Coming to Orangevale Community Park on May 18th, Women Veterans Alliance Red White and Blue 5K Run Walk Ride. We are very excited to for the 2nd Annual Fun Run in Orangevale which is open to the public.

There are approximately 2 million women veterans and this number is rapidly growing. As a society, when Veterans are thought of women almost never come to mind. These dedicated women can be found nationwide, but go largely unrecognized in our communities. Women Veterans Alliance started in Sacramento three years ago and is now the fastest growing professional women veterans networking organization.

We would love your support to help empower the women that have served our country. Ways to support us, participate as Individual or Team. Participants will receive Swag items depending on level to include T-shirt, Dog tag, and bag. Many participants

are fundraising as an individual or team. One of the participants Lori Anne Young a Marine Corps Veteran is running in honor and memory of her friend Captain Jennifer J. Harris, USMC, Killed in Action February, 7 2007.

In addition to the run we are having Fun in the Park from 8-2pm where we are going to have awards ceremony, food trucks, vendors, exhibitors, music, kids area and more. We have opportunities available for vendors, exhibitors and

crafters (special rates for crafters and non-profits).

Registration opens at 8am. Run will start at 9am with an opening ceremony including national anthem and paying respect to the flag of our country.

This is going to be a great event and we look forward to seeing you. Come out and show your support along the run route.

FIRE CAMP LETS KIDS BE FIREFIGHTERS FOR A WEEK

Sacramento County, CA - Metro Fire recently opened the application period for Fire Camp, a day camp that takes place from June 25 - 28, 2019. Fire Camp provides local children a once-in-a-lifetime opportunity to experience today's fire service, first hand. The program is designed to instill self-confidence, teamwork, teach life safety skills and provide a basic understanding of the firefighting profession, in a fun and exciting atmosphere.

Campers are grouped in "strike teams" of eight campers, and each strike team is mentored by two Metro Firefighters. Campers learn valuable life safety skills, while discovering what it means to be a firefighter.

To attend Fire Camp, applicants must be 11, 12 or 13 years of age, with preference given to those living within Metro Fire's boundaries. Applications are processed in the order in which they are received, so apply early for a better chance of securing a spot. Deadline to apply is May 10, 2019.

STUDENTS COLLECTED 1,978 POUNDS OF FOOD

Green Oaks Fundamental Elementary School in Orangevale held their annual Food Drive on Friday, April 5th to benefit the Orangevale-Fair Oaks Food Bank. The GO Student Council sent home grocery bags encouraging students and their families to fill the bags with non perishable food items and return them to the school on the scheduled date. The children arrived to school and were greeted with

balloons and music and student council members wearing fun and crazy hats to set an exciting mood and foster a love of giving as they handed over their bags of donated food. Student council members led by Mrs. Nena Wilson then loaded the bags into the back of the Food Bank Truck. The Food Drive was a huge success as the students were able to collect 1,978 pounds of food to help neighbors in need through

the Food Bank. This food will be distributed directly to families suffering with food insecurity in Orangevale and Fair Oaks. **THANK YOU** Green Oaks Beavers for your generosity! For more information and to find out how you can help the Orangevale-Fair Oaks Food bank please visit www.orangevalefoodbank.org

SHUT DOWN THE SECRET DMV

Shut Down the Secret DMV
by Assemblyman Kevin Kiley

Anyone who has been to their local DMV office lately knows what a frustrating and time-consuming experience it can be. But what many Californians may not know is that one particular group of people gets to avoid this experience: Members of the State Legislature.

This is because a Secret DMV office has existed for many years across from the State Capitol that is only available for use by legislators and Capitol insiders. At a time when the DMV is failing to adequately serve Californians, it is unconscionable that lawmakers tasked with keeping the department accountable are not required to endure the same experience as the people they represent. That's why I have introduced AB 862, a bill to prohibit the DMV from operating an office that is only open to a select few political insiders.

It will be interesting to see how quickly the Legislature works to reform the beleaguered DMV once legislators have to wait in line at the DMV like everyone else. There can be no doubt that serious reform is needed. Multiple news reports and audits in recent months have highlighted a number of the department's deficiencies.

Many locations have had lines with over six hour wait times in some locations, much of which stemmed from the DMV's failure to properly prepare for the rollout of federal Real ID laws. In fact, the Department of Homeland Security sent a letter to Governor Gavin Newsom this week confirming that over 3 million Californians who have already obtained their Real IDs will be required to return to the DMV to show another valid form of identification after the DMV failed to meet requirements that have

Assemblyman Kevin Kiley

been in federal law for 14 years.

Furthermore, since the passage of California's Motor Voter law, the DMV has also been responsible for mishandling over 100,000 voter registrations, including allowing at least 1,500 ineligible voters to register. Most recently, an audit by the Department of Finance uncovered a number of concerning findings at the DMV including an outdated organizational structure, poor performing IT systems, and a failure to properly train employees to meet the needs of customers.

Our system was designed to be a government of the people, by the people, and for the people. State representatives should not enjoy privileges that aren't available to the people they represent. It's time to put an end to the Secret DMV. And it's time to fix the DMV for all Californians.

Assemblyman Kevin Kiley represents the 6th Assembly District, which includes parts of El Dorado, Placer, and Sacramento counties. A taxpayer advocate, Assemblyman Kiley will be holding a town hall with Rocklin Mayor Joe Patterson on Tuesday, April 30 from 6 to 8 p.m. at the Destiny Community Center (6850 Five Star Blvd. Rocklin).

MEDITATION FOR EASTER

Most women know or would if they could, the tremendous joy of motherhood

To bring forth a life fulfill its need, is a precious gift from God indeed

The same is true of nature that symbolizes life, like blooms in springtime

After a cold winter's strife
Then there is grief and sorrow
that is daily in store
But none can compare with what
our Savior bore

Now think of the child that you brought in this world, of which you take pride
Whether boy or girl
Then think of the pleasures you daily enjoy, your dream for their future
You hope nothing will destroy

Then think about a Mother, her horrible loss, to see the son she bore
Nailed to a cross
Watch his life drain away for the price of sin, knowing he was dying
For the very same men
Who was driving the nail in this helpless hands, while on the sidelines
She must helplessly stand

Then do you wonder how many today, would ever be willing that
Same price to pay
To Sacrifice a life that God gave to you, a life you hold precious
Just what would you do?

Even if you knew that the life that you gave
Would be instrumental the whole world to save
I pray my life be a symbol, for the world to see
How much I appreciate Christ dying for me

Orangevale Cooks

by Suzanne Feblowitz

I received a wonderful surprise in the mail the other day! It was a recipe from my neighbor Rhonda Asbenson who sent in a recipe for a dessert that I had a dream about! I seriously had a dream about flan! Her mother, Betty Ryan, is of Irish decent, but her recipe for Mexican Flan is delicious! When an Orangevale friend of hers, Missy Herguth, began International Dinner Nights with friends, she signed up to bring her mom's flan. She hadn't made it in years, but the rave reviews helped her remember why it always was a favorite. We are always looking for new recipes, so if you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

Betty Ryan's Mexican Flan

- 6 eggs
- 1- 14 oz can sweetened, condensed milk
- 1 - 12 oz can evaporated milk
- 1 tsp vanilla

- 3/4 cup white sugar
- 1 tsp ground cinnamon
- 1/2 to 3/4 cup brown sugar (your preference for sweetness)

Beat eggs. Add condensed and evaporated milks, vanilla, and white sugar and mix well. Mix brown sugar and cinnamon together and sprinkle onto bottom of loaf pan. Pour mixture over brown sugar. Put a bit less than 1/2 inches of hot water into a separate baking pan. Place the loaf pan with ingredients into the baking pan (the goal is to have the loaf pan sitting in a 1/2 inch of hot water in the baking pan).

Bake at 350 F for 1 hour. Insert knife into the center; it should come out clean. Remove the loaf pan from the baking pan, cool until it is cool to the touch, and store in the loaf pan in the refrigerator until you will serve it. (Making it the day before is best for the flavor, but it is good whatever the timing!) When ready to serve, flip the flan out of the pan and drizzle the remaining caramelized brown sugar/cinnamon mixture over the top. Slice into 1/2 inch slabs of deliciousness.

Are you feeding a stray? Not planned. It just happened. It's happened to all of us. Now you're faced with a vet bill to get kitty fixed so it doesn't reproduce. But it's not your cat! But you know there are way too many kitties out there and you don't want your stray to add to the problem.

Good news! Fluff Buddies has a spay/neuter program. No proof of low income required. Just stop by one of our adoptions events. (Every Saturday and Sunday from noon to 4 p.m. at the Fair Oaks Petco which is located on Madison, at Hazel, in the Raley's Shopping Center.)

We would be glad to issue you a voucher or two that is good for two months. The participating vets are in Roseville (less than five miles away from central Orangevale.)

We also loan out traps at no charge if kitty is skittish about being placed in a carrier. (Help with transport MAY be available.)

Hope to see you soon! And thank you for caring enough to feed an abandoned animal.

A 50+ YEAR ORANGEVALE TOWN FAIR TRADITION

In 1963, Orangevale's community leaders had a vision for an annual celebration and town festival that would bring together neighbors and families to celebrate all that our town has to offer. This annual town fair was first called Fiesta Days and was renamed Pow Wow Days several years later. Almost 60 years later, we continue the annual summer tradition put in place by past community leaders. While preserving our community's traditions and legacy, we also hope to keep Orangevale vibrant and fresh as we look to the future of the Orangevale Town Fair.

2019 GRANGE EXPO

The 2019 annual town fair is set up to be our best ever! The Orangevale Grange is introducing the new EXPO which will highlight local crafting & baking talents with over 40 youth and adult categories for competition. For Expo rules and categories, visit orangevaletownfair.com.

EPIC COMMUNITY PARADE

The theme for this year's event is "RURAL ROOTS" as

we celebrating Orangevale's agricultural history and spacious rural properties. On Saturday, June 1, we are expecting our annual community parade to include tractors, vintage cars, and decorated floats representing every business and civic club in Orangevale. Now is the time to get registered for the parade. And if you're not IN the parade, be sure to mark your calendar to cheer them along down Greenback Lane in June.

FARM TO FAIR DINNER EVENT

The Orangevale Chamber will be kicking off the annual town fair in style this year with a three-course private dinner event on Thursday night. Imagine white linen cloth set tables, locally sourced farm ingredients masterfully prepared by local executive chef Jessica Falkenstein all set within the lights of the carnival rides and games. It's so perfectly Orangevale. Discounted tickets will be available for Chamber members, and we will also be opening up this to the broader community. Only 100 spots will be available, and it is expected to be a sold out event. Tickets will be available in mid-April at orangevalechamber.com and through Facebook.

ORANGEVALE HISTORICAL SOCIETY FORMING

Another effort to preserve our agricultural roots and rural legacy is to utilize space within the new Chamber office at Greenback & Hazel to highlight our history. The Chamber is collecting his-

torical OV items, and will be gathering next on Tuesday, April 23rd from 5:00-6:30 pm. Anyone interested in learning more about this or if you'd like to donate items, join us on the 23rd at the new Chamber offices.

Orangevale has a rich history and remains an amazing rural community within the broader Sacramento region. One of the goals of our 2019 "Grow Orangevale" theme is to further define who we are as a community so that we can have unified goals around who we are to become. The more resident and business volunteers that join into that conversation, the better our future will be. I'd encourage everyone to get involved somewhere in the community - whether its joining the Grange, volunteering with the Big Day of Service, visiting the Orangevale Farmers' Market (opening May 16), attending an OV Parks event, joining the Chamber of Commerce, or even starting something new - we all play a role in making Orangevale a great community. Join the conversation!

Enjoy the spring

Elementary School Students Install 'Little Free Library'

Little Free Libraries are a global phenomenon. The small, front yard book exchanges number 36,000 around the world in 70 countries — from Iceland to Tasmania to Pakistan. Through Little Free Libraries, millions of books are exchanged each year, profoundly increasing access to books for readers of all ages and backgrounds. Now, a new Little Free Library installed outside of Claire's Montessori International Academy in Orangevale will join the movement to share books, bring people together and create communities of readers.

The Upper Elementary students have been leading this community service project the

past seven months from project planning to fundraising to a school-wide book donation drive. After two successful bake sales and with the generous support of an Orangevale Rotary Partnership In Education grant, students raised \$1000 to cover all the costs to install and maintain the library. On April 12 these resourceful students will host a small Ribbon Cutting Ceremony to celebrate their achievement and mark the opening of Orangevale's newest Free Little Library.

"Our Little Free Library doesn't just belong to us, it belongs to our community," says parent volunteer Candy Judson. The students shared "It's our hope that this Little Free Library will bring a little more joy and a whole lot more books to our community."
