is filled with plenty of time spent outside in our beautiful Certified Nature Explore Classroom, rain or shine! We spend time learning about plants, animals, the environment and how to be good stewards of our surroundings. Whether it is exploring for worms in under logs, singing songs in cedar circle, or

expanding vocabulary through environmental education, nature can be the source of better outcomes for all children.

Recently CNP became 1 of 23 Certified Nature Explore Classrooms in California and is one of the few local nature-based programs in our area. CNP is also certified as an Eco-Healthy Child Care facility and strives to incorporate Organic and/or Non-GMO snacks and meals whenever possible.

As a recreation professional, for the last 15 years, I have been working with children of all ages creating and managing recreational programs and special events, with my last decade spent right here in Orangevale. My hope is that through creating a loving in-home program I able share my passion for Nature, Recreational Play, and Education with your little one! Creative Nature Playschoolers won't be board at CNP! Here playschoolers are using natural materials for block building, exploring their senses with play dough, feeding our chickens, handling worms, and exploring in the Dirt Play area in our Certified Nature Explore Classroom.

At Creative Nature Playschool we look beyond the ABC's and 123's by instilling a lifelong love for play, learning, and our natural environment. Creative Nature Playschool is an in-home nature-based recreational preschool program open to children 2 ½ to 5 ½.

# LETTER TO EDITOR

Hello Editor -

Despite the concerted efforts of a good many Orangevaleans to conserve water, the OV Water Company raised its rates effective the beginning of March. The blame, it seems falls squarely on the lap of San Juan Water District. This is not entirely true. When I went in to pay my water bill for the month, there was a sign posted that OV Water will be closed on Friday, April 14th. When asked about this closure, Nick, the customer service person replied that the office was closed in observance of Good Friday. He indicated that this was customary, as was closing 1/2 days on Friday for all observed holidays. He also stated

that in addition to Good Friday being a paid day off for all employees, the aforementioned 1/2 days off preceding observed holidays were also paid time off. In my 40+ years of working civil service, I have never had the luxury of having Good Friday a paid day off. Don't get me wrong.....I am a God Fearing Christian who observes this very solemn occasion, but it has NEVER been at the expense of my employer. I have always had to take MY vacation time to satisfy this religious observance. Evidently, OV Water is doing well enough to pay for its employees to celebrate a three day Easter weekend, and 1/2 days preceding a holiday at the expense of its rate payers. The time has come

for this "Good Old Boy" private "public" utility to tow the line and quit wasting its rate payer's money. And oh by the way.....you may want to start accommodating your customers **INSTEAD OF YOUR STAFF** by having your office open for its customers during normal business hours 8am - 5pm. Lastly, how about inviting potential candidates to run for the board (as in the distant part) instead of sending out a ballot with the just the option of choosing only current board members. Let's clean up the OV swamp.

# LETTER TO EDITOR

Dear Editor, Orangevale residents and the majority of the U.S citizenry,

My husband and I have been residents of OV for 17+ years. We could not, in good conscience, leave Jerry Farmer's letter to go unchallenged. We are grateful for the enlightened, thoughtful and compassionate people in our community, OUR country and our world. We had a visceral reaction to the blatant ignorance and support of #45's continuous lying and deceitful behaviors and Farmer's obvious and sickening reference to ethnic cleansing; most tragically supported by the notion that a Christian God supports this abominable behavior.

We were aghast on election night knowing that all that

Farmer referenced would certainly come to fore: rampant racism, misogyny and an utter disdain for the U.S. Constitution and this nation's entire history. This poor excuse for a U.S. President is mentally unstable, lacks ANY semblance of leadership skills and is the most thoroughly corrupt example of greed and treasonous behavior that's ever held the office.

Farmer, and countless others, lack the understanding to grasp the danger we are all in. Only the very wealthy will profit from what #45 has "proposed." All others will suffer without: healthcare, education, clean air and water, safe food, free press, financial regulations, freedom of speech, programs

that benefit the need and on and on.

Our Constitution, our FREEDOM is under attack by this narcissistic snake and his ilk. Farmer's letter is the antithesis of Christian teachings and sadly we are all at risk from this kind of warped support of #45. Please do not sit comfortably at your kitchen tables and read these letters without taking time to very carefully consider the truth of what is happening to our country. Research the countless factual examples that support impeachment of this fascist POS.

RESIST this diseased administration and its ardent and dangerous followers.

HOPE through action!

Michell and Curt Johnson

## AIKIDO YOSHINKAI INTERNATIONAL WORKSHOP

On Monday and Tuesday, March 20 and 21, Aikido Seikeikan once again played host to international visitors. A two-day Aikido workshop was held on these days and featured Mr. Jacques Payet from Kyoto, Japan. Mr. Payet has lived and trained in Japan for over 25 years and is a direct student of the late Aikido Yoshinkai founder, Gozo Shioda. Mr. Payet was joined by two of his Japanese students, Mr. Shiga and Miss Akiko. Also, joining us was Mr. Jaimie Sheppard from London, Ontario Canada and four members of Mr. Payet's affiliated clubs in Del Mar and Encinitas in San Diego County.

This was both Mr. Payet and Mr. Sheppard's second visit to our club and the first for the others. Together with our students we had a full two days of Aikido practice. Mr. Payet is a 7th degree black belt and master instructor. We were honored to host Mr. Payet and all his students. Many thanks to our partners since 2001, the Orangevale Recreation & Park District for

their continued support of our events. New students welcome anytime. For more details, call the ORPD office at 916-988-6140 or visit their website at <http://www.ovparks.com>.

## CASA TRACK TRAVELS TO SAN DIEGO

Congratulations to the Casa Track and Field team for their outstanding performance in the Willy Banks Invitational at Oceanside High School on April 1. Many athletes brought home

medals, some achieved personal records, but all enjoyed traveling to compete in the Southern California event. A big "thanks" to the community for their support in the Ram's fundraising efforts this fall. The original venue was set for the 10th Annual Big C Relays in Anchorage Alaska, but heavy snow collapsed the indoor dome

cancelling the event. Thanks also to Casa Track Coach Jeff Gallero for coordinating an excellent plan "b" including warmer weather and lighter packing! Next up, Casa Track and Field is heading to the Bret Harte Invitational in Angels Camp April 22. Go Rams!

## COUNTY SUPERVISOR

**District 4 County  
Supervisor Sue Frost**

Do we really need another transportation tax?

By County Supervisor Sue Frost  
Soon after I got sworn into office, I issued a survey to our community to help me evaluate and improve our services based on what you want to see. The survey is now closed, and with over 2,500 total responses, conclusions based on the data can now be made.

To me, the most important question on the survey was the question relating to budget priorities. In every community within my district the number two priority is transportation/roads (with only public safety ranking higher). It's clear that our entire community feels our roadways are in critical condition and that we can't go much longer adding more to the deferred maintenance of the roads, which is currently at \$450 million and counting.

This is a problem plaguing our entire state, with California's deferred maintenance for transportation sitting at \$57 billion. Unfortunately, many California legislators believe the best way to solve this problem is by raising taxes (again). There are two identical bills (AB 1 and SB 1) working their way through the legislative process that appear to be gaining steam and will hit taxpayers in three different ways. They would raise the gas tax by another 12 cents per gallon, they would hike the vehicle license fee by over 50%, and they would raise the cost of registering a vehicle by over 80%.

I urge our state legislators to reject these two proposals, and to find a solution without raising taxes and fees.

California has mismanaged its resources through waste, poured billions of dollars into an unnecessary high-speed rail system that does not even come close to addressing the state's transportation problems,

taxes, since these households spend proportionally more of their income on things like gasoline and registration fees. For example, people making \$24,000 a year spend more than twice as much of their income on gasoline as those earning five times as much. We should be doing what we can to assist families that are struggling, not further burden them.

Finally, I want to thank everyone who attended my Orangevale Community Cabinet meeting on April 7th - it was very helpful for me to discuss issues directly with the community. My next one will be on June 2nd at 7:30am at Annie's Breakfast on Greenback and Beech. Thank you for reading - and as always, if you want to contact me, call me at 916-874-5491 or e-mail me at SupervisorFrost@saccounty.net.

Sue Frost represents the 4th District, which includes all or part of the communities of Citrus Heights, Folsom, Orangevale, Antelope, Rio Linda, Elverta, Gold River, Rancho Murieta, North Highlands, Carmichael, Foothill Farms, and Fair Oaks.

and devoted a greater and greater share of transportation funds to public transit (which accounts for only a small fraction of the total number of trips taken and has seen declining ridership). Bailing out such mismanagement with tax increases will only enable more of the same dysfunctional behavior. Until the state gets serious about putting its own house in order and making transportation a real priority, policymakers should put the brakes on any tax increases. Further, lower-income taxpayers are disproportionately burdened by transportation

## MEET THE CASA RAMS FOOTBALL COACHES

Casa Roble High School announces its new line up of coaches for the 2017/18 football season. Leading the pack as Head Coach is Chris Horner who brings with him 16 years of coaching experience in the Casa Roble football program. Casa also proudly announces the rest of the Rams coaching staff including: Bret Satchwell, V, Tim Carroll, V, Cory Horrillo, V, Matt Satchwell, V, Aaron Marlette, V, Nate Miller, V, Tom Morris, V, Pat Luevano, V, Greg Burt, V, Rod Bowman, V, Lenny Casillas, JV, Derrick Casillas, JV, Erik Morris, JV, Jeff Rueber, JV, Gary Dixon, JV, Vance Charvo, Fr, Adam Curry, Fr, Ryan Cook, Fr, Eddie Elsworth, Fr, Glen Andrade, Fr, Rene Delgado, Fr. and Skip Vance.

"I'm extremely honored for this opportunity to lead the Rams

football program," said Coach Horner. "Casa has a longtime tradition of dedicated families, football players and fans. I'm committed to achieving excellence on many levels and looking forward to a great season," he added.

While the official football season doesn't kick off until late August, work is underway for the upcoming Annual Casa Football Poker Tournament scheduled on May 20th at Divine Savior

Catholic Church in Orangevale. Coach Horner invites anyone interested in donating a raffle item or participating in the tournament to contact him at [chorner@sanjuan.edu](mailto:chorner@sanjuan.edu) for more information. Proceeds go directly to the program. The Rams coaching staff and a host of wonderful volunteers are looking forward to meet and greet you!

## FITNESS, FOOD, AND FUN! 5K RACE SUPPORTS SCHOOLS

Register now for the 7th annual 5K Race for the STARS run/walk/kids race on Sunday, April 23 at Rio Americano High School, 4540 American River Drive, Sacramento. Early registration ends April 16.

The race site is [www.raceforthestars.com](http://www.raceforthestars.com)

All SJUSD schools can use the race as a fundraiser. Schools receive \$10 for each adult and \$5 for every student/child that register in the school's name.

The race offers a free commemorative shirt, free participation medals for all kids race participants, awards in age divisions, and ChronoTrack chip timing by Capital Road Race Management. A special commemorative medal can be purchased for \$5.

In addition to the 5K run/

walk and kids races, there is a Family Festival with food, music, entertainment, prizes and raffles, and activities for all ages. Younger students will enjoy performances by high school groups and photos with mascots like Dinger of the River Cats, Veggie characters, Scholastic's Clifford the Big Red Dog, and others.

New this year is the Healthy Eating Expo organized by the SJUSD Nutrition Department showcasing the nutritious food offered at SJUSD schools, the district's nutrition education program, games with prizes, and more.

This is your opportunity to support our schools while working out, spending time with family and friends, and sampling healthy foods.

San Juan Education Foundation is an independent non-profit organization

that provides funding for innovative learning directly to SJUSD classrooms through

Design by Ananya Nooplai

teacher grants in the focus areas of Science, Technology, Arts, and Reading (STARS).

## RED CROSS TEAMS SET REGIONAL RECORD

By Beverly Purcell

Six Gold Country Red Cross volunteers set a regional record for smoke detector installation in one day as part of the national Red Cross Home Fire Campaign. Two teams installed 102 free, state of the art smoke detectors in 44 homes at Heritage Oak Glen Senior Mobile Home Park in Orangevale on Saturday, March 18th.

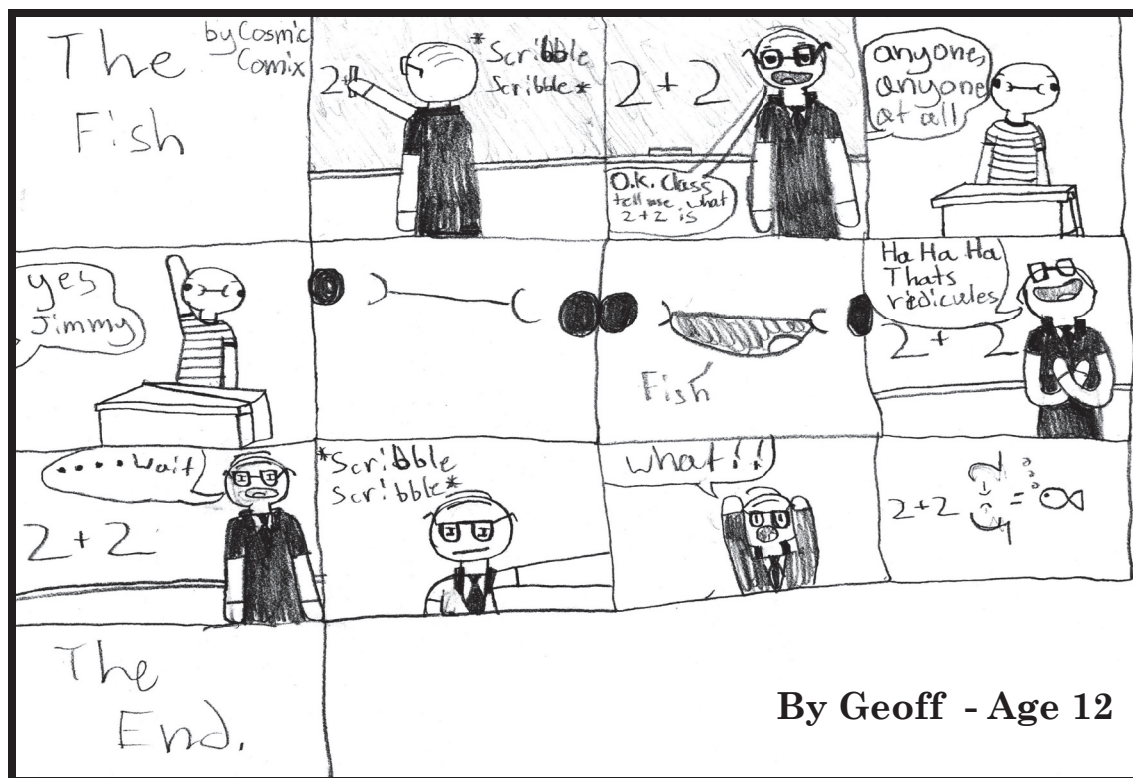

packets with fire prevention and fire safety tips.

Patricia Davis, Disaster Program Manager, praised her volunteers for their efficiency and noted that Team Captain, Matt Cantua, achieved his personal best installation record. The teams installed smoke detectors with 10 year batteries in bedrooms and hallways, changed dead batteries, relocated improperly sited carbon monoxide detectors, assessed home exits, and provided information

The Red Cross is working through the nationwide Home Fire Campaign, to reduce deaths and injury from homes fires by 25% by 2020. A two minute evacuation plan should be in place in all homes to escape fire and lethal smoke inhalation; all bedrooms must now have a smoke detector per state law and the detectors should be tested monthly to assure that they are working properly.

Emphasis is placed on awareness and education about the dangers of home fires. The smoke detectors were provided to the Gold Country Red Cross by a PG&E grant.

The Red Cross encourages small communities, particularly those with low and fixed income residents, to participate in this free program. For more information, please contact Patricia Davis, American Red Cross, at 916-993-7049, [patricia.davis3@redcross.org](mailto:patricia.davis3@redcross.org).

by Suzanne Feblowitz

This week we have a recipe from neighbor, Charlotte Hatscheck. She received this recipe from a relative in North Carolina many years ago. It is a very easy cake to make, but it is very rich, so be sure to share with friends or bring to a gathering because you will want to eat the whole pan!

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

#### CHESS CAKE

First:

1 box yellow cake mix  
 2 eggs, beaten  
 1 stick margarine or butter, melted

Mix ingredients together and spread into a 9 x 13 inch pan.

Second:

1- 8 ounce cream cheese,

softened

1 box confectioners' sugar (powdered sugar)

Mix cream cheese and sugar together

Then add 1 stick margarine or butter, melted and cooled and 2 beaten eggs

Pour the above mixture over the cake mix batter.

Bake at 325 degrees for 45 minutes

Note from Suzanne: I cooked mine a bit longer because it seemed a little jiggly in the middle.

Cool completely before cutting into squares

## UNSEEN CAUSES OF ITCHING AND BITING

Gear up, everyone; flea season is upon us! Flea allergies can be tricky because, with the advent of good flea medications, we don't always find the jumping/crawling culprits of severe itching on our pets. Even if you don't actually see fleas, all it takes is one or two to jump on, bite, and jump off to set off the skin allergies that make your pet miserable. When you do see a flea, you are catching only 5% of the flea population. The remainder includes eggs, pupae, larvae and the adult fleas you aren't finding. We are seeing more and more pets that have never had a flea issue before suffer from these bothersome bugs.

Flea allergy dermatitis (FAD) is characterized by

itching, hair loss and red bumps around the lower back, base of the tail, or back of the thighs in dogs. In cats, we can find these red bumps almost anywhere. The allergy caused by fleas can be intense and is usually not controlled with simple over-the-counter antihistamines. Once the allergies are in full force, your veterinarian can help you get the right medication to get your furry companion comfortable once again. The best strategy against fleas is good prevention. Although shampoos are helpful for any fleas on your pet at that time, they do little to provide lasting protection. There are topical drops that work well for dogs and cats and even an oral pill that last 1-3 months for dogs. Just make sure to buy a brand

your veterinarian approves as many OTC products are simply not effective. You should also reapply the topical product (except ones containing heartworm medication) after using a shampoo, as this will wash off most of the product, regardless of what the label says. Following these simple steps will help treat, or better yet prevent, these little creatures from putting a cramp in your summer plans!

## JOURNEY TO HONOR THE BRAVE WORLD WAR II AMERICAN AND FILIPINO PRISONERS OF WAR

On Saturday March 18, 2017, ten cadets from the Casa Roble High School Air Force Junior ROTC and their Senior Aerospace Science Instructor, Lt Col Kevin Houdek, embarked on a journey to honor the brave World War II American and Filipino prisoners of war that endured the infamous Bataan Death March.

This event hosted for the past two years by Hiram Johnson High School, was created to recognize the victims of a horrific death march in 1942 in which 60-80 thousand prisoners of war were forced to march over 65 miles. Thousands perished along the march from the oppressive heat and the harsh treatment of their Japanese captors. In remembrance of this event, cadets from JROTCs all around the northern California area gather together for a minimum 14 mile march to honor those men and women that endured that event.

This year, Casa Roble AFJROTC accepted the challenge and gathered a team to compete. Starting in January, the students prepared for the march, walking distances of 3, 5, and 7 miles on the trails. Then, on March 18, the unit took ten team members to Lake Natoma to take part in the march. The cadets marched a distance of over 16.2 miles over the day, walking over 38,000 steps in a time of 7 hours, 13 minutes, and 10 seconds. The cadets

endured the long trail with the help of their brothers and sisters from neighboring ROTC units, encouraging each other along the way. Over the day, the cadets circled the circumference of the lake, not returning until the late afternoon. Casa Roble cadets were tired, and a little sore but reenergized being the first school to get across the finish line. Every cadet in the end were proud of their achievement and each were thrilled to have honored the veterans of the Bataan March. The Casa Roble team was proud to have participated, and are all looking forward to attend again next year.
