Orangevale Gets A History Museum

YOUR Orangevale History Museum

Did you know there is one? Well, there will be! Thanks to the Orangevale Recreation and Park District for providing one of their small buildings so the Orangevale History Project can create a history museum for you, Orangevale! The building will also provide some space for an office, archival work area, and gift shop. This aligns with our mission to preserve, chronicle and promote the history of Orangevale.

However, to be honest, we need assistance to get there! There are needed improvements to be made on the 'as is' condition of the building to bring it up to museum standards. This means climate control and proper storage equipment for the artifacts. This means im-

proving the interior of the building and providing proper and safe access like an ADA ramp and patio area outside. This means obtaining display cabinets to showcase our historical items as well as having a gift shop of snacks and items showing I Love Orangevale.

This next step means funds donated, materials donated, and volunteer talents offered. This means YOU. We need individuals and

businesses to assist with funds and services.

Yes, we have applied for Grants. Yes, we have collected a few donations. Yes, we will have fun fundraisers in the future. Yes, we have created a GoFundMe account. However, we need your help NOW to make this history museum a reality.

This is YOUR history museum Orangevale. It will be at 6920 Hazel Ave, just north of the Orangevale Community Center. Help us bring it to life to share with all of Orangevale and the immediate surrounding area. Your checks payable to Orangevale History Project, can be mailed to Orangevale History Project, c/o OV Chamber of Commerce, PO Box 922, Orangevale 95662. Or you may go to our website and click on our GoFundMe or Museum Wish list links: www.orangevalehistory.org. When we get enough funds (\$25K goal) for the improvements to be made, we hope to open in May or June. We deeply thank you for your support and hope to see you at the Orangevale History Museum!

ORANGEVALE HISTORY PROJECT: Monthly meeting change of venue for Wed, April 5th only, 6:30pm, we will have a Museum Vision Night and meet at the building which will become the Orangevale History Museum: 6920 Hazel Ave, just north of the Orangevale Community Center. Come view and bring your visionary ideas to our new empty space, and bring a folding chair – we welcome you! The second driveway past the building will take you to parking in the back.

made to local urban farms and small farms throughout the year to help keep them thriving. There will also be open opportunities for homesteads and backyard gardener to write in and request a grant to help with their backyard agricultural project. A portion of money raised will also be going to the community garden at The Grange to help with improvement and upkeep. The Grange has 48 garden beds that community members can utilize to grow their own fresh food.

Orangevale has always been known for being an agricultural hidden gem in the county of Sacramento. We have many great farms in Orangevale that supply yummy fresh food to the community. As local community mem-

bers, we want to ensure that those farms stick around and thrive to continue making Orangevale what it truly is.

Unfortunately, some of our local farms have had some difficulties over the past couple of years due to many unforeseen circumstances. The idea of a relief fund was set into motion after another one of our local farms announced they were having trouble. The idea of the relief fund is to help local urban farms, small farms, homesteads and backyard gardeners. We want to make sure our agricultural town continues to thrive!

ORANGEVALE'S PECAN PARK

Not long after the Orangevale Park District was formed (fall of 1983), neighbors to Pecan complained about frequent drug dealing and use within the park which had led to arrests by the Sheriff's Department. Split down the middle by a large oak grove and meandering creek, Pecan Park encompasses 9.5 acres consisting of turf and an existing sprinkler system covering four of those acres.

Gathering preliminary input on each park before developing a master plan for the district, the directors held informal walk-throughs on each site before taking public testimony at their regular meetings.

Orangevale citizens were invited to join members of the Orangevale Recreation and Park District Board of Directors for a walk through of Pecan Park in early February 1984 to gather preliminary information and public input to develop a master plan for development of the park. Unfortunately, the walk-through drew only six people to the site to participate in gathering ideas. The Administrator, needless to say, was frustrated with the lack of interest by neighbors as well as the general Orangevale community to show up to give their input. Park Superintendent Chuck West led the tour. As with past walk throughs, the Superintendent painted mental images to give those attending, an idea of the park's potential.

Not content to wait for

more improvements to the park, neighborhood children made a few improvements of their own — including a tree house and a motocross track for their bikes. This track was complete with turns and jumps and continually drew as many as 15 kids at a time with their bikes after school.

There was also a tree house built in a large oak tree about 20 feet above the ground, which was used more often than not, by the drug users. Nearby neighbors called the tree house a hazard and would like to see the park district build one closer to the ground to replace the home-made versions that keep appearing!

The park's lack of permanent fixtures drew the most concern during the walk-through. Picnic benches and tables plus coin-operated lights for the existing tennis courts, removal of brush in the oak grove, restrooms, a drinking fountain and better drainage for the playground area were top priorities for the neighbors that attended.

In September 1984, the Park Board approved the idea of using the site currently being used as a bike track and to install a sanctioned 2-acre BMX track at Pecan Park giving the local kids something to do and help keep them off the street. The district allotted \$4,000 to install water lines to help keep the dust down during events, and to add benches for spectators. This track was leased to Orangevale residents, Steve and Carol Hoff, who planned to build the track with donated dirt and volunteer help. The track was de-

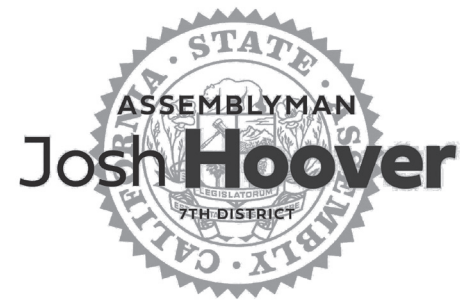

signed by professional BMX riders and was to be available for local and professional circuit riders all year.

The BMX track is no longer in use and the main field in the park is used primarily as a soccer field. There is a tennis court and most recently one of the tennis courts has been re-striped as a pickle ball court. Across the creek beyond the tree line is a fenced dog park. The children's playground is also still adjacent to the existing pickle ball court.

On a daily basis, Pecan Park located at 5945 Pecan Avenue, draws local residents for various aspects of what it offers, but often just for peaceful and serene atmosphere.

The California Problem Solvers Caucus was formed in 2021 and contains members of both parties from both the Assembly and Senate. In the past, they have come together to advocate for things such as the suspension of the gas tax and funding for a California fire surveillance system.

ORANGEVALE COOKS

BY
Suzanne Feblowitz

One of my favorite dishes that my husband makes in our Instant Pot is his pasta. He can whip up dinner in a matter of minutes. It is the perfect quick meal for a week-night when you are short of time. Most of the ingredients are in your cupboard and you have lunch for the next day!

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

PASTA, GROUND BEEF AND AN INSTANT POT

1 Tbsp. olive oil
1 lb. ground beef, lean

1 small onion, diced
3 cloves garlic, minced
¼ cup dry red wine (you can substitute beef broth here)
1 (25 oz.) jar marinara sauce or your favorite pasta sauce
1 ¾ cup beef broth
8 oz. favorite pasta, like campanelle or fusilli
Kosher salt and freshly ground pepper
¼ cup fresh basil leaves, chopped or 1 TBSP dried basil
1/3 cup parmesan, freshly grated

1. Set Instant Pot to a high setting (6 qt. size is best).
2. Heat olive oil, then add ground beef and cook until browned for about 3-5 minutes. Make sure to crumble the beef as it cooks; drain excess fat
3. Add onion and cook, stir-

ring frequently, until translucent, about 2-3 minutes. Stir in garlic until fragrant, about 1 minute.

4. Stir in wine, scraping any browned bits from the bottom of the pan
5. Stir in marinara sauce, beef broth and pasta; season with salt and pepper.

“The Carnegie Advanced Band, led by Mr. Fedorov, participated in the Golden Empire Music Festival this past Saturday. The group received the Superior award, which is the highest award given! They scored supe-

rior in every category, with all 3 judges scoring them above a 90. The musicians were placed in a challenging environment acoustically, they had the pressure of the judges and scores, and this was everyone’s first festival..so

this is no small feat! The next concert you can attend to check out this band and all of the other bands at Carnegie is April 20th, at Bella Vista HS.”

SOMETHING NEW THIS SPRING

By Jathan Good

Spring is the time of flowers, growth, and new birth. The world seems brighter; colors seem more vibrant. You can smell hope and anticipation in the air. Unless you have allergies - then you can't smell much of anything. But even with a stuffy nose, you can sense the anticipation of warmer weather, longer days, and perhaps a fresh start. Maybe you're finding the motivation to start that diet again, or to pull out the running shoes from deep in the closet. Maybe you'll try that new thing

you've been talking about: stand up paddleboarding, or journaling, or that new Thai restaurant.

What will you do with the extra hours of sunlight each day and the growing sense of possibility? Have you thought about a fresh start in your relationship with God? God knows a little something about fresh starts, new life, and hope for the future. Easter is, after all, the celebration of Jesus' resurrection from the dead nearly 2,000 years ago. The Bible says that Jesus makes all things new (Revelation 21:5). It's kind of His specialty.

Is there something in your life you need to leave behind? Do you

need a fresh start? Why not get connected with a group of others who are pursuing a life of hope and newness found in Jesus? Now's the time! Attend church this Easter and hear about the ultimate hope, the ultimate new life. Consider joining a small group within that church where you can make life-long friends; the kind of people who will encourage you and support you, and the kind of place where you can be known and loved.

You can find a place like that at Sunrise Community. Easter services at 9 and 10:30 am on Sunday April 9th, and on Good Friday at 7 pm, April 7th. www.Sunrise.Church/Easter.
