run, walk, roll or ride 4th annual red white & blue 5k fun run returns

Photo by Patrick Povey

Coming to Orangevale Community Park on June 11th, Women Veterans Alliance Red White and Blue 5K Run Walk Ride. We are very excited to for the 4th Annual Fun Run in Orangevale which is open to the public.

There are approximately 2 million women veterans and this number is rapidly growing. As a society, when Veterans are thought of women almost never come to mind. These dedicated women can be found nationwide, but go largely unrecognized in our communities. Women Veterans Alliance started in Sacramento three years ago and is now the fastest growing professional women veterans networking organization.

We would love your support to help empower the women that have served our country. Ways to support us, participate as Individual or Team. Many participants are fundraising as an individual or team. One of the participants Lori Anne Young a Marine Corps Veteran is running in honor and memory of her friend Captain Jennifer J. Harris, USMC, Killed in Action February, 7 2007. In addition to the run, we are having Fun in the Park where we are going to have awards ceremony, exhibitors, and more. We have opportunities available for vendors, exhibitors and crafters (special rates for crafters and non-profits).

Registration opens at 7am. Don't worry - Onsite registration is welcomed. Run will start at 8am with an opening ceremony including national anthem and paying respect to the flag of our country.

This is going to be a great event and we look forward to seeing you. Come out and show your support along the run route.

WHAT IS A CUB SCOUT?

WHAT IS CUBSCOUTS?

Cub Scouts do fun things with other kids! They get to wear a cool uniform, go places, and see things. They play all kinds of sports and games and build things, like race cars and bird houses. Cubs learn about science and nature, and lifesaving skills like first aid, weather preparedness, and water safety. They go to different camps, try a variety

of outdoor activities, and the best part? Each Cub Scout makes new, lifelong friends, all while participating in these activities and earning awards.

At a Pizza School

At a pizza school, graduates toss their caps like they're pizza dough spinning into the sky. Pizzas on their mind (that's why). There was only one topping, and that would be the tassel. And they all catch their caps cuz pizza dough is fragile.

HISTORY · PROJECT

THE BEGINNING..... HOW THE GRANGE STARTED IN ORANGEVALE

Chartered on April 10, 1910, the Orangevale Grange #354 and has been serving the Orangevale Community for more than 112 years. The California State Grange along with the Orangevale Grange was a strong and influential force in establishing California's important Central Valley Water Project and the construction of Shasta and Folsom dams. The Orangevale Grange held its first meeting in the hall above the Carson and Castleman Store located on the corner of Walnut and Greenback Lane. They had no electricity in the hall and used lanterns for light.

A Grange member, Adelaide Morse and her home were chosen as the first library. She served in the position for 45 years. The library was started with one hundred donated books.

In 1916, donating money and numerous hours of volunteer labor, the Orangevale Grange members participated building the Orangevale Community Club House at the corner of Greenback Lane and Hazel Avenue. It was the center of numerous community activities until destroyed by an arson fire.

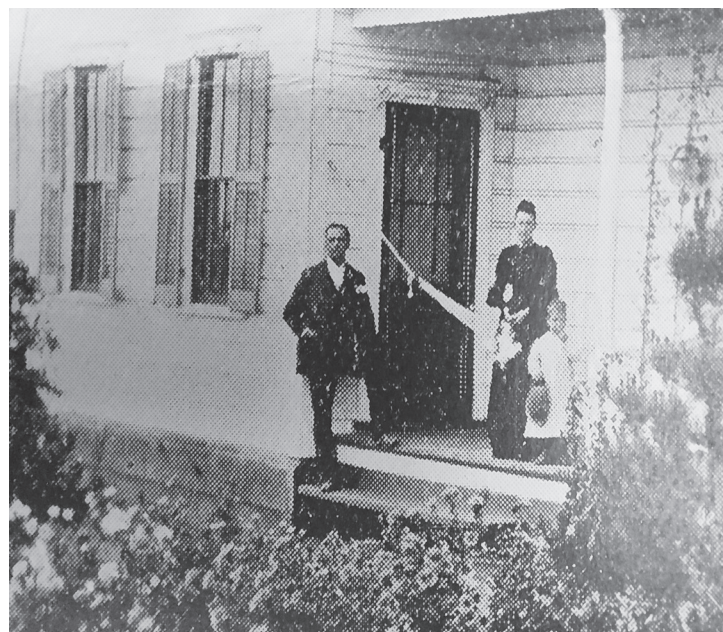

For almost 50 year all the roads in Orangevale were dirt roads They were graded to allow the water running to the sides. Whenever possible, residents would avoid driving on Greenback Lane during the rainy days. Grange committees actively

worked for better and safer roads for the area.

In 1950 two "Dawn" Redwood Trees were donated to the Grange. The Orangevale Grange feels very lucky to have these trees still standing on the property today. In May 1955, the Grange purchased ten acres on Walnut Avenue to build a Grange Hall. On April 15, 1956, the groundbreaking took place for the construction of the new hall, where it is located today. In the spring of 1960, selling five acres on the north side of the Grange property to the Northern Lutheran Church. The Orangevale Grange began Sunday Breakfast in

1965 on the 2nd Sunday of each month. That tradition has continued serving the Orangevale Community, with our monthly Grange Breakfast from 8:00 a.m. to 10:30 a.m., at 5807 Walnut Avenue. Stop by and enjoy our famous biscuits and gravy. The Grange is the site of numerous community events during the month. Refer to our website for Orangevale Grange at orangevalegrange.org or needing a rental call 916-988-8871.

We would love your summer recipes! I couldn't think of one, so I asked my sister and she gave me this recipe. It is a perfect refreshing dish to serve during our summer heat! The traditional dish is served with shrimp, but this variation is basically vegan! You can eat it as a main dish or as a side dish! If you would like to share a favorite summer recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

GARBANZO AGUACHILE

- 1 cup freshly squeezed lime juice (from 8 to 12 limes)
- 1 cup cilantro leaves and tender stems (about ½ bunch), plus more for serving
- 1/4 medium white onion, thickly

- sliced
- 1 small or medium serrano, halved (and optionally deseeded for less heat)
 - 3 garlic cloves, peeled
 - 1 teaspoon soy sauce
 - 1 tablespoon extra-virgin olive oil, plus more for serving (optional)
 - 1/2 teaspoon white miso -Optional
 - 2 (15-ounce) cans garbanzo beans (aka chickpeas), drained and rinsed
 - 1/2 English cucumber or regular cucumber, peeled
 - 1/2 medium red onion
 - Saltines or tostadas, vegan mayo, and/or sliced avocado, for serving
1. In a blender or food processor, combine the lime juice, cilantro, white onion, serrano, garlic, soy sauce, olive oil, and miso (optional). Blend until smooth.
 2. Set a fine-mesh strainer over a bowl. Pour over the blended mixture and strain. Discard the pulp caught in the strainer, so you're just left with the vibrant green liquid.

3. Add the liquid to the garbanzos. With clean hands or a potato masher, gently mash the mixture until one-third to one-half of the beans are smushed (this helps them absorb the liquid, but you want some whole, too, for varied textures). Gently press down the garbanzos to immerse them as much as possible.
4. Thinly slice the cucumber into rounds. Thinly julienne the red onion. The thinner the better. Add the cucumber and red onion to the garbanzos and mix to combine. Let this sit for another 10 to 15 minutes minimum for flavors to really absorb; you can also cover and refrigerate for up to 8 hours.
5. When you're ready to eat, transfer the aguachile to a serving dish. Garnish with a drizzle of olive oil (optional) and a few cilantro leaves.
6. Serve with crackers or tostadas, vegan mayo, and/or avocado slices.

JUST PERFECT FLOORS

By MaryAnne Povey

Spending your hard earned money takes careful thought these days. There's one place you can't go wrong, and that's investing in your home! Did you know that updating your flooring is one of the top investments you can make that not only improves the aesthetics of your home, but the value as well?

Sounds good, but not sure where to start? The whole process can be overwhelming and since it's an important investment, you'll want to make the right decisions to get the "perfect floor". That's where having a trusted professional like Just Perfect Floors to guide you through the process is key!

"There are so many options and things to consider that can be overwhelming to a homeowner," said Josh Penuel, owner of Just Perfect Floors, "getting the right flooring isn't difficult if you have the expertise to know what to recommend. It's what we love to do."

Josh and his wife Sarah are a "perfect" match in many ways, each with their area of expertise. Josh is the on-the-job installation expert and Sarah is the office

manager/designer who will guide you from start to finish including picking the perfect flooring color to

compliment your home. They decided to start their own business in 2013 after Josh had been working in the industry for over 18 years. They saw a need to do more and raise the bar by providing better attention to detail, a higher level of expertise, and the flexibility to go the extra mile.

When you call Just Perfect Floors, Sarah is your first point of contact who will get you started with an overall idea of what you are hoping to achieve and set you up for a free appointment with Josh. They will treat you with the highest level of professionalism, assess your needs, help you select the right flooring, and see you to the very end – striving to take the stress out of these types of projects!

Integrity, honesty, and dependability are the values of their family and business too. Their countless glowing reviews speak volumes as to what you get when you hire them for your flooring project.

WORLD CLASS EQUESTRIAN PERFORMERS COMING TO ORANGEVALE'S SUMMER PALOOZA

World Class Equestrian Performers Coming to Orangevale's Summer Palooza

By MaryAnne Povey

What do you get when you put beautiful horses together with some talented, nimble, acrobatic horse-lovin' riders? The Nu Balance Vaulters! This fabulous group came together in 1990 right here in our own hometown of Orangevale when club founder Michelle Solorzano decided to start a horse camp for kids.

What started out as a group of 21 kids and their ponies, has blossomed into a full-fledged unique acrobatic riding/performing club of nearly 50 performers ages 4 to 37, that have traveled the world dazzling audiences in Germany, Holland, Austria, Hungary and London performing for Queen Elizabeth herself!

"This all started out with a horse and a passion to perform," said Nu Balance founder and trainer, Michelle Solorzano. "With my daughter's encouragement, we decided, 'let's do this' and haven't looked back since".

Locally the Nu Balance team performs at the California State Fair and other county fairs, but this is the first time the team will be participating in the Orangevale's Summer Palooza June 18 and June 19, 2022. Their FREE shows will be held in the Orangevale Community Park arena at the OV Summer Palooza event. Starting at 1 pm each day.

The fabulous line-up of performers and shows includes: The Greatest Showman, Boots & Bling Drill Team/Acrobat, Pair Riders, Aerial and Silks, Carriage and Buggy and Pair and Trick Riders. Then, a long line up of Disney favorites like Captain Jack, Cruella De Vil, Maleficent, Beauty and the Beast, Moana and much, much more!

"Our kids love to perform and connect with the audience", Michelle reflected, "At the end of our show, we do a meet and greet so everyone can see the performers up close, say hi and get a photo. Don't forget your

camera!", she added.

If you needed a reason to come to Orangevale's Summer Palooza, this is it! Come see great entertainment for FREE!!
