On Friday Hot 103.5 will host Orangevale's GLOW PARTY.. A lasher light show for all ages. The main stage will feature many talented reggae artists, including "Simple Creation" and exciting new headliner "Mystic Roots". Mystic Roots Band (MRB) is a Chico, CA born, 5-piece pop reggae fusion band. With two feet solidly in reggae, the band seamlessly juggles elements of dancehall, Hip-Hop, EDM, pop, and a taste of rock. The band is always sharpening their evolving musical arrangements of vocal harmonies that are made richer by the group's female/male dynamic. The music and lyrics are catchy and upbeat, yet with a powerful, positive message. Mystic Roots guarantees not just music for your ears, but also a high-energy show and powerful experience you'll never forget. MRB promotes positivity and spreads a conscious message while still having a good time and keeping the party going!

Saturday's parade starting a 9 am will boast new marching bands, new amazing floats, and will be a site you surely don't want to miss! LETTER TO EDITOR

Dear Editor:

In response to the gentle, kind and loving letter in the 4/14/2017 issue from a couple who have lived in Orangevale 17 years (what ever that means). I have lived in Orangevale 40 years (doesn't indicate anything) and I believe constitutionally ALL Americans have the right to express an opinion not necessarily my own. I am a Christian, Catholic, Conservative Constitutionalist, and I want my country to

return to the unique place it was before we elected a president bent on Globalization of the World. Even though I disagreed with his policies it never occurred to me to challenge his right to be president. He was duly elected by our electorate and I believe in our system. We have to pity the pathetic protestors that cannot accept the vote of the people. Perhaps our local couple should look up the meaning of what Impeachment entails.

It does not immediately remove a President from office (for example, Bill Clinton was impeached but not removed from office). I am a senior citizen living on a fixed income so no one can accuse me of being a rich robber Baron. I do not believe I have the right to any part of some other persons wealth - I don't earn it, I don't want it!

A "Deplorable Scumbag" as the Trump naysayers call us.
Sue Aimes

2017 State Champions - Louis Pasteur

ON THE SPOT SPORTS' with Rod Sullivan

Hello youth wrestling fans! Folkstyle wrestling season is in the books. Record books that is and of major notice is the Louis Pasteur Girls Wrestling team. Wow! Did they pull a big one off at the 2017 Girls State Championships in Vallejo? You bet they did with a repeat team victory! Trained by head coach Bubba Sorgman and assistant Coach Anthony Bivens of Carnage MMA ,the girls brought home the trophy and retained their State Champions title earned in 2016. Standout wrestling performances were evident in the grind of first place finishers Jordan Gumpfer and Amaya Yoshizumi. Haylie Gumpfer followed closely with a 2nd place and Casey Rankin with a 4th place finish. They showed everyone that the hard work and training of the Pasteur girls make them the team to beat in the middle school competition. For that they earn a huge 'On the Spot Sports' WELL DONE ! (lot's of clapping in the background) Until next time fans , we will SEE YUH! on the MAT TUH!

RENT OR BUY? WEIGH THE OPTIONS...

Although renting may be an ideal situation for some, there are many people who dream of buying a home but may think that they either can't afford it or are just not sure if they want to for various reasons.

There are many good financial reasons for owning a home; Everything from tax savings to investment opportunities. However renting also has its advantages. For some people the idea of having someone else be responsible for the upkeep & and repairs, as well the financial burden can be a perfect situation.

Before you make a decision that's right for you, be sure to way the pros and cons of each scenario.

A lot of costs and commitment

go into owning a home. If you rent, the landlord is responsible for not only the mortgage payment, property taxes, and insurance but may also agree to cover some or all of the utilities as well (water, sewer, garbage). The financial risk of a 'renter' is much lower than that of a homeowner. As a renter you're generally only required to come up with a security deposit and 1 month's rent, which is much lower than the 'down payment' you would need to purchase a home.

However, as a renter there are certain financial advantages you don't get. For example - Homeowners get a tax write off that renters don't, not to mention the 'equity' achieved by being a homeowner. This can add up to be a substantial amount of money over time. Owning a home also gives you

certain freedoms you don't have as a renter. Most rentals have rules and restrictions that the renters must adhere too. Another advantage of being a homeowner vs. renter is that rents go up over time, whereas, depending on the type of loan you have, mortgages can stay 'fixed'.

Talk to a Mortgage Lender and a Real Estate Professional to find out what options are open for you, what you qualify for, and then determine what choice you're comfortable with.

Orangevale Cooks

by Suzanne Feblowitz

Well, it seems that spring is taking it's time to get here this year, so I thought I would share another white chili recipe. After the last white chili recipe, a reader asked for another recipe that was less soup-like and more chili-like, so hopefully this recipe will fit the description. This recipe is my friend's oldest white chili recipe. (She gave me about 5 others, too!)

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

White Chili

- 1 tablespoon Salad Oil
- 1 medium onion, chopped
- 1 clove garlic, minced
- 1 teaspoon ground cumin
- 2 whole large, boneless, skinless chicken breasts, cut into 1 inch chunks
- 1 (16-19) ounce can white

kidney beans

- 1 (15 ½-19 ounce) can garbanzo beans , drained
- 1 (12 ounce) can white corn, drained
- 2 cans (4 ounces each) chopped green chilies
- 2 chicken flavored bouillon cubes
- 1 ½ cups water
- Hot pepper sauce
- Parsley sprigs for garnish
- 1 cup shredded Monterey jack cheese

Directions

1.Preheat oven to 350 degrees. In a small saucepan over medium heat, in hot salad oil, cook onion, garlic and cumin until the onion is tender.

2.In a 2 ½ quart casserole, combine onion mixture with the chicken, white kidney beans, garbanzo beans, corn green chilies, bouillon and the 1 ½ cups water. Cover casserole and bake 50-60 minutes until chicken is tender.

3.To serve, stir hot pepper sauce into chili to taste. Garnish with parsley. Serve with **shredded cheese**.

SANCTUARY ORANGEVALE

By County Supervisor Sue Frost

The California State legislature may soon make California the first "Sanctuary State" in the Nation. I want to take a moment to explain what this means for Sacramento County, and how it impacts Orangevale residents. To become a "Sanctuary State," California will have to violate Federal information laws and limit cooperation with the Federal Government in order to help individuals who are illegally in the country avoid deportation. While the City of Sacramento is a "sanctuary," Sacramento County is not. This is an important distinction as it is the county that runs the jail and county policies that more directly impact illegal immigrants that have committed additional crimes. If the Governor signs the sanctuary bill into law, the entire State will become a "Sanctuary State" which of course includes Sacramento County and the community of Orangevale. There is a great deal of misinformation floating around regarding the relationship between the Federal government and the Sacramento County Sheriff in regards to this issue. Nobody is bursting into undocumented immigrants homes because of their immigration status. Nobody is checking the

**District 4 County
Supervisor Sue Frost**

immigration status of students in our schools. Nobody is getting deported because they reported a crime, got a traffic ticket, or even committed a minor crime. That's because the County does not coordinate with ICE, nor do hospitals, schools, or even the Sheriff - except at the jails. When someone is sent to the County jail for serious/violent crimes (drugs, theft, rape, murder, etc.) through the normal fingerprinting, information is shared. Federal ICE Agents then contact the jail to inform them that they have an illegal immigrant. The jail then holds that individual until they have served out their sentence and releases them to the Federal authorities for processing and deportation rather than releasing them back into the community. That's it. Reducing

crime and keeping violent criminals out of Orangevale is an "all-partisan" issue that we are all working toward.

I also want to note that without cooperation from local law enforcement agencies, this bill will force Federal immigration officers into our neighborhoods and schools to perform stings which are potentially far more dangerous and upsetting than working from the jail.

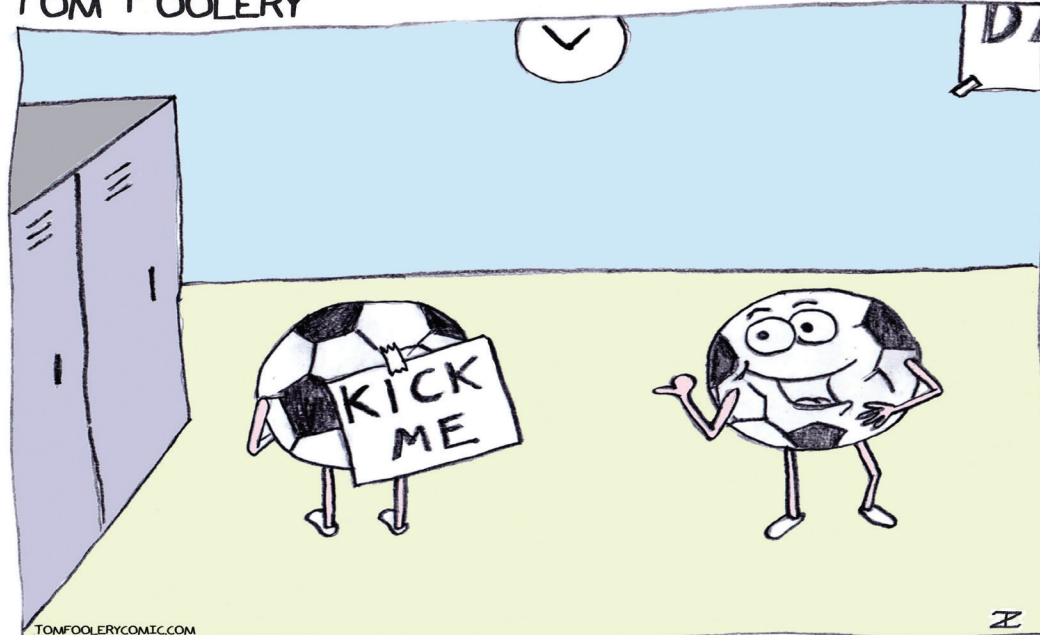

Further, this bill could deprive Sacramento County from being able to receive grants through the Office of Justice programs, and the Sacramento County Sheriff would lose over \$4 million in annual Federal Funding (this bill doesn't provide the funding that would be lost). The Sheriffs' department has already been forced to reduce their budget to untenable levels, this bill would further hamper the ability for our law enforcement to keep the streets of Orangevale safe by suddenly stripping funding that places deputies in the community.

Thank you for reading - and as always, if you want to contact me, call me at 916-874-5491 or e-mail me at SupervisorFrost@sacounty.net.

Sue Frost represents the 4th District, which includes all or part of the communities of Citrus Heights, Folsom, Orangevale, Antelope, Rio Linda, Elverta, Gold River, Rancho Murieta, North Highlands, Carmichael, Foothill Farms and Fair Oaks.

Registration is now open for the 9th Annual Team Hope Walk Sacramento to benefit families impacted by Huntington's disease.

Many victims of Huntington's disease don't know it's coming. With tragic consequences described as a combination of the muscle withering ALS (Lou Gehrig's disease), the loss of memory like Alzheimer's, and nerve damages akin to Parkinson's, this genetic mismatch is devastating to the families that carry the gene. What can you do? You can give them hope.

The HDSA Team Hope Walk brings people from all walks of life to the streets of William Land Park to share their support for local families, treatment and research of Huntington's Disease. Why you? Why now? Because you can give HD patients and families help for today and hope for tomorrow!

Park, 4000 South Land Park Drive
 Saturday - June 24, 2017
 Registration starts 8:00AM - Walk begins at 9:00AM

REMEMBERING THE FALLEN

May is Veterans' Poppy month nationwide. The red poppy is a perpetual memorial to the sacrifices made by our fallen veterans for our freedom. The American Legion Auxiliary (ALA), Unit 383, Fair Oaks, will distribute poppies handmade by our disabled veterans, who receive a small stipend for each poppy made, in front of Walmart, 8961 Greenback Lane, Orangevale, on May 6, 13, and 14, 2017, from 9:00 am to 4:00 pm. The memorial poppies are free, given as a remembrance of our fallen, but those who choose to, may make a contribution which will be devoted entirely to rehabilitation and assistance for veterans and their families. Please join us in helping to support our veterans. The blood and tears shed by our fallen heroes is symbolized in the red poppies immortalized in the poem by Lt. Col. John McCrae, Canadian Army WW1. We must never forget those who have given their all.

In Flanders Fields the
 poppies blow
 Between the crosses row on
 row,
 That mark our place: and in
 the sky
 The larks, still bravely
 singing, fly
 Scarce heard amid the guns
 below.
 We are the Dead. Short days
 ago
 We lived, felt dawn, saw
 sunset glow,
 Loved and were loved, and
 now we lie
 In Flanders fields.
 Take up our quarrel with the
 foe:
 To you from failing hands we
 throw
 The torch; be yours to hold it
 high.
 If ye break faith with us who
 die
 We shall not sleep, though
 Poppies grow
 In Flanders Fields.
