LOYAL 2 LOCAL

Welcome back to Loyal 2 Local sponsored by the Orangevale Woman's Club (OVWC). This week we are featuring Clay Oven Indian Cuisine at 8807 Greenback Lane in Orangevale.

We had great time interviewing the owner Mavi. When entering the restaurant, you are greeted with the delicious aroma of fresh herbs and spices that whet your appetite for the exciting meals to come.

Mavi opened Clay Oven in January 2020 and as you know had to close down 3 months later. He is now open for Take Out service from 11am to 9pm 7days a week. The pandemic has definitely caused him some difficulties but he remains very positive. He was forced to lay off workers, work longer hours, and figure out how much food to buy weekly with only take-out orders being served. Mavi says, "The people in Orangevale have been wonderful to us. We really appreciate it." Some of his favorite meals people ask for are "Butter Chicken, Lamb, Chicken Curry and the Samosa appetizers." Mavi opened another restaurant called the Indian Palace in 2017 located at 8865 Folsom Blvd.in Sacramento. Obviously, he is a hard worker and takes pride in his restaurants.

Clay Oven Indian Cuisine is a traditional Indian restaurant in Orangevale that serves authentic Indian cuisine. Clay Oven has made a mark for itself by providing an everlasting impression on one's mind with outstanding service and authentic lists of traditional Indian cuisine. The dishes are prepared with the finest and freshest ingredients, fresh herbs and spices to bring you lip smacking yet healthy delicacies. Clay Oven has great options for vegetarian and nonvegetarian choices. Once they are able to open for dine in please remember they have WIFI, beer and wine and plenty of parking.

Clay Oven is offering a 10% Discount to anyone mentioning they have seen this article. The special ends February 25, 2021. The restaurant is open for Take Out only 7 days a week from 11am to 9pm. Please give them a call at (916) 989-1482 or go to their website www.clayovenorangevale.com and order some fantastic Indian delicacies.

FRANK NG WOO

1931-2020

Frank Ng Woo was born March 28, 1931 in China to Willie Woo and Shui Shook Ying.

Frank came to Orangevale, CA in 1950 where his father owned the Public Market. In 1960, Frank and his six brothers

built the Capri Market. They ran their business together and closed Capri Market doors in 1989. He was a hard worker, enjoyed running the warehouse and loved his produce depart-

ment. After Capri Market closed, Frank spent his retirement years doing what he loved the most. He spent time with family, traveling, working in his garden, and caring for his Koi fish. Frank truly enjoyed, loved and lived for his family. He was everyone's "Papa Woo". He had a unique and special relationship with each of his children, grandchildren, nieces and nephews. He impacted the lives of everyone more than he could have ever imagined.

In the twinkle of an eye, Frank Woo went to be with our Lord and Savior Jesus Christ on December 14, 2020 in Roseville, California with his loving wife Donna by his side. Frank is preceded in death by his brothers, Henry, Leroy, Grant and Albert, and his dear sister Betty Cho. Frank is survived by his sweetheart of 57 years, Donna; and five children: Jackie (Rod), Richard, Willie (Darah), Cheryl

(Bill), Stephen (Amber); sixteen grandchildren: Breann, Andrew, Kendra, Richie, Christopher, Heather, Alexa, Daniel, Lauren, Ashley, Nathaniel, Ellie, Abigail, Amelia, Alexa, and Franklin; great grandchildren: Audia, Adrielle, Cheyenne, Makaylah, Aunders and his miracle baby, Leong (leo) Woo, who is his Chinese namesake; his brothers Clarence and Harry (Jane) Woo; and sister-in-laws Linda and Carol Woo.

In lieu of flowers, donations may be made in the name of Frank Woo to the Lord's Gym, Roseville, California or online at www.lgiving.com.

ANNOUNCEMENTS

HARRY HUTTON 1928-2021

Born in Santa Barbara, California, on April 18, 1928, Harry believed himself to be the most fortunate because his family moved to the Western Slope of the Colorado Rockies before his first birthday. He was raised in Rifle, Colorado, where he graduated from Rifle High School, married his sister's best friend, served as a volunteer fireman and was elected to the Rifle City Council. Although he lived in California the last 60 plus years of his life, in his heart he was always a Coloradoan that loved the Rocky Mountains. Harry passed on in Orangevale, California, on January 23rd, 2021 at the age of 92 years. He was surrounded by his family in the comfort of his home. Harry married Roberta Jo Neal in Denver on July 27, 1949, beginning a treasured lifetime together. They celebrated their 65th wedding anniversary in 2014, just five days before Jo's passing.

Always in the mountains when work permitted, he became an active member of the National Ski Patrol, trained in avalanche

rescue by the U.S. Forest Service, and enjoyed climbing the "14ers" as a member of the Colorado Mountain Club.

Finding it financially difficult to live in the small town of Rifle, they moved to California where he worked as a technical writer preparing operating and maintenance manuals for engine-driven generators. Their first child, a boy they named Craig Neal Hutton, was born in Long Beach. Unfortunately, Craig was killed in a car accident at the age of 17.

Desiring to raise their family near their children's grandparents, they returned to Colorado where their second child, Diana Kim, was the first baby girl born in Rifle's new hospital. Again, difficulty making a living brought the family back to California. Harry received an unsolicited offer from Aerojet-General Corporation for employment as a technical writer at their Azusa facility in Southern California.

In 1958, Harry was offered a supervisory position in Aerojet's newly formed Division in Sacramento. While living in Fair Oaks, California, their third and last child, Patricia Jo, was born. Har-

ry took his growing family camping in the Sierras, summer after summer. As their children married, their grandchildren joined them on their many marvelous and memorable camping trips.

Harry devoted some thirty-plus years supporting Aerojet's customers in the use and servicing of the company's rocket engines. He was ultimately promoted to the executive staff as the Director of Integrated Logistics Support responsible for managing Aerojet's field engineering offices.

Both Jo and Harry loved to travel and were fortunate enough to visit most of the states as well as enjoying several trips to Europe. The highlight of their travels was a tour of the Holy Land led by their Pastor Henry Wells of Fair Oaks Presbyterian Church. Both Harry and Jo were baptized by Henry in the Jordan River at the location where it is believed that John baptized Jesus.

Among his favorite pastimes were painting, primarily in watercolors and acrylics; writing, he self-published two family history books; and he was an avid genealogist. He was a member of the National Society of the Sons of the American Revolution and the Society of the Descendants of Washington's Army at Valley Forge. He was a member of the Masonic Lodge for over 60 years, as well as the Scottish Rite and Ben Ali Shrine.

He is survived by his daughter Kim Cole and husband Jim, his daughter Patricia Jo Goettsch and husband Bob, granddaughter Jamie Dorn and husband Dallas, granddaughter Julie Gray and husband Casey, grandson James Cole and wife Kristen, great-grandsons Oliver Craig Gray, David Neal Gray, and Declan Aiden Dorn, and great-granddaughter Sadie Jo Dorn, his brother Lorry's wife Dolores, sisters Heather Hoffmiester and husband Carleton and Hallie Holl and husband Bob, and his sister-in-law Martha Kellogg.

He will be laid to rest at a later date at Mount Vernon Memorial Park.

OV Unplugged

**OV UNPLUGGED
BY BRANDY WADE**

Hello Orangevale and surrounding communities! Our CNP family hopes everyone enjoyed our previous OVunplugged Early Morning Scavenger Hunt! In this issue of OVunplugged we challenge our readers to experience the Winter season before it ends in March!

There are many benefits to spending time outdoors, for all ages, and this especially includes Winter. Our all outdoor preschool has been fully open during our recent high

winds, rainy weather and cold temperatures. Although we are not lucky enough to experience snow, we have endured all the recent Winter weather and our Playschoolers have throughly enjoyed their outdoor play!

Winter frequently gets a bad name for causing children and adults to become ill, but the key reason for contracting germs is staying indoors. With little ventilation and fresh air, germs are easily circulated, making people more susceptible to viruses. Playing outdoors in the fresh, chilly, open air

can boost a person's immune system thus developing their ability to fight off infections and build resistance to allergies. Research has shown that school children who participate in active play outside are healthier than their peers. Playing outdoors in Winter also helps burn off extra energy, especially when spending most of one's time indoors. Playing outdoors is also another way for children to learn to adapt to the weather and problem solve. While outdoors during the Winter season children must assess risks such as slip-

pery surfaces caused by the rain and frost and they must then adapt their play. It also helps children to acquire new problem-solving skills and promotes cognitive thinking. Lastly if one spends time outdoors, no matter the season, the fresh air and sunshine stimulates a positive mood and increases vitamin D.

Our area may not experience snow but if you travel Northeast there's a beautiful Winter wonderland waiting! Use our Winter Season Challenge to find, see, and feel all six items. If you cannot make

it to the snow this challenge can be easily adapted to our area.

Please feel free to email CNP your outdoor experiences and post them on social media using the #OVunplugged. Stay tuned for our next challenge and follow our preschool for other nature activities on Facebook and Instagram. As always, we hope you remember to put down the technology and to spend quality time with loved ones outside daily :-)

SACRAMENTO FINE ARTS CENTER: SHOW REVIEW, MAGNUM OPUS

If your New Year's Resolution had anything to do with decreasing social media, congratulations. (See documentary, *The Social Dilemma*.) If you feel like everyone expresses themselves with some sort of performative advice or lecture on social media, you might really enjoy an interesting alternative. Art! Sculpture, painting, contemporary, classic. The Sacramento Fine Arts Center in Carmichael, has an interesting show on display through February 21st. I took our 12 year old son to see it. He was 'extremely hesitant' about going. Afterwards he wrote a review that follows. The show is about communicating something grand with art. It was very interesting to see remarks from the show judge, Sacramento artist Steve Memering, on every piece of art in the show. It helped us see what an artist sees in each piece, while we form our own opinion. Something else to enjoy is the no photos rule (without artist

permission). This freed us up to just enjoy seeing the show in real time. Take your family, and witness communicating through art. **Magnum Opus: Review by Gunnar Carson, Age 12** The Magnum Opus Art Show has very different and wonderful paintings. In fact there's not just paintings, there are sculptures, pictures and designs with things you would never think of. I recommend this show. I saw time consuming and huge paintings with obviously a lot of effort. Hopefully you like it! I sure did. Rate your favorites. My two favorites were Ice Carnival and Tech, Tech, Tech, Tech, Boom

COOKS

BY *Suzanne Feblowitz*

The recipe for this issue comes from Ottomon Elementary School 4th grade teacher, Mrs. Pulley. This is a favorite dish in her family. Mr. Pulley likes it so much that he says it could be from a restaurant! It is a quick and easy recipe for all types of households!

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to

contact you. If you wish to remain anonymous, just let us know and we will omit your name.

PENNE ALLA VODKA

- 1 lb. penne noodles
- 4 oz pancetta
- 3-4 cloves garlic, minced
- 2 TBSP olive oil
- 1/2 cup vodka
- 28 oz tomato sauce, pomodoro sauce, or tomato basil pasta sauce
- 1 1/4 cup heavy cream
- Fresh grated parmesan cheese

Cook penne according to di-

rections on package

Sauté pancetta in olive oil until cooked through. Add garlic and cook an additional 2-3 minutes. Add pomodoro sauce (Mrs. Pulley usually uses a premade sauce from Sam's Club that has basil and seasonings), and stir to combine. Add the vodka and bring to a boil, cook 5 minutes. Pour in the heavy cream and stir to combine. Simmer on low an additional 5 minutes. Pour the drained pasta into the sauce and toss to combine. Add fresh parmesan and serve.

MISSION GIVEBACK

HAWKINS HOME LOANS SUPPORTS WOMEN VETERANS ALLIANCE BY DONATING BACK TO THE ORGANIZATION FOR EACH LOAN REFERRAL

Hawkins Home Loans, a local mortgage company, has created a program to help support a local women veteran's organization. The program is called Mission Giveback: Veterans Edition. For every client referred to Hawkins Home Loans through Women Veterans Alliance and Women Veterans Giving, the company donates up to \$3,000 for each loan transaction, including purchase mortgages and refinances, that are closed with each referral.

Many veterans secure VA loans to purchase their homes and refinance their current mortgage. However, referrals that are friends and family of the organization's members referred to Hawkins Home Loans through Women Veteran's Alliance may secure any type of mortgage, including conventional and FHA loans, and Hawkins will still make the donation.

Mission Giveback: Veteran's Edition donation program allows borrowers to make a sizeable donation to a great cause without it coming out of their own pockets to do so. It's a donation made for an action that they would've taken regardless. Hence, it's a win-win for Women Veterans Giving and its members who buy a home or refinance their mortgage.

"It has been our honor and pleasure

Melissa Washington, CEO of Women Veterans Alliance and founder of Women Veterans Giving with Robin Usher - Veteran, Orangevale resident, and Loan Partner to Lori Hawkins - NMLS 225910

to partner with Women Veterans Alliance to create a program that supports the great work they are doing," said Lori Hawkins, Mortgage Broker, Hawkins Home Loans. "It is our goal to continue providing, and hopefully increase, donations to support women veterans."

"We appreciate the monetary donations and support that Hawkins Home Loans have made to our organization," said Melissa Washington, CEO of Women Veterans Alliance. "They have been great in helping our veterans with refinancing their home loans and achieving their dreams of homeownership."

Hawkins Home Loans was founded by Greg and Lori Hawkins. Both a mortgage industry professional with over 50 years' experience combined

funding and originating loans totaling over \$2.5 billion. The Hawkins team help clients in the Sacramento, CA-area navigate their path towards homeownership with confidence and clarity. Hawkins Home Loans understands the importance of making homeownership attainable and is committed to matching borrowers with their best financing solution and offer various mortgage types to meet their clients' diverse needs.

Women Veterans Alliance is based in Lincoln, CA. It is the premier national network focused on directly impacting the quality of life of women veterans. The organization does this successfully by transforming the way the community networks to bring people and programs directly together through a reliable and resourceful platform.

Women Veterans Giving is a registered 501(c)(3) located in Roseville, CA
