The band's mission: To learn every song...EVER! (Excluding Hall & Oates)

Since 2010, Decades (based in Chico, CA) has been working (and rocking) around the clock to learn material spanning from the 1940's (Glenn Miller's Orchestra's "In The Mood") to today (Bruno Mars & Mark Ronson's "Uptown Funk"). The band has played over 800 shows all along the West Coast, and are well on their way to booking another 100+ shows for 2019, earning its place as one of California's most in-demand bands. Throughout a single show, they'll swap between several instruments (including saxophone, harmonica, penny whistle, accordion, trumpet to name a few) and belt out four-part harmonies, showcasing each members' musical versatility, while continuing to put on a highly energetic live show.

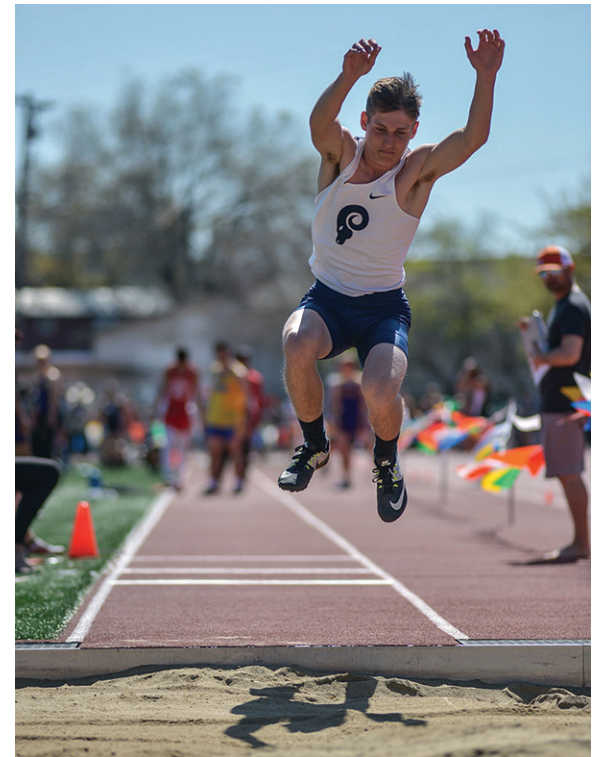

Decades' impressive catalog, mixed with its young talents (ages 30-32), has led to numerous achievements and highlights. Some notable performances include playing AT&T Park and Great American Music Hall in San Francisco, the Francis Ford Coppola Winery, several fundraisers for the Oakland Raiders, the Hawaiian islands for 5 consecutive years, a 4th of July rooftop show at Harrah's Casino in Lake Tahoe, and opening for both Rain: A Tribute to the Beatles and The Drifters. Decades' have recorded three albums, two of which were recorded Grammy-nominated producer, Sylvia Massy (Prince, Johnny Cash, Tool). According to Bob Littell, former entertainment director of Sierra Nevada Brewing Co, "This is the hardest working band in town."

## NATIONAL NIGHT OUT

AUGUST 6, 2019

Woodmore Oaks Neighborhood Watch would like to invite your station out to the largest party in Sacramento. The location is at the 7 Eleven at 6840 Woodmore Oaks Drive, Orangevale from 5:30PM to 9:30PM. We will have Its Time Entertainment providing music, Hot Dog Meal Deals, Cotton Candy, Games for the Kids, Elvis Show, Hula Hoop Contest with Law Enforcement in 7 Eleven Parking Lot and Much More. Every year we have many of our officials including: Supervisor Sue Frost, County Sheriff's, Citrus Heights Police, California Highway Patrol, Metro Fire with a fire truck for the children to have a hands-on experience.

With crime on the rise and the budget crunch, our goal is to unite neighbors and show Sacramento that Neighborhood Watch Programs really work. Within our boundaries which are from Greenback Ln. to Oak Ave. and Sunrise Blvd. to Kenneth Ave. we print up 3000 Monthly Newsletters that show the crime stats and are distributed to the doors of our neighbors by volunteer street coordinators, not the post office. The Woodmore Oaks Neighborhood Watch Program has been in existence since 1990 and has been involved with the National Night Out Event at this location since 1992.

We hope once again you can come out with a camera crew and get this on the late news. This is important for the people of Sacramento to see that something like this can really happen and hope spark interest.

Respectfully,  
Tom DiGiacomo  
President of Woodmore Oaks Neighborhood Watch

# 106 YEARS OF SERVICE

## The Orangevale Woman's Club begins One hundred and sixth year of Service

The OVWC is gearing up for another year of serving the community through the projects we support and the activities we pursue. Our membership continues to grow and thrive.

From the first meeting in September to the final gathering in May we welcome new members each month. The shape of our membership is shifting to reflect the changes within our community. Our members are long-time residents including our beloved 102-year-old Dorothy and newcomers with local businesses and young families.

While we've been and will remain service oriented, we're also a group that networks with every organization and club in the area. Our monthly meetings include speakers and presenters from a variety of local and area groups that our members support. Our outreach is to children, families, elderly, less fortunate, and organizations that help these and others to live happier and safer lives in the Orangevale and surrounding communities.

We provide a comfortable environment for reaching out and accomplishing the little tasks and the

big jobs of community service. For the recent "Day of Service" in May, OVWC members took part in a variety of projects throughout Orangevale and Fair Oaks and baked a thousand cookies for the many volunteers. When called upon to support the community we answer with time, resources, and the "Many Hands Blessing Many Hearts" motto of our club president, Marilyn Edwards.

Next month we join with the Orangevale Grange to provide backpacks for local elementary and middle school students. Providing school supplies insures that more students are prepared for the start of classes. Last fall we presented one hundred backpacks and anticipate more this year.

The Orangevale Woman's Club meets the first Tuesday of the month from September to May beginning Tuesday September 3rd at 11:00 in the Orangevale Community Center 6826 Hazel Ave. Please join us for the meeting and stay for a delicious member prepared lunch. You might run into your neighbors or meet new friends. You will be welcomed and encouraged to join a historically active group that is as vibrant and growing as Orangevale in 2019.

by Suzanne Feblowitz

Are you looking for a healthy meal that the whole family will enjoy? Well, I was listening to the radio a few weeks ago and this person mentioned that her favorite recipe for the summer was an Indonesian dish called Gado Gado. I went on the internet and searched for the recipe that I thought sounded the best. I really liked the Minimalist Baker's Recipe, so I started with that. The best part of this recipe is that the vegetables can include any favorites or in season. This is just a base to what you can do. Also, I was thinking, if you want to add meat to it, you could add some left over chicken or steak or even grill some shrimp! Without the meat, it is a vegan recipe! If you would like to share a favorite summer recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

**GADO GADO**

Crispy Tofu (recipe follows)

¾ cup quinoa -rinsed and drained

1 ½ cup water

1 ½ cup green beans-trimmed

medium bell pepper-sliced thinly

1 cup bean sprouts or micro greens

1 cup cabbage- thinly sliced or shredded

1 cucumber -sliced

3 whole carrots-cut into 4 inch thin strips

Any other favorite vegetable

**Spicy Peanut Sauce –**

½ cup creamy peanut butter

2 Tbsp soy sauce

1 Tbsp maple syrup

4 Tbsp lime juice

2 tsp chili garlic sauce

2-5 Tbsp water to thin-add last!

Lime wedges and cilantro for serving

# PETACULAR

**Name: Aria Age: 6**  
**Breed: Australian Cattle Dog/American Staffordshire**  
**Sex: Female/Spayed**  
**Adoption Fee: \$110**

Aria is a smart girl who volunteers say walks nicely on a leash. She already knows several cues such as Sit, Down, and Shake, and could learn more with positive reinforcement training. She is treat-motivated and also LOVES squeaky toys! Aria likes attention but also has an independent side and likes to smell, explore and do her own thing. This active girl would love to go on hikes with you!! Come meet Aria today!!

Are you feeding a stray? Not planned. It just happened. It's happened to all of us. Now you're faced with a vet bill to get kitty fixed so it doesn't reproduce. But it's not your cat! But you know there are way too many kitties out there and you don't want your stray to add to the problem.

Good news! Fluff Buddies has a spay/neuter program. No proof of low income required. Just stop by one of our adoptions events. (Every Saturday and Sunday from noon to 4 p.m. at the Fair Oaks Petco which is located on Madison, at Hazel, in the Raley's Shopping Center.)

We would be glad to issue you a voucher or two that is good for two months. The participating vets are in Roseville (less than five miles away from central Orangevale.)

We also loan out traps at no charge if kitty is skittish about being placed in a carrier. (Help with transport MAY be available.)

Hope to see you soon! And thank you for caring enough to feed an abandoned animal.

Mom is a social butterfly with a green thumb. When her big garden and home became too much, we knew exactly what we wanted in a community: gardens to tend and new friends. Our search brought us to Eskaton FountainWood Lodge. When we toured, we knew. The people were so friendly, and the patio gardens seemed to call her name. Here they are all about what *Mom* calls well-being, and I am experiencing peace of mind. **Come tour our gardens! Call today.**

Orangevale Chamber of Commerce - Business Spotlight:  
**Greenback Equipment Rentals Inc.**  
 By: MaryAnne Povey

Tackling a home improvement project? Don't have the right tools to handle the job and/or don't want to invest in expensive equipment? No problem! Greenback Equipment Rentals Inc., located at 9325 Greenback Lane has got you covered! The family owned business has been operating and handling the rental equipment needs of the Orangevale community for over 45 years.

From leaf blowers to jack hammers to bobcats to concrete mixers, just about every type of equipment needed to remodel, rebuild or start a project from scratch is available at an affordable cost just down the street.

"We get lots of 'do it yourself types'", said longtime Orangevale resident and business owner Jerry Culbertson. "Some people see things and think it's easy to do and sometimes they learn the hard way."

One such incident is still fresh in Jerry's mind although it happened years ago, when a customer rented a backhoe to clear some cat-tails in and around his pond.

Shortly after he rented the equipment, the customer called back to complain that the backhoe wasn't working.

Jerry remembered going back and forth with the customer who seriously thought the backhoe was designed to work underwater! He told him, "It's not supposed to work like that. It's not a submarine!" Not to mention the longer he left it there, the more his rental fees would go up!

Luckily that incident is an exception to the rule and most customers are very pleasant and easy going. Jerry keeps a full-time staff of about seven

## OVparks Campout

OVparks just wrapped up our first Campout and what a fun event! Everyone enjoyed special pool hours just for the campers, bounce house, crafts, games, stargazing where you could see both Jupiter and Saturn, glow in the dark rock hunt, s'mores, movie, popcorn, and of course a pancake

breakfast the next morning. Thank you to all the community members who attend this year, can't wait to expand and do it again next year!

**Greenback Equipment Rentals Inc**  
 full-time employees, and takes pride in regularly updating or replacing equipment as well as staying on top of what's renting and what's not.

On most days, you'll either run into Jerry, Brian, or his number one "go to" guy Dale, who's been working for Greenback Rentals for nearly 33 years. Between the three of them you can bet you'll get what you need for just about any project you can think of.

Having come to the area in 1950, Jerry has seen many changes over the years and still believes people come to Orangevale because "it's unique, has a good atmosphere and still has open, rural areas."

Jerry's work experience has ranged from working at Gemco, to running the Texaco gas station on the corner of Illinois and Greenback, to buying and flipping homes,

and now owning an equipment rental business. He's thankful for the ability to make a creative living and looks forward to handing off the baton to his son, Brian, when the time is right.

"Running a small business like this is not easy," he shared pointing to the over 12 licenses on the wall required to keep his doors open. "As long as I'm around though, I'm here to help people figure out how to do whatever they want," he said.

Speaking from experience, these guys are very knowledgeable and offer great customer service. Greenback Rentals is the place to go for renting equipment including party rentals too. Stop in and see for yourself and be sure to tell them MaryAnne sent ya!

Greenback Equipment Rentals is open seven days a week. Call 916-989-3000 or go to [www.greenbackrentals.com](http://www.greenbackrentals.com) to see all they have to offer.
