## AT YOUR SERVICE, ORANGEVALE

Orange Vale Colony is mentioned in the 1900 Mississippi Township census. There were only 161 dwellings. Miners had been replaced with farmers and orchardists, mainly, sprinkled with others like carpenters, teachers, blacksmiths a minister, a water agent and a couple of bookkeepers. By 1910 there were approximately 500 people calling this place home. Birthplaces for the head of household represented 19 foreign countries and 34 states. Just Imagine all the differing experiences and points of view. If nothing else, they had one thing in common. Each had moved their families to this place.

From the beginning it seems the people of the Orange Vale Colony stood firmly on a foundation of determination and a commitment to this new town and to each other. In glimpsing history from the notes in newspapers and from others memories, examples emerge like building a school and then raising money for a piano a dollar at a time, building a community center and then a youth center. There was demanding work to be sure, but also time for children, church, music and lending a hand. Service defined in this context is "the action of helping or doing work for someone." Service groups were in Orangevale as early as 1910.

The Orangevale Grange was the earliest group to serve, founded in 1910. The Grange was instrumental in bringing electricity and telephone service to Orangevale. The Grange was the first to donate money

toward the purchase of land on Hazel Avenue that would become the Youth Center, which is still being used today. And there is so much more to know-they are still in town, continually active and could use more helping hands. Check out their website <http://www.orangevale-grange.org/about-us/>

Following the Grange, women started a Country Life Club in 1913. They, about 40 members, had no clubhouse, so met at members' homes or in the Methodist church. Mrs. Calder is credited as the club's organizer. There were lectures on topics such as Public Health, Life and History of the Mosquito, Shelter, Clothing and Tree Planting. This club was an extension of the Country Life Club of the College of Agriculture of the California State University. Members of the club shared five distinct areas of study: domestic science and art, economics, civics, home efficiency and public health. This group was named the Orangevale Woman's Club in 1928 and remains a service leader in town today. Much more should be written about this group's rich history and contributions to the community. Find out more at <https://www.orangevalewomansclub.org/>

Boy Scouts started a group in 1914. By the Roaring 20's there was also a Civic Improvement Club who in 1916 dedicated the Community Center on Greenback Lane. Campfire Girls, Federated Clubs-focusing on beautifying the highways, and the Orangevale Mothers Club, a forerunner to the PTA also started.

Folsom-Orangevale Farm Home Department organized in 1931. The Citizens League, the Orangevale 4H Club and likely others not identified in this research also bloomed about this time. Important services and decisions were in play, like a post office, a fire department, school district boundaries and more.

The 40's were the war years with a new wave of service clubs right around the decade. Lions Club was the first of the new entries in 1953 with an impressive 54 charter members of business and professional men. The Chamber of Commerce followed in 1955 then Rotary in 1960 with equally impressive lists of members. Orangevale grew, businesses grew and as a kid growing up during this time, things were darn near perfect. I was oblivious to all the work going on around me, well most of it. My dad, Keith Hall, was president of the Chamber 1959-1960.

Even though time moves on service remains key in Orangevale of today. Just ask the Woman's Club, or the Grange, Rotary, Scouts, or any of the many others. Ever wonder how so many things get done? It isn't magic.

# OV Unplugged

OV Unplugged  
By Brandy Wade

There are many benefits to spending time outdoors, for all ages, and this especially includes Winter.

Winter frequently gets a bad name for causing children and adults to become ill, but the key reason for contracting germs is staying indoors. With little ventilation and fresh air, germs are easily circulated, making people more susceptible to viruses. Playing outdoors in the fresh, chilly, open air can boost a person's immune system thus developing their ability to fight off infections and build resistance to allergies. Research has shown that school children

who participate in active play outside are healthier than their peers. Playing outdoors in Winter also helps burn off extra energy, especially when spending most of one's time indoors. Playing outdoors is also another way for children to learn to adapt to the weather and problem solve. While outdoors during the Winter season children must assess risks such as slippery surfaces caused by the rain and frost and they must then adapt their play. It also helps children to acquire new problem-solving skills and promotes cognitive thinking. Lastly if one spends time outdoors, no matter the season, the fresh air and sunshine stimulates a positive mood and increases vitamin D.

Our area may not experience snow but if you travel Northeast there's a beautiful Winter wonderland waiting! Use our Winter Season Challenge to find, see, and feel all six items. If you cannot make it to the snow this challenge can be easily adapted to our area.

Please feel free to share your outdoor experiences with Creative Nature Playschool, and/or post them on social media using the #OVunplugged. Stay tuned for our next challenge and follow our preschool for other nature activities on Facebook and Instagram. As always, we hope you remember to put down the technology and to spend quality time with loved ones outside daily :-)

# ANNOUNCEMENT

**GEORGE STEPHENS**  
JUNE 22, 1937 –  
DECEMBER 30, 2022

Long-time Orangevale resident George Stephens passed away on December 30, 2022, at the age of 85.

George was a member of the Orangevale community since 1960. George was a well-respected body and fender repairman, collector and car enthusiast. He established many friendships through his love of restoring old cars and racing super modified race cars and sprint cars at West Capital Raceway. Many knew him from his weekend outings - where he was always in pursuit of a hard-to-find car part, rare collectable item or great bargain at a local garage sale. George prided himself on restoring collector cars to their original mint condition. His exceptional craftsmanship won awards at numerous auto shows, including the Sacramento Au-

torama. His work was also highlighted in several hot rod magazines and journals.

George was a devoted husband, father and grandfather. He was preceded in death by his loving wife, Barbara. George is survived by his children Rick (and Debbie) Stephens, DeeAnn (and Ross) Eichelberger, JoAnn (and Brian) Pingree. He will be greatly missed by his grandchildren, Jodee (Eichelberger) Crawford, Ashley (Eichelberger) Martinez, Mitchell Pingree and Macie Pingree, as well as his great grandchildren, Jackson and Avery Crawford, Mia Martinez and Grayson Pingree.

Friends are welcome to attend a Celebration of Life on Saturday, February 11 at 11:00 AM. The gathering will be held at George's beloved "Street Rod Alley" at the Eichelberger residence (in Ross's Workshop/Garage). The address is 9163 Cherry Avenue, Orangevale.

**DONALD ELLIOTT**  
JANUARY 1935-  
DECEMBER 2022

Donald Eugene Elliott passed away on 12-21-22 at his home in Orangevale, the place he loved for over 50 years. Don was born in Oklahoma the youngest son of three, to Maude and Roger Elliott on 1-11-1935. He is survived by his son Darrel from Oregon. Along with his son Kevin, wife Karla, and his grandson Arie from Citrus Heights.

Don grew up in Oklahoma, moved to California and graduated from Madera Union High School in 1953. He met and married Georgiann Mabes in 1960 and moved from Southern California to Orangevale in 1971. They were married 44 years when she passed away in 2004.

Don retired from the State of California as a Tax Supervisor/Administrator and began his career as a Backhoe Operator. Don loved cars, swap meets, building hot rods, and attending car shows with his Cappuccino Cruisers Car Club in his 1939 Cadillac. That is where he became friends with Arlene and they would spend their winters together in Arizona.

Don lived life on his own terms, his way. He was loved by everyone and he will be sincerely missed. There will be a Celebration of Life on February 18, 2023 at 1:00 pm at The VFW Hall in Fair Oaks where he will be remembered

with hits including "Summer Nights," "Greased Lightnin'," "Hopelessly Devoted to You," and "You're the One That I Want," this exciting new production reignites the energy and joy of the show for a new generation.

Grease was first performed on February 5, 1971, at Kingston Mines nightclub in Chicago. From there, it has been successful on both stage and screen. At the time that it closed in 1980, Grease's 3,388-performance run was the longest yet in Broadway history. It went on to become a West End hit, a successful feature film, produced two popular Broadway revivals in 1994 and 2007, and is a staple of regional theatre. It remains Broadway's 16th longest-running show.

Grease was adapted in 1978 as a feature film starring Saturday Night Fever star John Travolta and British-Australian singer and actress Olivia Newton-John.

Individual tickets range from \$67-\$117 and are on sale now at the Box Office at (916) 608-6888, or online at [HarrisCenter.net](http://HarrisCenter.net). Box Office hours are Tuesday-Friday from 12:00pm-5:00pm, and one hour before showtime

### Assemblyman Josh Hoover Joins the California Problem Solvers Caucus

Assemblyman Josh Hoover (R-Folsom) announced that he has formally been voted into the California Problem Solvers Caucus, a bipartisan group of legislators who are committed to reaching across the aisle to address issues facing the California Legislature.

"I look forward to working with my colleagues in the California Problem Solvers Caucus to find bipartisan solutions to some of our state's biggest challenges," said Assemblyman Hoover. "In an age of hyper-partisanship, it is more important than ever to

have leaders willing to work together to find common ground and bipartisan solutions."

The California Problem Solvers Caucus was formed in 2021 and contains members of both parties from both the Assembly and Senate. In the past, they have come together to advocate for things such as the suspension of the gas tax and funding for a California fire surveillance system.

Josh Hoover represents Assembly District 7, which includes the cities of Citrus Heights, Folsom, and Rancho Cordova and the unincorporated communities of Carmichael, Fair Oaks, Foothill Farms, Gold River, Mather, McClellan Park, North Highlands, Orangevale, and Rosemont.

# PETACULAR

RASHIDA - ID#A811520

Shelter staff named me  
RASHIDA.

I am a spayed female, brown  
brindle and white Pit Bull  
Terrier mix. The shelter staff  
think I am about 5 years old.  
I weigh approximately 49.50  
pounds.

I have been at the shelter since  
Sep 14, 2022.

Rashida is a beautiful brindle  
babe with a great smile who  
loves going on walks with shel-  
ter volunteers. She is all snuggles  
with volunteers and just  
wants to have her head on your  
lap soaking in all the love. She  
walks very nicely on leash using  
a harness. She likes to walk and  
explore but it also appears after  
a good long walk she is happy  
with some couch potato time.  
Her favorite pass time is rolling  
around in the grass. She is good  
with people, enjoys car rides but  
not cats. She has participated  
in playgroups with male and fe-  
male dogs and may do well with  
a well-matched dog friend in her  
new home. If you have an exist-  
ing dog, please bring them to the  
shelter for a meet-and-greet to  
make sure it's a match!

FAUNA - ID#A826380

I am a spayed female, tan Pit  
Bull Terrier. The shelter staff  
think I am about 7 years old.  
I weigh approximately 49.80  
pounds.

I have been at the shelter since  
Feb 04, 2023.

Fauna is very friendly, seeks  
human interaction. She enjoys  
treats, but would rather have  
human affection. She is curious  
about her surroundings and will  
go explore, but always comes  
back to her person. She hasn't  
played with any toys yet, but re-  
ally enjoyed lying on a nice com-  
fy pillow getting belly rubs. She  
is not very vocal and didn't ap-  
pear to be reactive to other dogs  
walking by. Fauna has a gentle  
mouth and will take treats slow-  
ly and carefully from an open  
hand or from fingers. She is a  
very sweet dog that would bene-  
fit from a physically comfortable,  
but interesting environment and  
an adopter who understands the  
needs of an older dog. Note - due  
to space limitations, I may be  
in a kennel out of public view.  
Please ask staff to meet me.

BRAD - ID#A816360

I am a neutered male, gray and  
white Pit Bull Terrier.

The shelter staff think I am  
about 7 years old. I weigh ap-  
proximately 74.00 pounds. I  
have been at the shelter since  
Jan 29, 2023.

I am a friendly pup who came  
into the shelter with my friend  
Angie (A816359), we get along  
well but would be just fine be-  
ing separated. I am a little shy  
at first but warm up quickly and  
show my goofy/playful side. Rec-  
ommended cat free home.

To meet these pets and oth-  
ers, visit the Bradshaw Animal  
Shelter Tuesday-Sunday, Noon  
- 5:00 pm, Wednesdays, Noon -  
6:00 pm. All adoptions are on a  
first-come, first-served basis. To  
help expedite the meet & greet  
process, please make note of my  
Animal ID number, and those  
of other dogs you might be in-  
terested in meeting. Be sure  
to bring your ID with you, too.  
We're located at 3839 Bradshaw  
Road, Sacramento.

Bradshaw Animal Shelter is full of  
adorable dogs waiting to become  
your new best friend! Adoption fees  
are currently waived for dogs that  
have been at the shelter for more  
than 30 days and all adoptions in-  
clude spay/neuter surgery, up-to-  
date vaccinations, microchipping,  
and a 1 year license for Sacramento  
County residents. Visit Bradshaw-  
Shelter.net to see all available dogs  
and see who you fall in love with!

## The Hour of His Judgement Has Come

### SCHEDULE

- February 20–24, 7 pm
- February 25, 11 am (lunch to follow)
- February 25, 4 pm (Benefit Concert)

The book of Revelation tells us of a time of Judgement as we draw near to the end of time.

- By what shall all be judged?
- Who is judging and for what purpose?
- Who is being judged?
- How does judgement and faith relate?
- Can love and judgement coexist?
- Who will stand firm on that great day?

The incredible love of God will be the centerpiece of God's Judgement.

Come and listen as the Judgement comes to life! (schedule above)

And join us on Feb. 25 for a special benefit concert by J.P. and Andrea O'Connor.
