Casa Track and Field Open!

By MaryAnne Povey

It's official! The long awaited Casa track and new turf field is open for business! Principal Michele Lorenzo along with the Orangevale Chamber of Commerce marked the occasion with a ribbon cutting ceremony at a rally in front of the entire student body earlier this month. ROTC cadets, dance and cheer teams along with Senior Rally Commissioners, Kyle Curry and Jamil Williams joined forces entertaining the crowd in celebration of the field, the upcoming Powder Puff game and Junior prom festivities.

Michele Lorenzo thanked the Chamber and the community for their support in voting for the measure which funded the field project along with other upcoming campus renovations coming soon.

LETTER TO EDITOR

Letter to the Editor

Re: Real Estate News: The Illusion of Rent Control

Supervisor Frost's well intentioned article is simplistic (Economics 101) and fallacious. Her supply/demand argument applies to common goods, not housing. The "demand for rooms" example is valid for hotel room vacancy rates, which is seasonal and serves an inherently transient population. Housing rental is far more complex than simple economics. It includes safety, security, financial stability, and quality of life issues for tenants who cope with the stress of frequent relocation due to unaffordable rent. In many cases, rent increases do not insure timely maintenance for both residential and commercial properties. Apartment rental

rates are never decreased to fill vacancies; landlords offer various incentives to attract tenants.

A thoughtful, well crafted rent stabilization ordinance (RSO) does not force rents to meet some ideal market value but should attempt to set increases at a level which is equitable for both the property owner and the tenant. Realistic economic data like COLA, CPI, etc., must be part of the equation. Real estate owners/investors must accept the reality and possibility of decreased profitability, just as investors in any venture. Ethics and morality should be factored in because renters are people, not commodities. From the Washington Post, "Rent regulations help maintain diversity and stability in neighborhoods, which increase property values." Long term tenants maintain

and improve properties which contribute to neighborhood preservation and real estate value.

Supervisor Frost states, "In places where there is a demand for more housing, a more effective policy is to simply build more housing." The idea that rent decreases as more units are added is patently false. If you were to look at average rent in any Sacramento area, it has NEVER decreased in the last decade. Rents for newly constructed units are understandably higher, but "high tide floats all the boats" - rents on older units rise also. The most time sensitive and critical need which must be undertaken now is the retention of existing housing which meets affordability criteria. An RSO can help to preserve what we have at a price we can afford. Beverly Purcell Orangevale

11 Critical Home Inspection Traps to be Aware of Weeks Before Listing Your Orangevale Home for Sale

ORANGEVALE - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away

altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.SacramentoAreaHomeInfo.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-844-709-7051 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

Local SPORTS

CASA ROBLE STUNT TEAM

For the first time ever, Casa Roble High School has had a STUNT team! A new sport to the area, it's the fastest growing female sport in the country where cheerleading skills are expanded and teams compete against each other simultaneously. There are four quarters in the game-partner stunts, pyramids and tosses, jumps and tumbling

and team routines. Led by Coach Monica Biggs, the girls started the season excited and ready to learn, (and maybe a little unsure of what they'd gotten themselves into.) After some very tough, long practices that built skills, as well as friendships ...they started out on a season of competition, team building, and sportsmanship!!! They end the season with new friendships, achieved goals, new skills and look forward to next season. STUNT is a fast paced exciting sport to watch. If you didn't get a chance to watch them compete this year, there's always next year! Article and photo provide by Cindy Beck

Coach Annalee with team "Killer Bees" give an after game cheer to the 6U Thunder Cats. Saturday's game gave many first to hitting the ball from coach pitch to stopping the ball and tags at home plate. Currently, the 6U Killer Bees season is 0-0-4.

Hello everyone, I hope this finds everyone well and happy. It's been a long while since I have been on the water to share a true fishing adventure but I finally got out. I have always tried to fish the Won Bass Open on Clear Lake. This year again I got in and was very excited to

though I got a very high blast off number so I had to wait till almost everyone was on their way. My spot had 3 boats on it and I was really frustrated to say the least. I left for a couple hours and returned to find know one there. Yahoo! In less than 20 minutes my partner for the day hooks into a 10 lb bass and after a few we netted it.(see photo) we had a lot of fun after that bass catching around 23lbs had me in first place for that day. We caught them on brown jigs and Missile Baits El Diablo trailers. Cold, wind, rain, and ice on the boats was how the

go catch some of those Clear Lake largemouth.

My one day of prefish proved to be a great one. I caught close to 25lbs for 5 bass and that really got me pumped. At my partner pairing

weather was. I can't wait to get back! Be safe, have fun, and share some time on the water with a friend.

Thanks, Danny Miller

For You because of Love

No words could tell you,
Mother
How dear to me, you are.
How much your love, your
life has meant
Whether you're near or
far.

You never expect a single
thing,
And yet you give so much,
Of yourself and all you
have
To those whose lives you
touch.

What I feel, when thinking
of you,
gives warmth as from no
other..
GOD surely smiled down
on me,
when HE gave me you,
Dear Mother.

Mother's Day, when
I was 15 years old, 1956

Orangevale Cooks

by Suzanne Feblowitz

This recipe for pepper salad is an old family favorite! My youngest sister-in-law was celebrating her 50th birthday this weekend and the pepper salad was a hit. This is a simple dish that can be your main dish, side salad or served over a sausage in a bun. As a salad, serve this with slices of French bread. Dip the bread into the sauce and then put some peppers on top of the bread. It is heavenly! It can be eaten warm or at room temperature. It will need to sit out when taken out of the refrigerator because the olive oil will need to come to room temperature.

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will

omit your name.

MOM'S PEPPER SALAD

- 2 Green Bell Pepper, sliced in thin strips
- 2 Red Bell Pepper, sliced in thin strips
- Or 3 large total
- 1 or 2 cups mushrooms, sliced
- 2-3 cloves garlic, chopped
- ½ cup Balsamic vinegar
- ¾ cup Olive Oil
- Salt
- Pepper

On low heat in a large frying pan, warm olive oil, garlic, sliced pepper and cook until tender. Be careful not to burn the garlic. Then turn up the heat and add the mushrooms; stir until done. This won't take long. Remove from heat and add vinegar and salt and pepper (to taste). Serve at room temperature with French bread or over your favorite sausage. Enjoy!

REMEMBERING THE FALLEN

May is Veterans' Poppy month nationwide. The red poppy is a perpetual memorial to the sacrifices made by our fallen veterans for our freedom. The American Legion Auxiliary (ALA), Unit 383, Fair Oaks, will distribute poppies handmade by our disabled veterans, who receive a small stipend for each poppy made, in front of Walmart, 8961 Greenback Lane, Orangevale, every Tuesday in May: May 1, 8, 15, 22 and 29 from 4PM – 6:00PM and also on May 6, 19, 20, 26 and 27 from 9:00AM – 3:00PM. The memorial poppies are free, given as a remembrance of our fallen, but those who choose to, may make a contribution which will be devoted entirely to rehabilitation and assistance for veterans and their families. Please join us in helping to support our veterans. The blood and tears shed by our fallen heroes is symbolized in the red poppies immortalized in the poem by Lt. Col. John McCrae, Canadian Army WW1. We must never forget those who have given their all.

In Flanders Fields the poppies
 blow
 Between the crosses row on row,
 That mark our place: and in
 the sky
 The larks, still bravely singing,
 fly
 Scarce heard amid the guns
 below.
 We are the Dead. Short days

ago
 We lived, felt dawn, saw
 sunset glow,
 Loved and were loved, and now
 we lie
 In Flanders fields.
 Take up our quarrel with the
 foe:
 To you from failing hands we
 throw
 The torch; be yours to hold it
 high.
 If ye break faith with us who
 die
 We shall not sleep, though
 Poppies grow
 In Flanders Fields.

American Legion Auxiliary members fluffing poppies assembled by disabled veterans, readying them for distribution.

American Legion Event Raises Funds for Veterans

The American Legion (AL) Post 383 hosted a BBQ Blues dinner and dance fundraiser at the Veterans of Foreign Wars (VFW) hall in Fair Oaks on April 7th. It was a huge success! Many veterans in the American Legion and Veterans of Foreign Wars (VFW) and their families, as well as the general public, enjoyed the festivities and were treated to Cravin' Ravens' delicious BBQ pulled pork and BBQ pulled chicken with all the fixings. The crowd kicked up their heels to electrifying Hot Rock, Country

and Blues music by the KMC band. Both young and old danced to their hearts delight! Among the many prize drawings was a spectacular patriotic quilt. The quilt was created and donated by Orangevale resident Suzanne Winters, president of American Legion Auxiliary (ALA) Unit 383, and won by Dave and Julie Duncan of Fair Oaks. American Legion Post 383 Commander Mark Rice announced that the donations received will benefit local veterans and families in need as well as fund programs promoting Americanism. The BBQ Blues dinner and dance was a celebration reminding everyone of the freedom given us by all our veterans. Article and photo by: Sheila LaPolla Historian, ALA Unit 383
