OV HOMETOWN ATHLETE ALI AGUILAR WINS SILVER!

OV Hometown Athlete
Ali Aguilar Wins Silver!

By MaryAnne Povey

It's exciting to cheer for Team USA when it comes to the Olympics — it's much more exciting when the athlete is from your hometown!

Orangevale is proud to have Ali Aguilar, a 2013 Casa graduate, represent Team USA in Women's softball. Ali started playing Orangevale girls softball back when she was seven years old and hasn't stopped! From Casa Roble High School playing both competitive and on the school team, to the University of Washington, Ali's passion and competitive spirit

has taken her to the highest level of competition on the world stage.

"Watching her was awesome", said proud sister Jacquelyn Aguilar, "I love her humility in everything that she accomplishes."

With a focus of giving glory to God in all that she does, Ali's list of accolades is impressive including: All American Seattle Sports Star of the Year, Two Time Pan American Championship Gold Medalist, First Team All-PAC 12 and Academic All-PAC 12 and playing professionally both in the US and Japan to name a few!

According to Jacquelyn the trip to Japan for the Olympics was even more special as their grandmother's family roots

are from Japan making this "near and dear to Ali's heart".

If you watched the games, Team USA played six games total, finishing the final against Japan with a 2 - 0 loss in a mostly scoreless game until Japan took the lead.

"If there's one thing we've learned from watching USA softball is that at any point someone can hit a homerun -- so it's not over, until it's over," Jacquelyn reflected.

Like the game leading into the final against Japan, it could have gone either way but without a doubt the family, friends and fans are proud of the team winning silver.

Besides being humbled and honored to represent team USA, Ali said this about softball, "You never have it. There's always something to improve on because the game is so hard. I love the team aspect."

Congratulations to Ali and her teammates for a job well done!

NO CROSSING GUARDS

SURPRISE ORANGEVALE/ SJUSD NO CROSSING GUARDS

Yet another casualty of the Covid? The company (J & J specialty Services of Bakersfield) that for 31 + years contracted with Sacramento County to provide school Crossing Guards for the schools in the Sacramento area has chosen not to renew its contract with Sacramento County due to pandemic reasons.

In speaking with the Senior Transportation Engineer Sonia Hernandez with Sacramento County advised me that they are taking the opportunity of an expired contract to review the whole program, its expenses vs need. It is within the thought process/reality that the county will eliminate the program as a whole. With no other company qualified to hire, trail and provide quality Crossing Guards for the county which had no one bid on the 2021/2022 school year contract it looked like 25 quali-

fied guards, several substitutes, and 1 area supervisor Ray Marchese would be without jobs. **

These people are proud of the job they have done day in & out, Sun or rain they were at their posts. The children's Safety has been their number one priority!

The following schools will be facing a year of not having the Crossing Guards they are accustomed to seeing (people with 10-31 years of experience each);

San Juan Unified School District- Ottoman Elementary, Twin Lakes Elementary 3 guards, Orangevale Open, Oakview Elementary, Earl Legette, Gold River, Winston Churchill Middle & Arden Middle School.

Sacramento City Unified- James Marshall Elementary School & Parkway Elementary School Twin Rivers Unified School District-- Frontier Elementary School, Allison Elementary, Village Elementary & F. C. Joyce Elementary

Elk Grove School District- Elk Grove HS, Franklin, Joseph Kerr, Laguna Creek Hi, Valley HS, Sheldon HS, Pleasant Grove, Monterey Trail & Marion Mix ** The Elk Grove School District's PD is to be recognized as being safety conscious as they invited the 9 guards to apply for their jobs as School Crossing Guards to be paid by the district.

My role the past 5 years has been that of paid Area Supervisor, I coordinate substitutes when needed, recruit more substitutes on an ongoing basis, go out and check on the guards checking to make sure the job is getting done. Check when concerns are brought to my attention. I hire and coordinate the training of new guards from meeting with them, coordinate getting their live scan fingerprinting done. Some Districts have started but most will start mid-August & no one will be looking out for the parents and children walking to and from schools

OVparks offers Steps Towards Closure for families who have lost a loved one to COVID-19

The impacts of COVID-19 have spanned the globe over the past 16 months, and most communities have lost residents to this pandemic. Due to strict guidelines to reduce the continued spread of the virus, there was little opportunity for families to gather and memorialize those they have lost. OVparks is now providing such opportunities for Orangevale residents.

In 2020, OVparks completed the purchase of the property immediately to the north of the Orangevale Community Center. This is the property that previously belonged to the Regency Church at 6930 Hazel Ave. The buildings have been renovated by OVparks, but hadn't been in use due to COVID-19 restrictions, until this summer when they became the home base for

the Rec'ing Crew summer camp. OVparks is now interested in making the buildings available for memorials and celebrations of life for Orangevale residents who suffered loss of life within their families to COVID-19.

This idea came from Manie Meraz, longtime Orangevale resident and Director on the Orangevale Recreation & Park District Board of Directors. Manie has experienced the loss of multiple family members and friends to COVID-19, including the passing of his brother last November. Meraz recalls the anguish being especially difficult during the pandemic because there was a lack of closure. He was unable to visit his brother during his final days, the body could not be released to the family, and there were limitations on gatherings to properly mourn. At an OVparks Board Meeting, Meraz proposed that the Park District now open this property for our Orangevale

community to take these important steps towards closure. The Board of Directors approved this plan.

The cost to rent the building at 6930 Hazel is waived to qualifying residents through December 2021. There will be costs related to staffing, and renters will need to provide required insurance and security deposits. The building capacity is approximately 100 people, depending upon the preferred setup.

As a qualifying resident, either the deceased or relative of the deceased would have needed to be a resident of Orangevale. Proof of residency will be required upon reservation. For more information, or to schedule an appointment, please contact OVparks at (916) 988-4373.

ORANGEVALE COOKS BY *Suzanne Feblowitz*

I have something different for you in this issue. I am sharing my recipes for homemade playdough and for edible playdough (for those who aren't allergic to peanuts). I have used the homemade playdough recipe for over 30 years. It is a good one. The edible one was from my son's preschool class and it can be eaten. I hope someone in your family enjoys these recipes!

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case

we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

Homemade Playdough

- 1 cup flour
- 1 Tablespoon oil
- 1 teaspoon cream of tartar
- 1 cup water
- ½ cup salt
- Food coloring (The McCormick Neon has bright colors)

Put all ingredients in a saucepan. Cook at medium temperature, stirring constantly, until mixture becomes dough-like and pulls away from the sides of the pan and the liquid

is gone. Remove from pan and cool. Store in an airtight container (Zip baggies are good). Optional: add vanilla, lemon or mint extract for scent.

Peanut Butter Playdough

- 1 cup peanut butter
- 1 cup honey or corn syrup
- 1 ¼ cup Nonfat dry milk
- 1 ¼ cup powdered sugar

Mix together. Keeps 1 week. If it gets sticky, then add some powdered sugar.

Store in refrigerator in a zip baggie. The kids can help make this playdough!

WhittierC born approximately May 1, 2020, is a good-sized (11 lbs) beautiful tuxy boy. He was rescued from a homeless camp (he'd already been fixed - that is why his ear is 'tipped') along with several others. He is the sweetest boy. He will lie at your feet or stay in a cat tree right next to you or even step down into your lap. Loves to be petted. He is

very, very gentle. The moment you touch him, he starts purring. Absolutely wonderful with other kitties in that if another kitty looks at him cross-eyed, he will retreat. However, he will also initiate play because he is barely out of kittenhood himself. WhittyKitty, as his fosterer calls him,

would do best in a quiet home - children running down the hall and into the room would no doubt unnerve him. He is also used to small dogs. Note: To meet WhittyKitty and other kitties, please stop by one of our adoption events at the Fair Oaks Petco on Saturdays from 12-4 p.m. (We also have several barn kitties available.) Please call Lisa, Fluff Buddies Volunteer, at 916 524-4478 with any questions.

"The Heart of Rock & Roll" with Bucky Heard featuring guitarist John Wedemeyer

FOLSOM, CA – Folsom Lake College's Harris Center for the Arts, the Los Rios Colleges Foundation, and SchoolsFirst Federal Credit Union are pleased to present a live, outdoor concert fundraiser, "The Heart of Rock & Roll", with Las Vegas headliner Bucky Heard and featuring guitarist John Wedemeyer, on Saturday, August 21, 2021 at 8:00 pm in a designated parking lot by the Harris Center (10 College Parkway, off E. Bidwell St., in Folsom). Proceeds from the event will support the Center's soft reopening this fall.

About the Artists

Bucky Heard has numerous national theatrical credits and a reputation as a gutsy rock and roll singer with incredible vocal range, which has garnered critical praise in such reputable publications as The Washington Post and USA Today. He has shared the concert stage with some of the greats, including Andy Williams, Glen Campbell, The Beach Boys (with Mike Love), The Temptations (with Otis Williams), Tony Orlando, Michael McDonald, Jonathan Cain (Journey), BB King, and more. In 2016, Bucky joined forces with legendary Rock & Roll Hall of Fame icon Bill Medley as his partner in the newly reformed Righteous Brothers. They are currently in their fifth successful year of their residency show at Harrah's Las Vegas, with over 50 road shows across the country. Most recently, Bucky co-wrote and produced 14 original songs for a new musical, Mike and Mindy's Wild Weekend Jam, set to make its Off-Broadway premiere at the Players Theatre in New York City this winter.

John Wedemeyer has been playing guitar professionally since age 19. While proficient in a wide variety of styles, John spent much of his early career steeped in blues and roots music recording and touring with blues

LOCAL CARPENTER WRITES SONGS ABOUT BLUE COLLAR LIVIN'

Nick Bossio is a local guitar picking carpenter from Orangvale. He's always dreamt of recording an album about the lifestyle of the working man. He is a father, a general contractor, a little league coach, and a singer-songwriter. You can find him doing all these things right here in town. He fixes up our neighbors homes, coaches

our boys at Fair Oaks Orangevale little league and plays music at our local businesses.

He gos by @Beard_Picker on Instagram where he posts his latest music and tons of construction videos showing him making a clean living while getting his hands dirty. "Nick embodies the spirit of a working man's musician.." quoted by local promoter Ian McAdam, founder of Railyard promotions.

On July 2nd he released a brand new acoustic album entitled, "Time and Material" which was inspired by his experiences on the job. The album is available on Spotify, Apple Music and Amazon Music.

He encourages you to check out the new album and to come say hi on Friday, August 6th in the Badfish Coffee parking lot for Orangevale's "Food Truck Friday" where he and his band, the Collar Blues will be performing live.

Feel free to contact Nick anytime to book a performance or schedule a home improvement project in Orangevale!
