NATIONAL NIGHT OUT AUGUST 1, 2017

Woodmore Oaks Neighborhood Watch would like to invite your station out to the largest party in Sacramento. The location is at the 7 Eleven at 6840 Woodmore Oaks Drive, Orangevale from 5:30PM to 9:30PM. We will have Its Time Entertainment providing music, Dunk Tank, Cotton Candy, Games for the kids and much more. Every year we have many of our officials including: Supervisor Sue Frost, County Sheriff's, Citrus Heights Police, California Highway Patrol, Metro Fire with a fire truck for the children to have a hands on experience.

With crime on the rise and the budget crunch, our goal is to unite neighbors and show Sacramento that Neighborhood Watch Programs really work. Within our boundaries which are from Greenback Ln. to Oak Ave. and Sunrise Blvd. to Kenneth Ave. we print up 3000 Monthly Newsletters that show the crime stats and are distributed to the doors of our neighbors by volunteer street coordinators, not the post office. The Woodmore Oaks Neighborhood Watch Program has been in existence since 1990 and has been involved with the National Night Out Event at this location since 1992.

We hope once again you can come out with a camera crew and get this on the late news. This

is important for the people of Sacramento to see that something like this can really happen and hope spark interest.

Respectfully,

Tom DiGiacomo

AUDITIONS NOW BEING HELD

Cantare Chorale of the Sierra Foothills announces auditions for Tenor and Bass parts. Make music a part of your life! Cantare extends this warm invitation to talented musicians of any age with sight reading and vocal ensemble skills to audition and join its dedicated group. If you are interested or know someone who might be interested in singing with Cantare, we welcome your inquiry. Recent vacancies are for both Tenor and Bass vocal parts. This is a wonderful opportunity to be a part of a dynamic and successful group.

Cantare has enhanced the life of audiences and chorale members in El Dorado County in skilled and heartfelt musical performances for over 25 years. In 2016 the group traveled to New York to perform in Carnegie Hall singing Handel's Messiah. Performing in Carnegie Hall was a thrilling learning experience resulting in increased expertise and appreciation for music. This successful experience has resulted in a second invitation to perform at Carnegie in April 2018 with the King's Singers. October 2017, will find Cantare performing their HeartStrings concert repertoire in at least two local venues: October 6th at Holy Trinity Church, El Dorado Hills, and October 14th at the Harris Center, Folsom. Cantare is well known locally for being "the small group with a big sound".

To schedule an audition or to receive further information, please contact:

E-mail: admin@cantarechorale.com

Phone: 530.677.6964

www.CantareChorale.com

Cantare Chorale of the Sierra Foothills is under the direction of Mariia Pechenova. Ms. Pechenova came to Cantare from Russia in 2014. As the group's Artistic Director, she has had an enormous positive impact on the group's vocal performance abilities. Ms. Pechenova holds

a Master's degree in Conducting from St. Petersburg State University, Russia. For over 15 years, Ms. Pechenova performed solo recitals and toured with St. Petersburg's Music Theater as soprano soloist in concert halls and theaters in Russian and Europe. Ms. Pechenova has worked internationally with renowned artists Vladimir Miller, Dmitri Hvorostovsky, Elena Obraztsova and symphony conductors Yuri Temirkanov, Saulius Sondeckis, Alexander Sladkovsky, and Andreas Spörri. She has been awarded the title of "Laureate", and has been the winner of the "Grand Prix" and "First Prize" at numerous European and Russian competitions. Ms. Pechenova's conducting experience includes work with professional choral groups and instrumentalists. She is currently Assistant Professor at Folsom Lake College.

If you are a tenor or bass choral singer and would like join us in creating powerful, passionate, and gorgeous choral music to share with the community, we invite you to audition.

Dear Editor:

I was glad to read in the Orangevale View about the change to the voting procedures to send absentee ballots to all county voters. This will increase the percentage of people who vote. Oregon has used mail voting for more than 15 years and has a much higher voter turnout than California. I wasn't surprised to see our Republican Supervisor Sue Frost opposed this (while all the other supervisors, who are all Democrats, supported it) as this is a very partisan issue with Republicans almost always doing all they can to decrease the number of people who are easily able to vote. If more people vote it almost always favors the Democrats. The Republicans frequently argue the reason they favor policies which make it more difficult for people to vote is a fear of voter fraud even though there is no evidence that this is a widespread problem. For example in Oregon there have been more than 15 million votes cast by mail with only nine known incidents of voter fraud. Sincerely, David Moore, Orangevale, CA

ANNOUNCEMENTS

SENATOR GAINES' TAXPAYER PROTECTION BILL PASSES ASSEMBLY COMMITTEE

SACRAMENTO – Senator Ted Gaines (R-El Dorado) today announced his Senate Bill 11, a measure that would proactively waive penalties and interest for taxpayers when a California Board of Equalization (BOE) system failure prevents them from making tax payments on time, passed unanimously out of the Assembly Committee on Revenue and Taxation.

“California taxpayers shouldn’t be on the hook for penalties and interest because of a state website outage,” said Senator Gaines. “Senate Bill 11 is simple and fair, two elements of good governance that are too often missing in California. I look forward to continued support for this important taxpayer

protection bill as it makes its way through the Assembly.”

Under existing law, tax payments made after the filing deadline are subject to interest and penalty. The BOE is currently authorized to waive any penalties or interest if the late payment is due to a disaster or BOE error, however, it is the responsibility of the taxpayer to file paperwork and petition for a refund.

Senate Bill 11 comes on the heels of four separate BOE computer system failures over the past year, two of which occurred during peak filing deadlines leaving taxpayers unable to pay their tax bills on time.

Senator Ted Gaines represents the 1st Senate District, which includes all or parts of Alpine, El Dorado, Lassen, Modoc, Nevada, Placer, Plumas, Sacramento, Shasta, Sierra and Siskiyou counties.

SUMMER SAFETY TIPS DON'T BE A VICTIM OF SUMMERTIME CRIME

As summertime reaches its peak so does household property crime. The National Crime Prevention Council (NCPC), and McGruff the Crime Dog® are here to provide you and your loved ones with important safety tips to make your summer safe and enjoyable.

"Summer is the perfect time for a family break, but criminals don't take a summer break," said NCPC's CEO, Ann M. Harkins. "You can avoid becoming a victim to lurking property predators by staying alert and following a few basic prevention measures."

According to the Bureau of Justice Statistics, – "Household property crimes exhibited a pattern of seasonal fluctuations from 1993 to 2010. The most common pattern for household property crimes was that victimization occurred at higher rates during the summer than during other seasons."

Home Safety Tips

Be aware of what's happening in the neighborhood: Download the McGruff Mobile app (available on iTunes or Google Play) to stay up-to-date regarding home and vehicle burglaries near your home. Receive and share information on the virtual neighborhood watch about suspicious activity in your neighborhood and receive alerts

when you are away.

Lock your doors, including the garage door. Unlocked doors are open invitations to intruders.

Ask a trusted family member, friend, or neighbor to keep a watchful eye on your home or have your mail held at the local post office until your return.

Put lights on timers to give the impression that someone is home. Don't post on social media that you are leaving town, and wait post photos after you return from your trip.

Vacation Tips

Lock your room and remember not to give out your room number or invite strangers into your hotel room.

Be friendly but be vigilant. Watch for and report any suspicious behavior.

Plan your route – stay within well-traveled routes and walk in groups. There's safety in numbers.

Keep your belongings secure. Purses should be securely closed, backpacks are zipped, and wallets are kept in your front pocket. When dining in restaurants do not hang your purse or backpack on the back of your chair.

Tips for Parents

Be proactive – make a backup plan in case the group gets

separated during a family outing and have a scheduled meeting place and time.

If your child or teen will be alone a significant amount of time, have him/her check in with you if they plan to leave the house and when they arrive back home.

Monitor Internet and social media activity to establish children and teens are visiting appropriate sites and following guidelines.

Car Safety Tips

Always lock your doors and roll up your windows when you leave your car.

Do not leave valuables in the car. If you must leave prized possessions in your vehicle keep them out of sight or hidden in the trunk.

Before you get into your car, check the backseat and around the car. Lock your doors once inside the car.

These prevention tips are simple steps to avoiding summertime crime. If you would like more information, please visit www.ncpc.org. To get the free McGruff Mobile App, download for free on iTunes or Google Play.

At 5am on June 29 Two men were going through the recycle cans on Rich Hill Drive. They cut the locked cables and tie straps and took a Yeti Ice Chest valued at \$600, 10 gallons of gas and various tools. Any info on who they might be will be really helpful. Please keep an eye out for this long bed truck with solid rims. It is two wheel drive. Please email editor@ovview.com or call Sheriff 916-874-1021

CRUISING WITH A CAUSE

"TRIBUTE AMERICA"

is a special feature to the Cappuccino Cruisers weekly cruise night events. After the chain of events on 911 we saw a need to change our June theme night from a spotlight on the 1940's to recognize all of those Veterans who have fought are currently in the military fighting for freedom, the Veterans who gave their lives for our freedom and all who protect and serve the citizens every day the

police and fireman.

Our annual event is started off with the Folsom VFW, American Legion and Marine Corp League's Color Guard parade in and presenting the nations colors. I led the Pledge of Allegiance with all car owners and spectators joining in. The Blue Star Mom's were on hand as well as the Firefighters Burn Institute, The Folsom Police Department, the Folsom Fire Department and a group of restored

Military Jeeps.

We have a Tribute tent which displays all of the names of those lost on 911 (it includes 2 of our family members).

We feel it necessary to remind all especially the new immigrants to the USA what our country is based on and where our freedoms come from.

The raffle money was donated to the Firefighters Burn Institute.

AMERICAN LEGION RIDERS HONOR OUR FALLEN

American Legion Riders (ALR) Chapter 383, Fair Oaks, CA, members roared down HWY 80 led by ALR President Don Lemmon for a patriotic Memorial Day ride to the Sacramento Valley National Cemetery, Dixon, to honor and remember our nation's Veterans. The AL Riders and Patriot Guard Riders (some of whom

are ALR members) held our U.S. flags high in a flag line encircling the Memorial Day ceremony presenters and crowd. Veterans spoke to the blood and tears shed by our fallen heroes, remembering the men and women who gave their lives defending our freedom. Roses were distributed to the crowd for placement on the burial sites. The American Legion Riders placed a rose on each burial site visited in honor

of the fallen veteran, and after a moment of silence, reading their name, rendered a salute. The American Legion Riders, who are a group of veterans from across the nation that love motorcycle riding, gave thanks and recognition this Memorial Day to those who gave the ultimate sacrifice reminding us freedom is not free. JUNE HOME SALES

GETTING READY FOR A HOME INSPECTION

Most people who are either thinking of selling or buying a home has probably heard the term 'Home Inspection'. A home inspection is just what it sounds like & is almost always included in a purchase contract. It's performed during the inspection period stipulated in a contract & performed by a licensed 'Home Inspector'. The primary function of a home inspection is to determine if there are any structural, electrical or safety issues with a home. The home inspection is primarily for the benefit of the buyer. Although you as the seller may not be aware of everything that is defective in the home, there are a few items you should check & repair if needed, prior to the inspection, in order to facilitate a more positive report. Here is a list of some basics:

Check all plumbing - This includes all fixtures inside & out. Check under sinks, around bathtubs/showers, toilets, water heaters & outside faucets for any leaking. Replace any hardware that is not in working order.

Check electrical fixtures & outlets - Replace or repair those that aren't working. This includes any exhaust fans, such bathroom & kitchen.

Inspect all windows & doors - Be sure they open/close easily & securely. Replace any broken/cracked glass & hardware.

Remove all clutter inside & out - The inspector will be all over the home & a clear, non-cluttered, debris free pathway is essential for them to move around in.

These are just a few items to exam. For a complete list, you should contact an experienced Realtor who actually attends home inspections regularly. Their knowledge can be very beneficial.

Orangevale Cooks

by Suzanne Feblowitz

The June hot spell gave life to our vegetable garden! We now have zucchini and the neighbors are hiding from us! I had already made zucchini on the grill, steamed zucchini, zucchini sticks with dressing, and zucchini bread, so I was looking for something new. My friend, Judy Iervolino, came to the rescue with her recipe for zucchini soup. She makes this soup when she has an abundance of zucchini. The recipe can be doubled and it freezes well. We would love some new recipes, so if you have any recipes, please send them to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email address in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name

ZUCCHINI SOUP

3 lbs. zucchini, with skin
 4 strips of bacon, uncooked
 1-3 cloves garlic
 1 TBSP basil, dry or fresh
 3-4 sprigs of fresh parsley or 1 TBSP dry
 24 oz. chick, beef, or vegetable broth
 Salt and pepper, to taste

Cube or chunk zucchini, bacon and garlic and place into a large pot. Add basil, parsley, seasoning and broth and then simmer for 30 minutes. Pour batches of cooked mixture into a blender and purée to chunky or smooth, depending on your preference. Serve plain or with parmesan cheese and croutons.

Note from Suzanne: I had some crookneck squash, so I used it with the zucchini and it worked, too. This soup was WOW! Yum! Thanks Judy for sharing!!

LEAVING YOUR LEGACY TO YOUR FAMILY

We can all learn from our family members that have passed on. What a treat it would be for you to pass on your stories to the next generations. Here are some ways that you may want to record your legacy for future generations:

•Audio- Many phones now have a voice memo feature to record your stories. You may want to have your loved ones ask you about different parts of your life. By recording these stories, they can be available for future generations.

•Video- With today's technology, it is easy to record stories from your past. It may seem awkward to have yourself recorded, but future generations will likely cherish these video recordings.

•Photo Albums- Many families have kept photo albums with photos of family members for generations. It is important to have these photos scanned. This will protect them from damage, such as water or fire. If one of these tragedies does happen, you will still have the digital copies. Additionally, having digital copies, allows for you to more easily share these precious photos with other family members.

•Written History- If you are a writer, you may feel more comfortable writing your personal history. You may want to include both the ups and the downs for future generations to learn from.

•Letters- You may want to write letters to your family members with a request of when your family members will receive them and when they are to be opened and read.

Reflect on care-free activities with your families, vacations, swim parties, and Fourth of July celebrations. Think about these times with gratitude. We are so fortunate to live in
