TREASURES AROUND AT DIVINE SAVIOR

By Beverly Purcell

In 1993, a group of moms at the fledgling Divine Savior Catholic Church, located in the Fair Oaks Bingo Hall, recognized a need for inexpensive children's clothing. Donations were solicited and sales were successful. Each year, more items were added, and a larger venue was found until it burgeoned into the area's largest rummage sale – the 26th Annual Treasure Fest!

This event is the church's largest fundraiser. Unsold items are donated to non-profit agencies which assist newly arrived refugees to furnish apartments, women entering the workforce for the first time, etc; and contributions to Loaves and Fishes, Laundry Love (laun-

dry services for the homeless), and others. Supported Parish programs include the Community Meal, St. Vincent de Paul Clothes Closet, Christmas Basket Program for area families, and more. Meeting/event space is provided for Boy Scouts, Girl Scouts, Narcotics Anonymous, Senior Care Solutions, and the recent "Big Day of Service" community wide event.

The Treasure Fest offers gently used shoes and clothing, 2 full rooms of toys and books, fashion accessories, housewares, home décor and seasonal decorations, furniture, antiques and collectibles, electronics, linens, sporting goods, camping equipment, framed art, and tools; too much to list! The merchandise is displayed in a 17,000 square foot air- conditioned gym and ½ acre parking lot.

Donations of gently used items are gratefully accepted. "Drop Off Days" beginning on July 9th are Tuesdays/Thursdays, 9 AM to noon, and Saturday July 13 & 20th from 9 AM to 1 PM, in the parking lot located behind the gym. Please access the parish website at www.divinesavior.com and scroll down to the Treasure Fest 2019 information space for a list of items that cannot be accepted.

Treasure Fest Sale Days are Thursday August 1st, Friday August 2nd from 8 AM to 6 PM, and Saturday August 3rd from 8 AM to 1 PM. Cash and credit cards are accepted; all sales are final.

Everyone can find a treasure at the Treasure Fest!

VIVIAN A. HILDERBRAND
 1929-2019

Vivian A. Hilderbrand, 89, passed on peacefully at Orangevale, CA home on Tuesday, June 18th, 2019. She was born on November 4th, 1929, in Idaho to John T. Senecal & Abbie Senecal (McJunkin). She was the eldest of three children, with a younger sister and brother, and spent her childhood in Idaho. In her teens, her family moved to California where she met the love of her life, Dewey T. Hilderbrand.

They married on July 3rd, 1947 in Tulare, California and shortly thereafter, moved to Northern California where they would start a family and raise four children - a daughter and three sons.

Throughout the years, she enjoyed working odd jobs, but her true calling was as a housewife, homemaker and caregiver for her family. She had many hobbies from crocheting, cooking, reading, watching sports, doing a good crossword, but in her later years, she enjoyed gambling at

Thunder Valley and watching Jeopardy!

She is survived by three of her children: Katherine (& Tom) Ramos, Dana (& Sherry) Hilderbrand and Kirk (& Maria) Hilderbrand, sixteen grandchildren and thirteen great grandchildren, as well as her brother, John (Doris) and many nieces, nephews and cousins.

She was predeceased by her husband, Dewey (1/1/2001), son, Brian (10/25/2009), sister, Loretta (6/9/2019).

She was a daughter, sister, wife, mother, aunt, grandma, great grandma and friend. She will be missed by many, none the least of which is her friend and neighbor of 50+ years, Joyce as well as her best friend and grandson, Todd Hilderbrand.

A special thank you goes out to all of her caregivers who came into her life when it she needed it most. Our family is eternally grateful to you. She will be interned at Mt. Vernon Memorial Park for anyone who wishes to visit. No formal services will be held, but she will be forever held dearly in our hearts.

TOWING AWAY LOCAL CONTROL

TOWING AWAY LOCAL CONTROL

By County Supervisor
Sue Frost

One of the more common reasons that people from Orangevale call my office is to plead for help in getting junky/abandoned vehicles removed from the neighborhood. People will purchase cars/RVs in horrible condition for extremely cheap, run them into the ground, then leave them to rot on a residential street. Many decide to use that broken-down vehicle as their home. They know the County cannot legally tow a vehicle unless it has been stationary for over 72 hours, so they drive the vehicle (or tow if non-operational) a few feet down the road to restart the 72 hours. This is a practice that angers residents, reduces available parking spaces, and greatly adds to the amount of blight.

So imagine my surprise when I found out recently that there is a bill (AB 516) swiftly moving through the California Legislature that would eliminate the enforcement tools Sacramento County uses to address these motorists who disregard basic laws designed to benefit Orangevale as a whole. Specifically, it removes our ability to tow a vehicle for being stationary for 72+ hours, in addition to removing our ability to tow for having 5+ parking tickets or registration that has been expired for 6+ months.

If passed, this will allow people to live in front of homes and businesses in our neighborhood, in unregistered vehicles with unpaid tickets and expired registration, for as long as they want. I am staunchly opposed to this proposal, and will be doing everything in my power to

Supervisor Sue Frost

stop it.

I have heard from some constituents who tell me they believe the 72-hour window is a bit too short, and unsuspecting residents may be getting unfairly penalized. But the 72-hour parking enforcement notice is almost always triggered by a complaint from a local resident or business when cars appear abandoned or haven't moved for an extended period of time. By the time the County responds and issues the 72-hour notice, the vehicle has already been abandoned there for days, if not weeks.

I do recognize that this bill would provide some financial relief to an individual who chronically ignores parking violations, but I strongly feel that benefit is far outweighed by the cost it has to the greater good of the Orangevale community. It is extremely frustrating to get a ticket or have your car impounded, but it is also frustrating for communities when they have to deal with increased blight.

I am also upset with the message this law would send, as it rewards people who fail to adhere to reasonable policies aimed at keeping our communities clean and safe.

This is a worrying trend that is happening in California, where we seem to be rewarding bad behavior. I not only find this morally wrong, but I also believe it encourages more of this type of behavior in the future, greatly exacerbating the problem.

The AB 516 has already passed through the Assembly, but still has to be passed in the Senate, where I think it has a much harder time getting passed. I am working at getting Sacramento County to formally oppose the bill, and will be speaking with the Senators who overlap with my district about why they should oppose the bill as well. I will keep you updated later in the year when I have more information.

Thank you for reading – and as always, if you want to contact me call me at 916-874-5491, or e-mail me at SupervisorFrost@saccounty.net.

Sue Frost represents the 4th District, which includes all or part of the communities of Citrus Heights, Folsom, Orangevale, Antelope, Rio Linda, Elverta, Gold River, Rancho Murieta, North Highlands, Carmichael, Foothill Farms and Fair Oaks.

PRESERVING LIBERTY

PRESERVING LIBERTY THROUGH CIVICS EDUCATION

by Assemblyman Kevin Kiley

This month we celebrate the 243 year of our great nation's independence. Our forefathers embarked on a grand experiment that has since inspired individuals and countries across the globe to aspire to freedom. Liberty, however, is not something that is guaranteed. On the contrary, it is something that Thomas Jefferson once said would require "eternal vigilance" to preserve.

One of the best ways we can preserve liberty is through civics education and engagement. For California, there is certainly room for improvement in this regard. A report by the California Task Force on K-12 Civic Learning highlights a number of concerning trends, including:

- The United States ranks 139 in voter participation of 172 democracies around the world
- Just 13% of high school seniors in California show a solid understanding of U.S. history
- Less than half of 2,366 high school seniors surveyed in California view being actively involved in state and local issues as their responsibility

Compounding these statistics is the lack of robust civics education in our high schools. This has become a major focus of mine in the Legislature as I look to form a bipartisan coalition of lawmakers committed to placing a greater emphasis on civic learn-

Assemblyman Kevin Kiley

ing.

This year I introduced a bill to require a mastery of civics education before receiving the California State Seal Merit Diploma. The legislation, Assembly Bill 1787, was numbered to match the year the United States Constitution was signed.

In 2017, I supported legislation (AB 24) to create the State Seal of Civic Engagement, which are awarded to pupils that demonstrate excellence in civics education and participation and have demonstrated an understanding of the United States Constitution, the California Constitution, and the democratic system of government.

As we pursue advances in civics education, it is important that we are framing the discussion correctly. The National Center for Learning and Civic Education lays out a number of proven practices for effective civic learning.

One important aspect is providing high quality instruction in government, history, law, and democ-

racy. Research demonstrates that young people who know more about government are more likely to vote, discuss politics, contact their government officials, and take part in other civic activities more than their less knowledgeable counterparts.

Another key factor is incorporating discussion of current local, national, and international issues and events in the classroom. Planned, moderated discussions of controversial issues teach essential skills for participating in a democracy and prepare students for the real world.

Finally, it is important that schools offer extra-curricular activities that provide opportunities for young people to get involved in their schools or communities. This involvement early in life can translate into greater participation as an adult.

But while the Legislature and our education system continues to find ways to improve civics education, we as individuals cannot forget our role and responsibility to participate. Whether it be through community service or casting a ballot, we must never forget the "eternal vigilance" that is required to preserve liberty. Participation gives us a stake in the democratic process that no one can ever take away.

Assemblyman Kevin Kiley represents the 6th Assembly District, which includes parts of El Dorado, Placer, and Sacramento counties.

Orangevale Cooks

by Suzanne Feblowitz

Summer is in full swing and maybe you might need a quick recipe that everyone will enjoy! My friend, Dana Wurster, served this at our Stamping event recently and everyone enjoyed it so much they asked for the recipe. Afterwards, I made it for my family and all of them enjoyed it. You can add or subtract ingredients to suit the likes of your family! If you would like to share a favorite summer recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

CHICKEN SALAD

4 cups shredded chicken- Here's the key: use the rotisserie chicken from Costco (Make sure to check the refrigerated case, because sometimes they have cut up halves to use!)

1 stalk celery, cut in half and then slice

4 green onions, thinly sliced or ¼ red onion, chopped

1 ½ tsp finely chopped fresh tarragon or dill

- 2 TBSP finely chopped parsley
- ¼ cup mayonnaise
- 2 tsp freshly squeezed lemon juice
- 1 tsp Dijon mustard or yellow mustard
- 2 tsp kosher salt
- Freshly ground pepper

Toss together the chicken, celery, onion, dill (or tarragon) and parsley in a large bowl.

In a separate bowl, whisk together the mayonnaise, lemon juice, mustard, salt and pepper (to taste).

Add to the chicken and mix together. Refrigerate until ready to use.

Serve on a bed of lettuce or sliced bread or croissant rolls. Enjoy!

Notes from Dana: I used basil because I didn't have dill. I used balsamic vinegar in place of the lemon juice. I also added a sprinkle or 2 of garlic powder. Notes from Suzanne: This seems to be a very versatile recipe. The rotisserie chicken gives so much flavor, so not much seasoning is needed! Season to taste. Also, I didn't have fresh dill, so I used dried dill.

PETACULAR

THIS WEEK WE HAVE GORGEOUS GOOFY!

NAME: GOOFY
 AGE: 2
 BREED: SIBERIAN HUSKY
 SEX: MALE
 ADOPTION FEE: \$110

Volunteers describe gorgeous Goofy as great on a leash, gentle, and energetic. Some of his favorite activities are chasing tennis balls and catching treats in the air. He also knows sit and would be pretty easy to teach more commands. One of the cutest things that he will do is lay down when he meets another dog. If you have a dog at home, bring them down for Goofy to meet!

He has that independent Husky personality. Huskies are gorgeous but we recommend that you do some breed research if you are not familiar with them. They are incredibly smart and need structure or they can get bored. He would benefit from a home that can meet his energy needs.

Come meet gorgeous Goofy today!

Are you feeding a stray? Not planned. It just happened. It's happened to all of us. Now you're faced with a vet bill to get kitty fixed so it doesn't reproduce. But it's not your cat! But you know there are way too many kitties out there and you don't want your stray to add to the problem.

Good news! Fluff Buddies has a spay/neuter program. No proof of low income required. Just stop by one of our adoptions events. (Every Saturday and Sunday from noon to 4 p.m. at the Fair Oaks Petco which is located on Madison, at Hazel, in the Raley's Shopping Center.)

We would be glad to issue you a voucher or two that is good for two months. The participating vets are in Roseville (less than five miles away from central Orangevale.)

We also loan out traps at no charge if kitty is skittish about being placed in a carrier. (Help with transport MAY be available.)

Hope to see you soon! And thank you for caring enough to feed an abandoned animal.

WELL-BEING

Mom is a social butterfly with a green thumb. When her big garden and home became too much, we knew exactly what we wanted in a community: gardens to tend and new friends. Our search brought us to Eskaton FountainWood Lodge. When we toured, we knew. The people were so friendly, and the patio gardens seemed to call her name. Here they are all about what *Mom* calls well-being, and I am experiencing peace of mind. **Come tour our gardens! Call today.**

Chamber President
Brad Squires

Would you consider \$5/month to invest in creating a stronger, healthier community?

Did you know that the Orangevale Chamber offers a membership option for community residents? You don't have to be a business owner to support the mission of the Chamber - which is to LEAD THE ADVANCEMENT OF ORANGEVALE'S ECONOMIC AND COMMUNITY DEVELOPMENT BY PROMOTING BUSINESS SUCCESS.

It is our goal to be a CATALYST for business growth, a CONVENER of leaders & influencers, and a CHAMPION for a stronger community. I'd like to elaborate on some progress we're making in each of these areas, and request that you consider supporting the work that our many volunteers are working hard to make happen.

CATALYST for Business Growth
A fundamental role for any Chamber is to help promote economic success in our area. We gather members monthly for networking mixers hosted at one of our member's business location. These provide a great opportunity to catch up on important Orangevale happenings, and share updates & opportunities from your organization.

- Average attendance of 50-60 people at last several monthly mixers
- Doubled Facebook social media following, and committed to daily posts promoting business & community updates.
- Double digit 2019 membership growth of business & non-profit members.
- Our 3rd annual Best of Orangevale event had record attendance and

great support.

CONVENER of Leaders & Influencers

Another important role of the Chamber is to be the hub that connects local leaders & influencers. We are the liaison with Sacramento County officials. We are regularly meeting with key leaders from each civic organization as well as the commercial property owners in Orangevale. It is our goal to unite and ignite each of these groups.

- Developed the new Orangevale Community Council to regularly connect leaders of each key civic organization in our town.
- Relaunched GLOVE to bring together commercial property owners for an aligned vision and growth of our business district.
- Began working with Casa Roble High School to provide internship & leadership roles for local high school students to be involved in the business community.
- Supported the growth of Sac County's Orangevale Business Watch monthly meetings.

CHAMPION for a Stronger Community

In addition to economic development, we are equally concerned about the health and growth of our community. We support local events such as the Big Day of Service and Orangevale Town Fair. We took a lead role in revitalizing an important corner in our town, and we continue looking for ways to direct the passion of our residents into positive, productive outcomes.

- Developed a theme "Grow Orangevale" to help bring structure & identity to our town.
- Revitalized the distressed property at Hazel & Greenback to become the new home of the Orangevale Chamber.
- Launched The Orangevale History Project to capture important stories & collections of photos from our town's rural roots.
- Continued the tradition of our 56th annual Pow Wow Days Orangevale Town Fair event.

We are looking for businesses interested in joining the Chamber as well as individual members who believe

in and desire to support our mission. Whether you're a business leader or an engaged resident in the community, we want you to be part of a growing movement toward making Orangevale a great place to live and do business. We'd like to gather local community advocates and leaders who are interested in helping to make more of these great things happen. Join us!

It is our desire to see continued growth of Orangevale's economic and community health. If you are excited about the future of Orangevale and would like to support & get involved in the great things happening - please consider supporting the Chamber as a Community Advocate! A HIDDEN TREASURE

Everyone likes to find treasure. Did you know that hidden at the end of Kuritof Way (off of Hazel Ave.) at the end of the road, past the dog park and the community garden, next to the lacrosse field, surrounded by Phoenix Field Park there is a historic Land mark? It is a place that you can find Veteran of all ages. It is the Town Center VFW 6158. The Post has been there for years. Many a hero has walked through the doors to fellowship and meet other veterans. There is a lot that goes on here at the VFW Post. It is the home of the VFW, the Auxiliary, American Legion 383, The American Legion Riders, and the American Legion Auxiliary. We are very inclusive to all who have served

our country in time of conflict and in time of peace. The hall can be rented out to the public and many a wedding, memorial service, birthday parties, and anniversaries have taken place here. Did you know that Monday and Thursday nights we host a dinner that is open to the public? Dinners range from \$8- 12, and if you like to sing after dinner join in on the Karaoke. Dinner starts at 6pm, but you might want to get there early, we have been known to run out of food. Well it's not all fun and games. The VFW meeting night is the 2nd Tuesday of the month 7 pm, and the VFW Auxiliary meets at 6pm. The 4th Tuesday of the month you will find the American Legion, who meet at 7 pm and the Auxiliary meet at 6 pm. It's at these meetings that we plan events for special occasions, like Father's Day Brunch, and Fourth of July celebrations. You can get information on Veterans benefits, find opportunities to serve other veterans. We would like to encourage you to come check us out. On the July 14th we will be having a fun time with a waters slide, bounce house, dunk tank, snow cones and a BBQ of hamburgers and hot dogs. This event is open to the public and is kid friendly. The event is free, donation expected, and we would like to have the community come out and experience our hidden treasure.

WORSHIP INFORMATION

1776 - AMERICA - 1976

America had her beginning over two hundred years ago

From her small but proud inception, we have daily watched her grow At first only tribes of Indians made up the American stock

Then came pioneer pilgrims and settled our Plymouth Rock From there the colonies broadened with every racial hue

To become the greatest nation in all the world its true

"Great" oh how that word stands out, it truly thrills the soul

But Ah! The price she's paid for it to claim that honored goal Dead heroes lie beneath the sod on every country's shore

To remind us of our freedom and their lives that gave us more We're the land of love and plenty has been our heritage cry

Where law and order rules our land and peace o'er rules the sky

I stand and watch her progress with a sad and tearful eye

How can we let this precious land disintegrate and die It really was a gift you know this American land of ours

We can take no claim to the smallest part no matter how great our power This land was here before we came and will be here when we're gone

It supplies the manna on which to live and a plot to build a home

She doesn't ask our race or creed, nor if we're rich or poor

In fact no dues are asked of us, to enter in her door So how and why I ask of you, can we stand so idly by

And watch this land bequeathed to us just disintegrate and die Why Lincoln, Hale and Washington, why the brave who fought and died

What good the price she paid for it, if in it we take no pride

So I plead step forth with a grateful heart, become her loyal fan

Help fight the ills destroying her, Be Proud You're An American

NATIONAL NIGHT OUT AUGUST 6, 2019

Woodmore Oaks Neighborhood Watch would like to invite your station out to the largest party in Sacramento. The location is at the 7 Eleven at 6840 Woodmore Oaks Drive, Orangevale from 5:30PM to 9:30PM. We will have Its Time Entertainment providing music, Hot Dog Meal Deals, Cotton Candy, Games for the Kids, Elvis Show, Hula Hoop Contest with Law Enforcement in 7 Eleven Parking Lot and Much More. Every year we have many of our officials including: Supervisor Sue Frost, County Sheriff's, Citrus Heights Police, California Highway Patrol, Metro Fire with a fire truck for the children to have a hands-on experience.

With crime on the rise and the budget crunch, our goal is to unite neighbors and show Sacramento that Neighborhood Watch Programs really work. Within

our boundaries which are from Greenback Ln. to Oak Ave. and Sunrise Blvd. to Kenneth Ave. we print up 3000 Monthly Newsletters that show the crime stats and are distributed to the doors of our neighbors by volunteer street coordinators, not the post office. The Woodmore Oaks Neighborhood Watch Program has been in existence since 1990 and has been involved with the National Night Out Event at this location since 1992.

We hope once again you can come out with a camera crew and get this on the late news. This is important for the people of Sacramento to see that something like this can really happen and hope spark interest.

Respectfully,
Tom DiGiacomo
President of Woodmore Oaks Neighborhood Watch
