OV RESPONDS TO FIRES IN PARADISE, CA

The Orangevale community showed its strength and compassion by rallying together to send over 20 trucks & trailers of much needed supplies to shelters housing families displaced by the fires around Paradise, CA. After seeing the devastation, several community leaders created drop-off locations and everything from pet food, warm clothing, diapers, and canned food groceries were sent via caravan to Oroville and Chico shelters. "This is what our community is all about", shared the new Chamber president Brad Squires. "We have an amazing community that knows how to respond in a time of crisis."

The Vintage Cruisers repurposed their regular monthly Dairy Queen parking lot car show to be a drop-off point for these items. Coordinator Zack McKiernan of McKiernan Realty led this effort sharing that "we had great support from the community and loaded 11 trailers and 7 trucks." Residents from throughout Orangevale showed up with loads of supplies and support for our neighbors in Paradise.

Chamber member businesses rallied together, and Greenback Equipment Rentals provided trailers for the groups to use in hauling the supplies up north. These community-minded busi-

nesses working together is what makes Orangevale a great town!

Another group from Pathway Fellowship collected supplies and teamed up with 25-30 other members of the community collecting items out of the building at Filbert & Greenback. Volunteers worked well into the night on Sunday sorting and organizing the various donations. Coordinator Marga Brunner shared that "it's overwhelming the amount of support and donations we've received! Our community really stepped up here."

The Casa Roble High School football team rallied together to create a fundraising opportunity to support their opponent football team, the Paradise Bobcats. Donations are being accepted online at <https://www.snap-raise.com/fundraisers/casa-roble-players-for-paradise-2018>.

ers/casa-roble-players-for-paradise-2018.

It's truly amazing to see how tragedies like this bring people together. It helps to clarify what's important in life. It removes division and helps us unite around an important human cause. Beyond these events, let's continue in the spirit of unity and keep focused on what brings us together. We have a lot to be thankful for.

ORDINANCE NO. 18-11-003

ORANGEVALE RECREATION & PARK DISTRICT

SUMMARY OF ORDINANCE NO. 18-11-003 ADOPTED NOVEMBER 8, 2018

By action of the Board of Directors of the Orangevale Recreation & Park District (the "District") adopting proposed Ordinance 18-11-003 Encroachment Ordinance (the "Encroachment Ordinance") at its regular meeting on November 8, 2018, the following Summary of Adopted Ordinance No. 18-11-003, Encroachment Ordinance, is authorized to be published in a newspaper of general circulation throughout the jurisdiction of the District within 15 days after adoption of the Ordinance, in order to notify citizens of the adoption of the Encroachment Ordinance. The following Summary of Ordinance No. 18-11-003 has been adopted by the Board of Directors of the District pursuant to the provisions of Government Code section 25124(b)(1) and has been prepared by the District's Legal Counsel at the direction of the Board of Directors. The purpose of this Ordinance is to regulate encroachments upon District Property and set forth the procedures to be followed by members of the public to obtain permission from the District to access District Property for the purpose of gaining access to other property, or for the purpose of constructing and/or maintaining any improvements, structures or objects which are partially located on District Property.

This Summary shall be published at least fifteen (15) days after the regular meeting of the Board of Directors at which this Encroachment Ordinance was adopted.

The following constitutes the official Summary of Adopted Ordinance No. 18-11-003, Encroachment Ordinance of the Orangevale Recreation & Park District (the "Ordinance").

1. Section 3 of the Ordinance defines an encroachment as any structure or object or improvement of any kind or character, including but not limited to, building extensions, fences, decks, retaining walls, landscaping, culverts, bridges, pipelines, or other structures or improvements, or personal property such as vehicles, trailers, boats or equipment located on District Property. "Encroachment" also means to obtain access over District Property for permissible purposes.

2. Section 4 of the Ordinance provides that it is unlawful for any person to undertake any excavation or place an encroachment in, under or over any District Property whether or not currently improved, or to permit an encroachment to exist on District property unless an Encroachment Permit has been issued by the District. The District will issue Encroachment Permits for authorized uses of District Property which do not interfere with the District's use of such property for the provision of public services. Such Encroachment Permits only permit limited public access to District Property for temporary periods of time.

3. Section 4 of the Ordinance provides that the form of Encroachment Permit requires the permit applicant requesting authorization for construction and/or installation of any structure or improvement on District Property, or authorizing any excavation on District Property, to post performance security with the District in the form of a performance bond, irrevocable letter of credit, or cash in the amount of 100% of the estimated cost of the work to be performed pursuant to the encroachment permit.

4. The Ordinance at Section 4 provides that the Permittee will be required to indemnify the District from and against all actions, liability, damages, claims, losses or expenses arising from the negligent performance of, failure to perform, or dangerous condition caused by the authorized work of the Permittee pursuant to the Encroachment Permit; and requires that the Permittee provide insurance to cover such potential damages.

In addition, this section of the Ordinance provides that any application for an encroachment permit may be denied or revoked effective immediately upon any one or more of the following grounds: (1) Violation of any of the provisions of this Ordinance or the Permit; (2) misrepresentations of any material fact in the application.

On a motion by Director Montes, seconded by Director Swenson, the foregoing ordinance was passed and adopted by the Board of Directors of the Orangevale Recreation & Park District this November 8, 2018, by the following vote:

FOOTBALL UPDATE: CASA RAMS MOVING ON!

The Casa Rams handily defeated the Patterson Tigers, 52-10 in front of an excited home crowd for the second round of section playoffs earlier this month. The Casa Ram fans and families celebratory mood quickly changed as word about the devastation of the Paradise High School football team was announced. Not only did the fires wipe out the homes of Paradise High School football coaches and players, but also their dreams of continuing in the play offs where they were poised to host a home game. Without hesitation, the Casa football team, led by Head Coach Chris Horner and

his wife Michele, rallied the troops and launched the "Players for Paradise" campaign to raise funds for their "football brothers". The Casa Rams enthusiasm ignited the

campaign which hit social media and local newscasts immediately and within days exceeded the \$15,000 goal for care packages. Beyond that they are also providing something greater.

"Unfortunately, I've been through this before with the Sonoma fires," said Michele Horner. "One thing that I have learned is the importance of the human connection. Our boys will make that connection at a luncheon where they'll hand out the care packages and meet their football brothers."

The valley's poor air quality forced practice cancellations and postponed play offs games throughout Northern California. Casa's playoff game against Vanden, is rescheduled for Saturday, November, 24th at 7 pm at Vanden High School in Fairfield. Stay tuned for the update! Go Rams

CAPITOL POPS CONCERT BAND RINGS IN THE HOLIDAYS WITH FREE CONCERT DEC. 1 IN RUSCH PARK GYM IN CITRUS HEIGHTS

The Capitol Pops Concert Band continues its 22nd season with a free, open to the public holiday concert at 7 p.m. Saturday, Dec. 1, 2018, at the Rusch Park Gym, 7801 Auburn Blvd., in Citrus Heights.

Under the baton of Director Judith Steinle, CPCB will once again play traditional holiday favorites, seasonal musical hits and carols.

This performance, sponsored by the Sunrise Recreation and Park District and the City of Citrus Heights, is family friendly and a great way to usher in the holiday season. The two-hour concert includes a 20-minute intermission.

Various prizes will be on display for the raffle ticket drawings. In addition, there will be a silent auction on special, one-of-a kind items. The public also will have the opportunity to purchase a variety of colorful poinsettias after the concert concludes. Longtime CPCB supporter Easley Nursery of Auburn has donated a large poinsettia plant as a grand prize in support of the band's student scholarship fund.

Started in 1997, the CPCB has performed a diverse portfolio of high-quality, well-prepared music heard by thousands of concert-goers throughout Northern California. Based in Citrus Heights, the self-supporting, nonprofit community band of about 50 musicians represents a wide cross-section of the Sacramento area. For more information on the Capitol Pops, visit www.capitolpops.org or its Facebook page. For more information, call (916) 725-5214.

STATE OF THE ART BUILDING COMING TO CASA ROBLE

Casa groundbreaking ceremony: State of the art buildings coming soon...

Students, staff and community members gathered in the Senior Square at Casa Roble Fundamental High School earlier this month and broke ground on a student union and quad renovation that will modernize the campus with next-generation learning spaces.

Casa Roble is the fourth San Juan Unified high school to receive a signature project as outlined by the Board of Education under Measure N in 2012

Principal Michele Lorenzo to bring "point-of-differ-

ence" facilities to all nine high schools. The student union and administration building will be the first in San Juan Unified to bring a college-like atmosphere to a high school centered on student collaboration and community access.

"We are very excited for the 21st-century learning spaces, and also envision the student union to be a gathering place for the Orangevale community after school hours," Principal Michele Lorenzo said.

The Nov. 8 groundbreaking ceremony was an opportunity for students to hold one final event in the Senior Square before construction crews demolish the quad area and rebuild it as an outdoor learning environment that also serves as a campus hub and path of travel to classroom wings. The project is expected to be complete by 2020.

NEED TO SELL OVER THE HOLIDAYS? CHECK OUT THESE FOUR WINTER HOME SELLING TIPS

There's a belief among homeowners that it's impossible, or at least unwise, to sell your home over the holidays. Buyers supposedly are too distracted by shopping and turkey to commit to their home search, with the result that demand and prices will fall. They believe it is better to hold off until spring.

But is this belief correct? It may come as a shock, but the holiday season is one of the best times of the year to sell a home. There's a massive surge in online viewing activity over the holiday period, since buyers use the extended work-free period to hunt for homes. There's also less competition.

Here are four tips for selling your home over the busy holiday period.

1. Crank up the heat

The winter can be miserable for buyers who are pounding the streets in the bitter weather. You'll want to make them feel warm and welcome as soon as they walk through the door. Make sure the temperature is comfortable. It will encourage buyers to spend longer in your home.

2. How does it look from the street?

Curb appeal, the view of your home from the street, is even more important during winter. First impressions count, and your buyer will not be impressed with dead foliage and fallen leaves. You'll have

to pay more attention to your yard and lawn over the winter months.

3. Take pictures before you decorate

This is a tricky one, since many buyers are attracted by images of a warm, cozy and tastefully decorated home. But if you don't find a buyer before year end, those pictures will remain on your listing in January, February and beyond. Buyers will see at a glance how long your home has been on the market and may leverage this information to negotiate a discount.

4. Hire a reliable real estate agent

The holidays are a busy time for everyone, and that includes your agent. Make sure you hire someone who will be available for you and won't disappear during Thanksgiving or Christmas. Having a reliable agent on your side will ease your anxiety.

While the holidays are not a peak time to sell a home, sellers who take the plunge may be handsomely rewarded with a motivated buyer and an efficient sale. Keep the décor simple, scale up your hospitality, and you might just hit the holiday jackpot.

BEST OF ORANGEVALE BUSINESSES HOST 2ND ANNUAL TRUNK OR TREAT

The Second Annual Trunk or Treat hosted by Best of Orangevale businesses surrounding Beech and Greenback was a huge success with over 200 people in attendance.

Annie's Breakfast, The Orangevale Library, The Last Tangle Salon, North Star Collision and L&M Liquor and Deli all opened their doors the Saturday before Halloween, handing out candy to the local costumed kids. The new owners of the Greenback Oaks Shopping Center, Ethan Conrad Properties, joined in the festivities.

North Star Collision decorated cars, and invited local community members, Greg and LaVonne Crimmons who brought out their mini horses to entertain all the trick or treaters and surrounding businesses.

The Last Tangle Salon handed out over 200 pounds of candy from all of their 26 decorated stations and rooms. The Trunk or Treat was created by Julie King, the owner of The Last Tangle Salon, in 2016 to help boost the negative image that the corner had received during the height of homelessness in the area. Since then the center was bought by Ethan Conrad Properties in January 2018, who greatly improved the center and increased safety in the area.

The community rallied for the Trunk or Treat to continue this year, ensuring it to be an annual tradition, and was well attended by all the cutest little members of Orangevale!

PETACULAR

PETS AND THE HOLIDAYS

The holidays are upon us – full of festivities, friends, family and food! All of these things are fun and exciting for humans, but your little furry friends might not be as excited and understanding about the commotion.

PRESENTS

Pets as presents – don't do it. If you want to give a friend, spouse or child a pet for Christmas, take them with you to the Bradshaw Animal Shelter as part of the gifting experience. Let them be an active participant to ensure the right match is made for both parties through comprehensive adoption counseling. Gifted pets are one of the top returns local shelters take after the holidays.

Decorations

Decorations pose a real threat to your pets – from tinsel to glass ornaments to candles/lights. Never leave your pet unattended with dangerous decorations or a lit Christmas tree. If possible, close off the Christmas tree area from your pets when you aren't in the room.

FOOD

The holidays are full of delicious food, sweets and drinks for humans, but many of these treats are toxic for your pet. Although many foods are perfectly safe to feed your pet after your holiday meal, others pose a danger. Check online for a list of safe and unsafe pet foods. Make sure your guests are aware of the house rules when it comes to feeding your pets.

Guests, parties and loud noises

Is your pet a social butterfly or a quiet bookworm? Be con-

siderate of their preference as you invite people into your home, play music and more. Some pets love the additional attention – but others are fearful of all the noise. Designate a back bedroom with a bed, food and water for your shy pets.

GIVING BACK

The Bradshaw Animal Shelter, owned and operated by the County of Sacramento, houses nearly 14,000 animals every year. They provide food, shelter, medical care, vaccinations, microchips and spay/neuter services to these precious animals. If you are looking for a worthwhile cause to donate to before the end of the tax season, consider Bradshaw Animal Shelter!

The shelter also accepts financial sponsorships of pet adoptions!

Looking for pet themed gifts for friends and family? Visit the Critter Outfitter – a pet retail store located inside the shelter. All proceeds go back to helping the animals and it is stocked with great pet supplies and gifts!

However you celebrate during the holiday season, be mindful of your pets and their safety and have a happy holiday season!

The Bradshaw Animal Shelter Adoption Center is open inside Petco daily from 11:30-5:30. Come visit us today and take home Willow or another wonderful cat or dog or visit our main shelter located at 3839 Bradshaw Road in Sacramento. We have hundreds of pets just waiting for homes!

Nearly one in five of animals brought to the Sacramento SPCA require medical care prior to adoption and many of these animals are senior pets (age 7+).

Did you know that a common course of treatment at the Sacramento SPCA is the "senior special," where an animal receives a blood panel to rule out underlying issues and a dental cleaning with extractions to prevent dental disease? This not only a huge benefit to the pet, but also provides peace of mind to potential adopters.

I don't have a history with dogs, but bring your dog down to meet with me to see how we get along. I don't have a history with cats, but may do well with them with a slow introduction. Due to my size, age, personality, I'm a better fit for homes with older children/adults.

Sugar might take a little offense at being described as "spry for a senior" by our volunteers, since she doesn't seem to consider herself a senior because she is a lively, happy lady. She is a bit shy until she gets to know you, but then is very affectionate and wants to stay right with you. Sugar is as sweet as her name and likes to cuddle next to you or on your lap and at a little over 10 pounds is the perfect lap size. She walks nicely on leash and enjoys her walks, but likes to step out at a fast pace not just amble along. Although she does love people, young children would be a bit lively for her so a home with just adults or possibly older, fairly calm children would be right up her alley.

O'CONNOR'S WOOD FIRE GRILL & BAR

Looking for a good place to eat in Orangevale? You don't have to go far -- put your taste buds on auto pilot and head on over to O'Connor's BBQ and Grill located at 9267 Greenback Lane. Once you pull into the parking lot, the mouth-watering smells of wood fire barbeque will overwhelm your senses and make your appetite jump for joy! The family run business is owned and operated by Steve and Debbie Dougherty who moved to the area in 2006. Together they have over 20 years of experience in the food service industry. Steve started out in the "food chain" of jobs

at 15 as a dishwasher in the Bay area and worked his way up to bartender, general manager and eventually owning his own place here in Oran-

gevale in 2008.

O'Connor's BBQ was originally launched as a fast, casual eatery until the Orangevale business closed its doors for a major remodel in 2015. "At that point, we expanded the restaurant to include a full bar making us the only full service grill and bar in Orangevale," Steve noted.

Their mouth-watering menu includes wood fire pizzas, delicious salads, pastas and tantalizing barbequed meats like tri-tip, brisket and chicken to

name a few. Besides dining in, you can order out making the task of hosting parties and other gatherings a breeze. They also cater special occasions like weddings, winery events, and community fundraisers like the annual "Best of Orangevale" awards banquet and the first ever Orangevale Harvest Dinner.

O'Connor's doors are open seven days a week, 11 a.m. – 9 p.m. for lunch, dinner and nightly happy hour specials. For those who haven't tried the local bar and eatery, check it out. "It takes a lot to keep a small business running," Steve reflected. "I'd say to those who don't know about us to learn who is here and

support your local businesses." To see the full menu, specials, prices and catering information go to O'Connor's website: www.woodpit.com, check them out on Facebook or call them directly at (916) 988-0112

Adult Book Club – Saturday November 24th, 1:30 Every month we'll pick a novel or non-fiction title to read and discuss. Join us for a great book conversation and make new friends! This month we'll be reading "Homegoing" by Yaa Gyasi. Ghana, eighteenth century; two half-sisters are born into different villages, each unaware of the other. One will marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle. The other will be captured in a raid on her village, imprisoned in the very same castle, and sold into slavery. Homegoing follows the parallel paths of these sisters and their descendants through eight generations: from the Gold Coast to the plantations of Mississippi, from the American Civil War to Jazz Age Harlem. Yaa Gyasi's extraordinary novel illuminates slavery's troubled legacy both for those who were taken and those who stayed—and shows how the memory of captivity has been inscribed on the soul of our nation.
