ORANGEVALE HAS A NEW HONORARY MAYOR

Orangevale Has a Mayor!
Submitted by: MaryAnne Povey

After a fun, hard fought six-month fundraising campaign for Orangevale Honorary Mayor, the results are in and the winner is...Ju-

Honorary Mayor Julie King

lie King, owner of the Last Tangle Salon in Orangevale!

According to Brad Squires, OV Chamber President, Orangevale experienced a six year gap without an honorary mayor until this year. Honorary mayor candidates Julie King and Jeff Chaix did an outstanding job revitalizing the campaign and together raised over \$5200 for their designated charities "Orangevale/Fair Oaks Food Bank" and "Operation Good to Go" supporting homeless vets.

Assemblyman Kevin Kiley and Supervisor Sue Frost recognized the candidates at the annual Orangevale Harvest Dinner where they presented both candidates with honorary proclamations and award checks for their charities.

"I'm completely humbled," said Julie King after the announcement of winning the campaign. "I'm lost for words and that doesn't happen too often," she joked.

Both candidates expressed their

gratitude to the community and to the chamber for their support.

"There's something special happening in Orangevale," said Supervisor Sue Frost in her remarks at the dinner. "There's a buzz around

the county that good things are happening in Orangevale, and more good things are yet to come."

ing parent creates a burden that most are not prepared for. The dynamics of the relationship changes at that point. If finances have not been planned for, it carries an additional burden. So far, it's a change in relationships, finances, and health. And that's not the least of it. There is a point in which decisions must be made to keep an aging loved one safe and as healthy as possible.

Families who find themselves in a position of caring for an aging loved one find it difficult to know where to start as they begin to walk this journey. Being overwhelmed with the questions of where to start, who to reach out to, and what this new journey means to them is normal, but the resources shouldn't be so far away that they lose their own life's identity.

We hope you join us for this symposium to glean from our expert speakers and resource fair professionals. After attending this event you will have the resources you need if you or someone you finds themselves caring for a loved one.

As the older adult population increases it affects more than just the aging person. It directly affects their spouse (if still alive), their children, and those around them. Many times adult children are still caring for their own children, so caring for an ag-

We rely on volunteers to help staff our food drives at grocery stores during November each year. Spend a couple hours at the entrance of a local grocery store and pass out flyers listing the items we're currently in need of. As people exit, they are able to drop off donations which are collected and transported to the food bank for distribution each week. This is a very important part of keeping the food bank in operation.

The Casa Roble Rams are back at it again! Outscoring their opponents 94-21, the Rams have taken no prisoners over the last two weeks.

On October 11th, the Rams traveled to Woodland to take on the Wolves. The offense led by Marciano Huston scored 45 points by halftime. Joe Davidson from the Sacramento Bee was in attendance for the game and nominated Alex Stelmaszyk for the Sac Bee Player of the Week. Alex posted a stat line

of 4 catches for 147 yards and 3 touchdowns. But, the offense wasn't the only to score. Brad Rankin intercepted a pass and took it to the house.

On October 25th, the Rams from Casa took on the Rams from Dixon in the 2nd annual Ramegeddon. Junior Dylan Overstreet led the team with 228 yards and 4 touchdowns in a 49 - 7 win for Casa! Mason Brown commanded the defensive side of the ball with 12 tackles and 2 sacks.

Congratulations to "STAR STUDENT" Alex Stelmaszyk

Fishing Time

Fishing Time
Hello everyone. Hope this finds everyone well and happy. I've been fishing Folsom Lake exclusively the past couple of weeks and I have had some great outings. I even had a wonderful evening with my wife in our kayaks. She really liked the solitude of just padding around on the calm lake in her kayak.

The bass have been really hitting the spoon which of course I love. Fishing the spoon also got me a second place finish in last month's Folsom kayak tournament so I think it's only going to get better.

The Ca Delta is really on a great Striped Bass bite. The Stripers are hitting large top water lures there so make sure you use gear in top condition as you may hook into a really big fish.

Stay safe, wear your PFD (life vests) and take a photo to share.

OVERSTUFFED AND UNDERFUNDED

Overstuffed and Underfunded
By County Supervisor Sue Frost

A few years ago, Sacramento County was sued regarding confinement conditions in our two jails. Since we recently settled this lawsuit, I want to explain to you in this article why this happened, what this means for the future of our jails, and why I will fight to ensure there is no compromise in public safety within our communities.

Supervisor Sue Frost

Sacramento County is one of multiple counties throughout the State—including Santa Clara, Fresno, and Riverside—that have been targeted with jail lawsuits. The law firms that are suing Counties are the same law firms that sued the State over conditions of confinement in state prisons, which directly led to the realignment of state prison inmates to the counties in the form of AB 109 realignment in 2011. This action left our county jails overpopulated, with inmates serving sentences for crimes more serious, and sentences longer than the jails were designed to accommodate.

In addition to having overstuffed jails, Sacramento County’s main jail was built before the Americans with Disabilities Act (ADA) and the Health Insurance Portability and Accountability Act (HIPAA) were passed and thus did not meet ADA and HIPAA requirements. There have also been many federal court decisions that set new standards concerning how inmates need to be housed, the amount of out of cell time inmates are re-

quired to receive, and the medical, psychiatric, and other services that need to be provided in jails.

The County has been making changes to the jail to become compliant with ADA, but they were not made fast enough to avoid a lawsuit. Other counties faced with the same lawsuit attempted to fight in court but lost. Knowing what it would cost to challenge the lawsuit and fail, the reasonable and prudent solution for Sacramento County taxpayers was to settle out of court.

While the Board of Supervisors has been going through these discussions, anti-jail advocates have been coming to testify that they want the County to incarcerate fewer people and focus instead on jail diversion programs. They consistently refer to jail inmates as “victims” – even though the real victims are the people who had crimes committed against them by the criminals in jail.

As part of this settlement, the County has agreed to improve inmate medical care, mental healthcare, out-of-

cell time, ADA compliance issues, suicide prevention, and use of force policies. This will add additional clinic space for medical, dental, and mental healthcare, as well as the increased staff necessary to run these new programs. All told when fully implemented, the total operating cost associated with the new staff and services will likely exceed \$50 million annually, and construction costs will likely exceed \$100 million.

As the Board of Supervisors moves forward, trying to absorb this enormous initial and yearly cost, you have my commitment to make public safety my top budgetary priority. We fail as a community if we cannot keep our streets safe, and I will do everything I can to ensure public safety services are not compromised. Not on my watch.

Before closing, I want to invite you to come attend my next Orangevale community meeting, which will be held on November 13th at 6:00pm at the Orangevale Community Center (6826 Hazel Avenue). Thank you for reading – and as always, if you want to contact me call me at 916-874-5491, or e-mail me at SupervisorFrost@sac-county.net.

Sue Frost represents the 4th District, which includes all or part of the communities of Citrus Heights, Folsom, Orangevale, Antelope, Rio Linda, Elverta, Gold River, Rancho Murietta, North Highlands, Carmichael, Foothill Farms and Fair Oaks.

THE GOOD, THE BAD, AND THE UGLY

New Laws in 2020: The Good, the Bad, and the Ugly

By Assemblyman Kevin Kiley

Another legislative year is in the books as Governor Gavin Newsom's deadline to sign or veto bills passed earlier this month. In total, a staggering 1,042 bills reached the Governor's desk in 2019 and he signed 870 of them into law. Most will go into effect on January 1, 2020. While some of these measures are helpful if modest steps to address the state's growing challenges, others will make life more difficult for residents of the Golden State.

The Good

Sometimes a good outcome is not what gets signed by the Governor, but what does not get signed. I worked to combat a number of bills this year that I believed were harmful to taxpayers and our community. For example, I vocally opposed the Water Tax and was able to find enough allies to convince the Governor to abandon that plan. As a compromise, the Legislature passed SB 200 (Monning) to fund water infrastructure improvements using existing resources.

In addition, the Assembly considered ACA 1 (Aguiar-Curry) that would have weakened Prop. 13 by reducing the voter-approval threshold for bonds and special taxes from two-thirds to 55% for various public infrastructure projects. This effort fell short of the required 54 votes it needed on the Assembly floor, a win for taxpayers.

Assemblyman Kevin Kiley

Finally, the Governor made the right decision in vetoing SB 1 (Atkins), a bill that would have locked in California's environmental regulations as they existed at the end of the Obama Administration. A bipartisan coalition of lawmakers at the state and federal level opposed this bill because it would have threatened ongoing negotiations over water supplies in California simply to make a political point.

The Bad

Unfortunately, the Legislature also passed legislation that was unfavorable to taxpayers and could have negative long-term effects on our region. SB 96 (Budget) increases a tax on telephone users to help fund a new 911 system. While developing a new system for emergency response is a laudable goal, there is no need to increase costs on consumers in a year with a record-breaking state budget surplus.

The Governor also signed AB 1482 (Chiu), a bill that sets government price controls in the rental housing

market. In an attempt to artificially reduce the cost of housing, the new law will likely have the opposite effect by restricting the supply of housing that is available. It was also passed in direct contradiction to California voters who recently rejected a rent control initiative by a 20% margin.

The Ugly

By now many have heard of AB 5 (Gonzalez), a bill signed by Governor Newsom that will ban most forms of independent contracting in California. This new law is a potential death blow to many small businesses and the gig economy. Sadly, it will limit access to services we have all come to rely on, deprive workers of their jobs and freedom, and stop the next innovative idea from ever getting off the ground.

The good news is that voters may have a say over some of the provisions in AB 5. A ballot initiative to preserve more forms of independent contracting could come before voters in 2020.

In the meantime, I will continue to fight for policies in the Legislature that encourage innovation and protect taxpayers. It is an honor to be your representative.

Assemblyman Kevin Kiley represents the 6th Assembly District, which includes parts of El Dorado, Placer, and Sacramento counties

Orangevale Cooks

by Suzanne Feblowitz

The recipe this week is a great one for a quick meal especially for this busy time of year. This is my mother-in-law's Veal Scallopini recipe that I adapted for turkey cutlets. Most measurements are estimates, so feel free to add more of any ingredient and it will turn out just fine.

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

TURKEY SCALLOPINI

1 package turkey breast cutlets

1 cup flour

¼ tsp garlic salt

¼ tsp pepper

12 or more small mushrooms, sliced thinly

Olive oil

Garlic salt

White wine (Recipe originally called for sauterne, but it is not available anymore, so use your favorite white wine such as, Riesling or White

Zinfandel)

Flatten turkey to 1/4-in. thickness.

In a pie tin, combine the flour ¼ tsp. garlic salt and pepper. Dip the breast cutlets in the flour. Shake off excess, set aside on a plate.

In a large non-stick frying pan, sauté the mushrooms in olive oil. Sprinkle a dash of garlic salt over mushrooms as they cook.

Remove cooked mushrooms into a bowl and set aside.

Add olive oil to a large skillet. On medium-high heat, cook turkey for 2-3 minutes on each side or until meat is no longer pink and coating is golden brown.

(You can do this in shifts if your pan is not large enough. Just set aside.)

After all meat is cooked, add cooked turkey back to the pan, and then add mushrooms. Heat the mushrooms and turkey.

Add 1/3-1/2 cup wine to the turkey and mushrooms. Heat up the liquid until everything is hot and bubbly.

Serve this over rice and with a nice salad for a great meal!

PETACULAR

Name: Bowser

Age: 12 years

Breed: Miniature Schnauzer

Sex: Neutered Male Adoption Fee: \$110

Bowser the Schnauzer came to the Sacramento SPCA with periodontal disease, but after a dental and extractions, he is feeling great and ready to find his new family! Bowser has lived with other dogs in the past, and like most Schnauzers, loves treats. Don't let his age fool you -- he walks well on leash and at a great pace! At 12 years old, he also qualifies for our Senior for Seniors program: If the adopter is over 65 years of age, **his adoption fee is waived!**

Visit www.sspca.org/dogs to learn more about him!

 Sacramento SPCA
 6201 Florin Perkins Rd, Sacramento,

Are you feeding a stray? Not planned. It just happened. It's happened to all of us. Now you're faced with a vet bill to get kitty fixed so it doesn't reproduce. But it's not your cat! But you know there are way too many kitties out there and you don't want your stray to add to the problem.

Good news! Fluff Buddies has a spay/neuter program. No proof of low income required. Just stop by one of our adoptions events. (Every Saturday and Sunday from noon to 4 p.m. at the Fair Oaks Petco which is located on Madison, at Hazel, in the Raley's Shopping Center.)

We would be glad to issue you a voucher or two that is good for two months. The participating vets are in Roseville (less than five miles away from central Orangevale.)

We also loan out traps at no charge if kitty is skittish about being placed in a carrier. (Help with transport MAY be available.)

Hope to see you soon! And thank you for caring enough to feed an abandoned animal.

Mission Statement: To collect and share Orangevale's Community History and tradition.

Have questions? Email us at alicia@orangevalechamber.com

Bella Vista High School Dance
Team & Color Guard

Bella Vista's Dance Team has been an integral part of the Bella Vista "Bronco" High programs for several years.

In the Winter and Spring, the BVHS Dance Team tackle heavy competitions, throughout the state, excelling in five separate routines, to bring home the title win at the USA National Dance tournament in Southern California.

In the Fall, the dancers perform with the BVHS Marching Band – functioning as the Color Guard. Their routines focus on dance and color guard equipment such as flags, rifles, and other miscellaneous props. Students also learn dance routines to be performed at other school events such as pep rallies.

The BVHS Dance Team & Color

Guard are under the direction of Coach Eva Monary and Assistant Coach Maizie Monaco. Eighteen students on the team are working hard to earn the rights and funds to show the nation that they have the Bronco spirit and bring home another win! Please support our local team by attending the Spaghetti Feed to be held on November 8, 2019 at the Fair Oaks Community Clubhouse. Doors open at 5:30p. There will be raffle prizes, magic money cards, a dessert auction, a silent auction, and beer & wine for sale - all proceeds will directly help raise funds towards the pursuit of the National Title. Cost to get in is \$25 per ticket, or \$90 for four tickets. The BVHS Jazz Band will be supplying us with live music and the Dance Team will also show us a preview of their prize-winning routines. Please come and enjoy this lively evening with us!

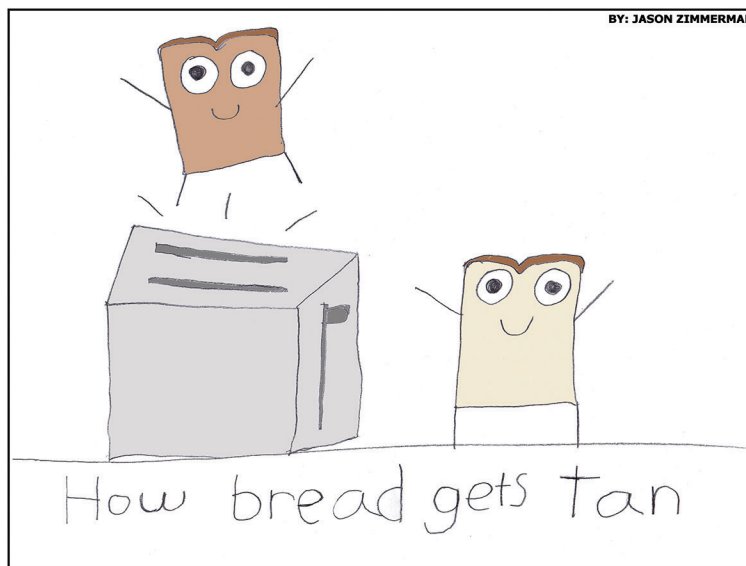

Scouts BSA, Troop 228
Each Veteran's Day and Memorial Day, Scouts BSA Troop 228, sponsored by the American Legion Post #637 posts the colors (flags) and marches in the veteran's memorial parade around the Citrus Heights Sylvan Cemetery. The troop, though small in size, is fierce in might. When not honoring our local fallen veterans, the troop participates in summer and winter camps, and assists Post 637 with various other community events throughout the year. Scouts BSA, Troop 228 meets every Tuesday evening at 7:00 pm at 5901 San Juan Avenue, Citrus Heights, 95610. Open recruitment for youth ages 11-17. WORSHIP INFORMATION

THE KIWANIS CORNER

By Sal Arrigo, Jr.

One of a Kind

The title says it all – it is one of a kind. The Kiwanis Club of Orangevale – Fair Oaks! The new club held its Charter Night celebration on October 22, 2019. Twenty-three members share a distinction that only they will forever hold – being the first inductees of a new Kiwanis club; a club that is already making an impact in their service area. Think about that for a moment – the club was just a thought in March 2019. It just goes to show that when like-minded individuals band together for a common cause, lightning strikes quickly!

The evening's festivities included a resolution presented by Assemblyman Kevin Kiley, representing the 6th district of California, and whose area includes Orangevale – Fair Oaks and former Kiwanis Governor, Rocci Barsotti, who represented the California-Nevada-Hawaii region. More than 70 guests celebrated the evening with representatives from Kiwanis Clubs from Lincoln, Auburn, Rancho Cordova, Roseville, Folsom, and Carmichael. They were treated to a tasty Octoberfest dinner and Kiwanis fellowship.

As with any social gathering of this kind, Kiwanis members got to share their thoughts and ideas of what each club is doing for the upcoming holidays and more. Some clubs are holding food drives for their community food lockers, while one club is selling See's Candy to help support their community's high school performing arts programs. When asked what the Orangevale – Fair Oaks club had up its Kiwanis' sleeve, we explained that we have a "Pajama Drive" to collect as many pajamas as possible. They will

be distributed before Christmas to those kids in our area that can benefit from a brand new pair of "pj's!"

What else is on the horizon? We also shared with the other Kiwanis clubs ideas for a Paint and Wine Night, a Texas Hold'em Poker Tournament, a potential concert in Orangevale, and a wine tour of Lodi in spring 2020.

Kiwanis does make a positive impact in the community, and so much so that from this Charter Night celebration we have been joined by two new members! We did not cast some magic formula over them; they joined because of what Kiwanis does and its community impact. I have said before, the choice is yours – if you have the inclination to get involved - then join Kiwanis! Our focus is children, but we do support many other worthwhile organizations.

The Orangevale-Fair Oaks Kiwanis is unique in that it meets twice a month on the 2nd and 4th Tuesdays and for service projects. Every 2nd Tuesday of the month the club meets at the El Gallo Mexican Restaurant located at 11173 Fair Oaks Blvd. in Fair Oaks from 6:30 – 7:30 pm. The 4th Tuesday is reserved for our social get-together and the location varies within our service area. Be sure to check us out!

Special note: if you would like to drop off a brand new pair of pajamas (plain, no logos, any kids size), you can do so at the Last Tangle Hair Salon located at 8820 Greenback Lane, Orangevale, the Steadman Group, Inc. located at 10149 Fair Oaks Blvd., Fair Oaks or Lyon Orthodontics located at 7806 Madison Ave., Suite# 100, Fair Oaks by the deadline of December 13, 2019! Thank you in advance for your kindness.
