Folsom's very first Soap Box Derby held on Sutter Street. The youngest racer was 7 years old up to 14 plus year olds. It was a great day for the kids to race down Sutter street with family and friends cheering their young race car drivers across the finish line. Submitted by and photos provided by Tom Paniagua

CASA ROBLE RAMS CLINCHED THE LEAGUE CHAMPIONSHIP IN A BIG WIN

The Casa Roble Rams clinched the league championship in a big win 52 – 20 over the Dixon Rams last Friday! Both teams were 3 – 0 for league play in an exciting Ram to Ram face off. The visiting Dixon Rams scored first putting 6 points on the board, but the Casa Rams special teams struck back by scoring 2 unanswered touchdowns by the end of the first quarter. As the game progressed, the Casa Rams momentum was unstoppable with numerous crowd pleasing plays including a 90 yard kick return by Jack Johnson, a blocked punt and touchdown recover by Ruben Voznyuk, a one-handed catch in the

end zone by sophomore Dylan DeCelle and an electrifying 70 yard touchdown run by sophomore runningback Dylan Overstreet.

This was a perfect ending for Casa's last home game and senior night where 31 seniors and their

families were recognized for the years of hard work and dedication to the program.

"This is a very special group of seniors," said Head Coach Chris Horner. "They're leaving quite a legacy for the program including winning both freshman, and JV league championships and now this league championship. It's the icing on the cake," he added.

This win all but secured a playoff birth for Casa Roble as they move on to the Division 4 playoffs in two weeks. Stay tuned for more information about times and locations. Go Rams!! Submitted by: MaryAnne Povey, photos by Tim Engle of Engle Photography

CAN'T CALL? NOW YOU CAN TEXT

“CALL IF YOU CAN – TEXT IF YOU CAN’T”

Sacramento County 9-1-1 Centers representing all law enforcement and fire agencies in the region are excited to announce Text-to-9-1-1 service is available county-wide. This means all 9-1-1 Public Safety Dispatch Centers are now equipped to receive and respond to mobile phone Text-to-9-1-1 messages from our citizens.

Individuals who are deaf and hard of hearing members of the community, or those in a situation where it is too dangerous to dial 9-1-1, will have another option to call for help in an emergency, Text-to-9-1-1. The benefits to our citizens are significant, especially in cases when the caller cannot communicate verbally. Examples include not only the hard of hearing, but also when a crime is in progress, the caller is facing domestic abuse, the caller is injured and cannot speak, or other scenarios.

In anticipation of providing this service, we wanted to share some information with you.

Even where text-to-9-1-1 is available, if you can make a voice call to 9-1-1, please call instead of texting

Here are some guidelines for how to contact 9-1-1. If you use a wireless phone or other type of mobile device, make sure to do the following in an emergency:

- If you can, always contact 9-1-1 by making a voice call, “Call if you can – text if you can’t.”

- If you are deaf and hard of hearing and Text-to-9-1-1 is not available, use a TTY or telecommunications relay service, if available.

- If you text 9-1-1 and text is

not available at that time or in your area, you will receive a bounce back message advising “text is not available please make a voice call to 9-1-1.”

- Location accuracy varies by carrier and should not be relied upon. Be prepared to give your location.

- Text-to-9-1-1 service will not be available if the wireless carrier cannot ascertain a location of the device sending the message.

- Text-to-9-1-1 is not available if you are roaming.

- A text or data plan is required to place a text to 9-1-1.

- Photos and videos cannot be sent to 9-1-1. They cannot be received at the 9-1-1 center currently.

- Text messages should be sent in plain language and not contain popular abbreviations (SMH, LOL, ICYMI) or emojis, which will not be recognized.

- Text-to-9-1-1 cannot be sent to more than one person. Do not send your emergency text to anyone other than 9-1-1.

- Texts must be in English only. There currently is no language interpretation for text available. This is still in development.

This is exciting news for our region and we are looking forward to providing this service to our community.

RIO AMERICANO HIGH SCHOOL PRESENTS THE 38th ANNUAL PLAYATHON – 1950's!

Sacramento, CA | November 2018 – Elementary and middle school musicians are invited to join the Rio Americano High School Band on Thursday, November 8th for Playathon, a 17-hour musical marathon at Rio Americano High School (4540 American River Drive Sacramento, CA).

This 38th annual event runs 7 a.m. to Midnight and features the school's award winning jazz and concert bands in addition to soloists and combos from the Small Ensemble program. While Playathon benefits Rio's comprehensive music program, serving all levels of musicians, band students from all area middle and elementary school programs are also encouraged to attend from 3:15-5:30 p.m. to play along with Rio Band. Rio Americano's beautiful Center for the Arts will play host to the event!

This year's 1950's theme includes a retro carnival, face painting, hip crafts, an obstacle course, and trivia from the jukebox! All Sacramento area students are invited to bring their instruments for a “Play Along” and play with the High School band: Middle School

musicians: 3:15p - 4:20p & Elementary School musicians 4:30p - 5:30p. Playathon continues with free evening performances scheduled from 5:50-10:00p featuring music from all the Rio Americano Bands in the new Center for the Arts.

Tax-deductible donations to the Rio Americano Band Boosters (made payable to RABB; Federal Tax I.D. #680018985) will help with the many band program expenses not covered by the San Juan School District budget at

RioBand.net. The Rio Americano High School program, under the direction of Josh Murray and Max Kiesner, provides the highest quality high school music education and has received honors from the Monterey Jazz Festival, the Swing Central Jazz Festival in Georgia, DownBeat magazine, and the Essentially Ellington Festival at NYC's Lincoln Center. Rio Americano bands have performed in China, Australia, Argentina, Spain, Italy, Ireland, and Japan (twice!), and many students have gone on to great success at numerous music colleges and conservatories.

For more information about the Rio Americano Band program and Playathon, contact RABB President Nancy Parker at (916)955-6207 (parker1813@hotmail.com), Band Director Josh Murray at (916)971-7512 (jomurray@sanjuan.edu) or visit www.rioband.net. Pictures and video are available upon request

CASA ROBLE CROSS COUNTRY MAKING NOISE

Casa Roble's Varsity Cross Country Team is on a roll in the league and in the classroom. Last month, they claimed the top spot at the Lagoon Valley Classic. On September 27th, they won first place in the Golden Empire League (GEL) Center Meet #1. On October 11, they won again. Both times the teams finished second and fifth individually. The team is led by senior scholar

athlete Corbin Farias, who placed second at both League Center Meets. This is truly a team effort though. Other scholar athletes Jon Allie, Mason Rozumowicz, Nolan Rozumowicz, Chris Billings, and Carson Konvalin have all contributed top finishes in those meets. Next up is the GEL Championship on October 25th followed by the Section meets in early November. Go Rams!

Hello everyone, I hope this finds everyone well and happy. If you read my last article I mentioned I might have a better report and I sure do. This past week to Folsom Lake proved to be a really fun one. I found a large bay to have a tremendous amount of spotted bass and largemouth feeding on bait. This created a fish feeding frenzy for most of my morning. A boat with 4 young students and a teacher friend were invited to join me there as they were searching the lake to catch fish. They all caught their share and learned that catch and release is very important. It really brings me such pleasure to help our young sportsmen learn good sportsmanship along with proper techniques to catch fish. I hope they pass it on. Be safe, have fun, and share some time on the water with a friend.
Thanks, Danny Miller

CASA JR ROTC & RENO AIRSHOW

On the 14th of September, Casa Roble Fundamental High School's AFJROTC traveled to Nevada for the Annual Reno Air Races. This yearly trip has always been a fun experience for both our incoming and returning cadets. The Reno Air Races gives the cadets new airplanes to explore and virtual reality learning experiences that can show you what field you are talented in. The Reno Air Races also gives

Cadets insight on what aviation jobs are available in the different branches. Different planes starting from C-17's all the way to the Black Hawk (as seen in the photo above) were flown in from different bases around the country. Cadets got a chance to crawl into the cockpit area and talk to the pilots themselves. They got to sit in the pilots, co-pilots and navigators seat to get a real sense of what it feels

like to be a crewmember. The races themselves were also a treat. The ground rumbled as the F-16 Viper performed moc-dog fight aerobatics and cadets were able to see the the B-25, F8F-2 Bearcat, F6F Hellcat, and the Mitsubishi AM63 in action. This spectacular performance amazed our cadets as the pilots showed off their detailed aviation skills, the pilots exceeded the level of performance our cadets anticipated. Overall, the Reno Air Races were a huge success, this event has ,and will be a great look into careers in the aviation industry and what it offers to those who are interested.

VETERANS DAY

The eleventh hour of the eleventh day of the eleventh month 1918 – an armistice, or temporary cessation of hostilities, was declared between the Allied nations and Germany in the First World War. Since no one knew that there would be a sequel in 20 years, it was known as "the Great War" or the war to end all wars but didn't have a number. Commemorated as Armistice Day beginning the following year, November 11th became a legal federal holiday in the United States in 1938. In the aftermath of World War II and the Korean War, Armistice Day became Veterans Day, a holiday dedicated to American veterans. Unlike Memorial Day, it was not in-

tended to just remember those that fell in battle. Instead it was a day to recognize all those that men and women that have served over the course of 241 years of this nation's existence. Whether the service was in war time or peace time or in foreign countries or at home, the Veteran would be recognized on this day. The veteran knows not what the situation will be when they sign the bottom line and raise their right hand and promise to support and defend the constitution. Peace time quickly can become war time.

Every year, Sylvan Cemetery in Citrus Heights honors those that served in the defense of their county. This year the Veterans Day service will be held on Sunday, November

11, 2018, at Sylvan Cemetery, 7401 Auburn Blvd., Citrus Heights. The ceremony begins at 10:30 with a march through the historical section of the cemetery, stopping briefly at each flag station to read a prayer and salute the flag. The men marching include the American Legion and American Legion Auxiliary, VFW, Sons of Union Veterans of the Civil War, Sons of the American Revolution, Boys Scout troop 228, Police Officers of the Citrus Heights Police Department and all others that wish to march. This march will last about 30 minutes. The march will conclude at the gazebo where there will be a one hour ceremony. Many of the men marching will be in uniform – past and present – from American Revolution to modern day.

MONKEY BUSINESS

Monkey Bridge Crossing. The scouts built a double A frame rope bridge also known as a Monkey Bridge for the Webelos to cross.

Scout Troop 144 of Orangevale hosted its annual Webelo overnight adventure at Beal's Point Campground in September. The event allows young Webelos, usually in the 5th or 6th grade to experience a camping trip with the older scouts (ages 11 to 18).

As part of the adventure, the Webelos and scouts built a monkey bridge, went on

a full moon hike along Folsom Lake and cooked delicious taco salads for dinner and pancakes with generous amounts of syrup for breakfast.

In February 2019, both boys and girls will be able to join Scout Troops. Troop 144 hopes that the 13 boys and 4 girls that attended their Webelo adventure will decide to join their Troop. Troop

144 has been active in Orangevale for over 35 years and celebrated six scouts that earned the rank of Eagle Scout in 2018. All 5th and 6th grade boys and girls that are interested in scouting are welcome to attend a Troop 144 meeting at Christ the King Lutheran Church Tuesday evenings at 7 PM.

THREE EASY WAYS TO ADD CLASSIC STYLE TO YOUR HOME

You don't need to have a big bank account to upgrade the look of your home to a more classic style. It simply takes a bit of imagination and the willingness to do the work. Below are three simple ways you can achieve the classic look that you desire.

Replace Old Light Fixtures

Lights are functional, but that doesn't mean they can't be attractive as well. If you have some old light fixtures that don't add anything to the overall ambiance, consider replacing them with something a bit more sophisticated. This allows you to control the character of the

room as well as the intensity of the light.

Change Your Paint Colors or Paint an Accent Wall

Is the wall of your living room or bedroom a bit on the bland side? It doesn't have to stay that way when you paint it an accent color that matches both your personality and the décor of the rest of the space. Even someone who has never painted before should be able to handle the project just fine. All you need are a paintbrush, some tape, and paint in the color you have chosen.

Add Decorative Molding

This is a simple and inexpensive way to add a touch of elegance to your home. For ceilings, you can install molding by capping cabinets, columns, or walls. If

you want to go lower to the ground, consider adding chair rail molding. Detailed molding really lets you inject character into different rooms while making them appear more finished and taller at the same time.

While these projects are all simple and inexpensive, don't overwhelm yourself by taking on more than one at a time. Take the time to enjoy the fruits of your labor from one project before moving onto the next. With some hard work and dedication, you will have the classic touches added to your home in no time.

to the Jungle of Nool for a fantastical adventure. There JoJo learns of the plight of the tiny citizens of Whoville, who live on a planet the size of a speck of dust. Their sole protector is Horton the Elephant, who is the only one with large and sensitive enough ears to hear them bipping and beeping and playing their ompahs. The small world is threatened by Sour Kangaroo and the Wickersham Brothers, who in disbelief that a world could be so small, try to steal the dust-speck so they can cast it into a vat of Beezle-Nut oil. During all of this drama, Horton has not noticed that he has an admirer, Gertrude McFuzz. She blames his indifference on her one-feather short tail and endeavors to find a way to change her looks. Meanwhile, Horton's friend, Mayzie LaBird, is bored

of perching on her nest, and convinces the watchful elephant to sit on her egg so she can take a vacation. The Cat follows all of these storylines and finally casts the boy into his own as the irresponsible son of Mr. and Mrs. Mayor of Whoville, JoJo, who ultimately saves his whole tiny world with one big, imaginative "think."

Seussical™ KIDS is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI. 421 West 54th Street, New York, NY 10019 Phone: 212-541-4684 Fax: 212-397-4684 www.MTIShows.com.

Orangevale Cooks

by Suzanne Feblowitz

This week, we have a recipe from Lynne Miles. She made this dish twice in one month. It's easy to make and the flavors are rich. She didn't think she would like the mint, but it was fabulous. Her family also ate it on the romaine lettuce cups. (She thought her husband would dip into his tortillas, but the lettuce was so fresh and delicious he didn't.) This is another great recipe for a fall evening!

If you would like to share a favorite fall recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

THAI LETTUCE WRAPS

2 lbs lean ground beef (you can also use ground pork, chicken, or turkey)
2 cups beef broth (substitute chicken broth if using other ground meat)
3 cloves garlic, crushed
1/3 cup fresh lime juice (2-3 limes)
3 Tbsp fish sauce -find it in the foreign food section at the grocery store
2/3 cups very finely chopped cilantro (about 1 bunch)
2/3 cups very finely chopped mint (about 1 bunch)

Head romaine lettuce to serve
Directions:

1. Brown ground beef in a large skillet over medium-high heat, breaking up frequently with a spoon or spatula to achieve a fine cooked ground beef texture (small pieces), 8-10 minutes.
2. Add broth to beef. If broth is unseasoned, add 1/2 teaspoon of salt. Let simmer, stirring occasionally, until broth has completely boiled away, about 6-8 minutes.
3. Meanwhile, combine crushed garlic, lime juice and fish sauce. Finely chop and then combine cilantro and mint in a separate bowl. Separate lettuce leaves and cut in half if very large.
4. Once broth has boiled off completely (if you listen carefully, you can hear the moment that there's no longer any water in the pan), stir in the lime juice mixture. Simmer, stirring, until the lime juice mixture has also boiled away, about 2-3 minutes.
5. Stir in chopped herbs, immediately remove beef from heat and serve.
6. To serve: scoop a generous spoonful of beef mixture into a lettuce leaf, wrap the lettuce leaf up around the edges like a taco. You can also serve as a salad on a bed of shredded lettuce.

BAD DOG BREATH IS NOT A GIVEN

When enjoying a new puppy or young dog, it is normal to spend most of your time trying to burn through all their energy or working on solidifying those basic obedience commands. This is also the perfect time to get them accustomed to a dental health routine!

Brushing a dog or cat's teeth daily is the best way to stave off gingivitis-causing plaque and tartar. It takes about 48 hours for soft plaque that you can brush away to hardened, calcified tartar than you cannot remove without professional scaling. It may seem excessive for a pet, but this is why it is recommended to perform

this daily. Any less often than every other day is not going to do any good. A good start is to get a veterinary approved toothpaste. This is important initially, not only because you do not want to use human toothpaste (unsafe for them to swallow large amounts), but the good taste will help your pet adjust. Start by letting them lick it off your finger. Graduate to using your finger to wipe their teeth and gums before trying to add another object. If they do not allow you to step up to a brush, they make finger covers with bristles.

If you pet still struggles, or if brushing just does not work with your busy schedule, daily dental treats are a close second

best option. There are so many on the market, so you want to find one that is approved by the Veterinary Oral Health Council (VOHC), as they have been shown by scientific studies to support the company's claims. Aside from lessening bad breath, dental pain, and infection, prevention is 1/3 the cost of treating major dental problems later in life. Even if you pet already has bad teeth, you can start this new routine after your pet has a professional cleaning by your veterinarian. Healthy smiles for all!

MOORE'S GARAGE

Car need repair? Not sure who to trust or where to take it? Check out Moore's Garage, one of the area's top auto repair shops, located at 6326 Main Avenue in Orangevale, owned and

operated by Jim and Maureena Moore.

The husband and wife team opened their shop in February 2011 and have been serving the area's auto repair needs ever since. They are long time Orangevale residents, establishing roots back in 1985. Jim Moore, a lifelong car enthusiast, pursued his love for tinkering with cars by training in auto technology after high school and receiving multiple expert certifications. His years of experience in the automotive arena ranged from specialty shops and dealerships to large national auto repair chains before launching a business of his own. Those years working in the auto repair industry revealed a strong need for better customer communication. It's this need for better customer service that inspired

"I've always taken pride in the work I do since it represents me and my family to the community. It's very important that every vehicle is repaired correctly the first time." Moore's Garage handles all types of vehicle repairs and diesel vehicles as well. Not only do they offer major repairs at an affordable price but do regular maintenance for their customers too. Dark Mermaid

For Halloween, someone tells me that she'll be a dark mermaid. She used to tell others she'll be a Siren, but that changed. When she said Siren, this puzzled others since they thought she'd be an alarm on an ambulance.

ORANGEVALE OPEN ELEMENTARY SCHOOL'S FIRST GRADE CLASSES LEARNING ABOUT GARDENING!

For three days, October 9th, 10th and 11th, teachers and parents brought a class each day to the Fair Oaks Community Garden for an educational outing.

Susan Hammond, a member of the Community Garden and Christy Wallace, Master Gardener and a Community Garden member, introduced the students to various aspects of growing vegetables. The Bugs (Good and Bad): This part of the session is quite my favorite, for after a discussion of which bugs are not good to have in the garden and which are beneficial, they got to hold live lady bugs for a few minutes then turn them loose to devour aphids in the garden. The entire garden was filled with their squeals of delight and

laughter.

The Tour: Groups are split into two groups and taken through the 84-plot garden, to see in person many kinds of vegetables as they are growing. These include eggplant, corn, tomatoes, beans, carrots, celery, pumpkins, strawberries, blackberries, cucumbers, onions, garlic, bitter melon, artichokes, and many more.

The Work: Since the Community Garden has a large area set aside in which to grow vegetables for donation to the local food bank, the students helped with that effort by pulling weeds from one of the raised beds. They all did a really good job and their help is appreciated!

The Next Part: Each student planted a seed, watered it and got to take it back to class in a clear cup which, as the plant sprouts and grows in their classroom, will have roots in the dirt visible through the cup.

Another "Great Happening" is going to be held at the Orangevale Grange Hall. Come join the Orangevale Grange and Worm Fancy Kate Waldo to learn about turning your kitchen waste into black gold by composting with worms. The class will be held on November 10th from 10 am to Noon, at the Grange located at 5807 Walnut Ave, Orangevale. The first hour will be dedicated to learning about how to compost with worms and the second hour will be building a worm bin. The class is free. If you want to build a worm bin, bring two opaque storage bins (between 10 and 18 gallons) a ¼ inch drill and a spray bottle. Worms will be offered at \$10 for 1/3 of a pound. A free Goodie bag will be offered while supplies last.

Kate Waldo started Worm Fancy in November 2009 with the objective of teaching children about waste reduction primarily by means of composting with worms. Through the past eight years, Worm Fancy has worked with clients like the City of Sacramento, Republic Services, the City of Elks Grove, Cal EPA, the Sacramento Zoo, Sacramento State university, Consume River College and hundreds of area residents. When Kate is not sharing her passion for composting and conservation she works as an Environmental Engineer.
