### New Biz Helping Moms - INFANT INSTINCTS

By MaryAnne Povey

We all know how important it is to have a healthy immune system, so how important is it for infants to get a good start from the beginning? Those early days can be challenging for new moms, but thanks to Jessica Hopp, the owner of Infant Instincts in Orangevale, soon-to-be moms and new moms can rest assured that there is an expert who can help them with their prenatal breastfeeding education and post-natal challenges too!

"Growing up, I always loved babies," said Jessica Hopp, Board Certified Lactation Consultant, "I was a nanny for over 12 years and after hearing all about breastfeeding challenges, I wanted to know more, which is what prompted me to change my major in college and pursue becoming a specialist in lactation education. It's my passion!"

After working as an outpatient lactation consultant for UC Davis, Jessica wanted to go out on her own and provide a broader range of services, including holistic approaches to many of the issues facing mothers. She wanted to focus on "adding the nurturing touch to the clinical services", via natural remedies. Her dream was to live and work in her community and fill the void, helping moms with their new infant care needs.

"It was important to me to do this in my community and offer services to help all moms who need support. I wanted them to feel that they are not alone," Jessica shared, "Having problems after childbirth can be so stressful and intensified due to hormones making the situation seem worse. I want to be there for them, with tried and true solutions to their postnatal problems. They need to know that there is someone to help with their fears and concerns."

The methods that Jessica uses are clinically tested and she's had fantastic results helping moms with adjustments that make a big difference. One of her most gratifying moments is when she fixes a problem like "latching on correctly" and the

mom breathes a sigh of relief and says, "Oh, this is how it's supposed to feel!"

Part of Jessica's success is that she can spend the amount of time needed to address each individual's situation. Typically an appointment with her is about 90 minutes long - in comparison to just a few minutes working with a nurse after delivery. The CDC recommends breastfeeding beyond the early weeks and urges exclusively breastfeeding for 6 months and then up to 12 months. The good news is now insurance companies are now required to cover lactation support including supplying a breast pump, providing lactation consultations, and prenatal education. This includes Jessica's services!

"I help working moms by discussing their goals and making a plan," said Jessica, "Returning to work can be a stressful thing. I try to break it down and make it achievable."

Some of the most common problems new moms experience are stress, anxiety, and pain.

"There shouldn't be pain when nurs-

ing," Jessica shared, "The two most common causes are a shallow latch or infant oral issues like tongue ties or suck coordination."

Another common issue is the infant having tension or stress, which can be relieved with techniques as simple as infant massage and stretches. "I get a good mix of first time moms who don't know what to expect. I also get moms who have had a difficult time previously and want to get ahead of the curve on their next pregnancy," Jessica said, "Although you may be successful with one baby, each birth and nursing situation is different and that's where I come in to help."

In addition to lactation consultation, Jessica also sells home grown organic baby food, offers breastfeeding support groups and is planning future education classes. For more information about all the services offered at Infant Instincts, go to [www.infantinstincts.com](http://www.infantinstincts.com) or call 916.827.5571.

Infant Instincts Opens Office in OV! Congratulations to Jessica Hopp owner of Infant Instincts for opening her new office in Orangevale. The Orangevale Chamber of Commerce, clients and community came together to enjoy a celebration and ribbon cutting to mark the special occasion. Jessica's passion is to help new moms and their babies thrive. She offers invaluable support, consultations & resources. # ANNOUNCEMENTS

Frances Buchan, wife of Carl Buchan.

Frances was born in Post, Texas on June 14, 1927 and passed away at the sweet age of 95 on May 16, 2023 in Fair Oaks California.

She was the beloved wife of Carl Buchan, beloved mother of Connie Sack, Kenneth Strauch, Penny Buchan, Wendy Ambrose and Debbie Pierce, and 31 beloved grandchildren and great grandchildren.

Frances came to Orangevale in 1960 to work for the Safeway at the corner of Hazel and Greenback Lane. It was there she met her Carl Buchan and they became husband and wife for 58 wonderful years.

Any mention of her extreme love of flowers or her precious dog, Doogie, would be a profound understatement. Frances loved attending Shriner events with Carl, who was also a member in the Shriner Go-

Karts, Cibara.

In 1962 she became a member of the Order of Eastern Star of Natoma, chapter 233 of Folsom. Later in 1974 she became Worthy Matron of that chapter and in 1977 was given the Cross of Colors for Rainbow girls of the Natoma Chapter. The following year, 1978, Frances became Deputy Grand Matron of the 17th District of the State of California.

A celebration of life will be held at Heritage Oaks Glen Club House, 6900 Almond Ave. in Orangevale on June 17, 2023 at 12 noon.

In Loving memory of Frances Buchan:

Miss me a little, but not for long  
And not with your head bowed low  
Remember the love that once we shared

Miss me, but let me go.

## Just Say No to Drug Rehab Center on Santa Juanita Avenue

Help us "Just Say NO!" to a new drug rehab center on Santa Juanita Avenue. New owners in our idyllic stretch of Orangevale have informed longtime residents, schools, and business owners of their intentions to build a Drug Rehab/Detox Facility in our neighborhood. The 5 acre parcel was previously an Alzheimer's facility, and has been all but vacant for 7+ years. The new owners are in the process of acquiring a new license for their Drug Rehab Center. All residents I have connected with are against this proposal, and have voiced their concerns to the new owners. Our voices have been met with responses that range from dismissive, to downright arrogant. From what I have gathered from Sacramento County, they do not have permits to be building yet, yet construction is well underway.

Less than 150 ft from this property resides Odyssey Learning Center, a SJUSD school for children with disabilities. Directly across the street from Odyssey is OHP, a well established and beloved Pre-K school. Two houses from OHP rest our third school within a quarter mile radius from this upsetting proposal, Ottoman Elementary.

Please join us in your support to stop this heinous proposal. Join us at our local Orangevale

CPAC meeting at the Orangevale Community Center on 6/6/23 at 6 pm to make sure your voices are heard and your presence is seen!! If you have information or concern, I also urge you to file a report or complaint with our local agencies listed below.

The more of us that speak up, the less likely it is that our new neighbors will be successful in their endeavors to prioritize their personal profits over existing residents' security, and financial stability. In addition to jeopardizing the safety of all three schools, this proposed project threatens to steal equity from all surrounding home owners and put clouds on all our homes' titles. In the meantime, I am confident in asserting that the new owners on Santa Juanita Avenue have already stolen our peace of mind. For all

those who are reading, please be assured that we intend to fight this with every fiber of our being.

Sincerely,  
Your Neighbors

## BASEBALL DREAM OPPORTUNITY FOR LOCAL ORANGEVALE ATHLETE

You can call it an “opportunity of a lifetime” for Jacoby Pitnikoff, 14, born and raised in Orangevale whose dream is to someday play professional baseball. Jacoby has grown up playing for OV Ponyball and Fair Oaks/Orangevale Little League. Over the past two years he has been a part of the Izturis Baseball Academy who trains year round in the Sacramento area. This baseball Academy was founded by former major-league baseball players Cesar and Macier Izturis. There are a lot of great baseball experiences, competitions and training organizations for young people in California and throughout the country that a young player can try out for or pay a fee to attend but the experience Jacoby has been offered can only be obtained by personal invitation.

The Amaury Nina Academy in the Dominican Republic is a private academy that trains 40-50 hand selected international prospects and grooms them to hopefully be ready to sign their first professional MLB contract at 16 1/2 years old. Jacoby and his friend and teammate, Antonio Monte De Oca, from El Dorado Hills, have been invited to join the academy from August - November.

There are no registration or training costs associated with this invitation.

The only costs include the passports, flights, food and lodging for Jacoby and different family members who will be taking turns accompanying Jacoby to help him with school work, meals and transportation.

Jacoby has a fundraiser set up on June 1st with Texas Roadhouse that you can participate in if you would like to help contribute towards making this experience possible. A tri-tip and chicken meal can be pre-purchased for \$15. Orders must be in by May 28th and can be picked up, drive through style, between 5-7pm. The location for pick up will be on the order confirmation email, but is tentatively planned to be at the OV Community Center 6826 Hazel Avenue during the Orangevale Farmers Market. Be sure to bring some chairs to sit under the shade trees to enjoy the live music, and all the other vendors and entertainment for the whole family.

Jacoby and family will be out there handing out the meals and would love to say hi and thank you for your support. To order meals for the fundraiser, please contact Jacoby's Dad, Jeff Pitnikoff @ at 916-802-8567.

# MEMORIAL DAY CELEBRATION

## MEMORIAL DAY – ALL GAVE SOME; SOME GAVE ALL

Memorial Day will be celebrated on May 29th, this year. Memorial Day, not to be confused with Veterans Day, is a day of remembering the men and women who died while serving in the United States Armed Forces. Veterans Day on the other hand celebrates the service of all U. S. Military veterans. Memorial Day, formerly known as Decoration Day, originated after the American Civil War in 1868 to com-

memorate the Union and Confederate soldiers who died in the Civil War. The end of May seemed to be appropriate since many spring flowers are available. By the 20th century Memorial Day had been extended to honor All Americans who have died in all wars in the past 248 years.

Every year, Sylvan Cemetery in Citrus Heights honors those that gave their lives in the defense of their county. We take time to salute the over 3 million men and women that have died in mili-

tary service defending our country since 1775.

This year the Memorial Day service will be held on Monday, May 29, 2023 at Sylvan Cemetery, 7401 Auburn Blvd, Citrus Heights, at 11:00am in the gazebo.

On Thursday, May 25th, we will be placing a cross and small American flag on each grave of the 1400 Veterans that are buried here at Sylvan Cemetery. These will remain from May 25th – 30th. Any and all volunteers are welcome to help on these days. We will start at 8:00am.

## Mount Vernon Memorial Park to Hold Memorial Day Service

Boy Scouts & Cub Scouts to place hundreds of American flags in early morning FAIR OAKS, Calif., May 15, 2023 - Mount Vernon Memorial Park & Mortuary, a proud member of the Dignity Memorial® family of providers, will hold a Memorial Day service at 11 a.m. Monday, May 29, 2023 at the cemetery, 8201 Greenback Lane in Fair Oaks. The event is free and open to the public. Call 916-969-1251 for more information. Guests will be greeted to Mount Vernon Memorial Park by entering under a 50-foot flag displayed by the Sacramento Metro Fire Department. Hundreds of other flags will be displayed throughout the park. Local Boy Scouts and Cub Scouts will begin placing the flags at 5:30 a.m. on Monday, May 29th. The service will bring community leaders and veterans' organizations together to honor those who have given the ultimate sacrifice for their country. The service will begin with the presentation of the Colors by

the California National Guard and will feature performances of the national anthem, a "Tribute to Our American Heroes", Tribute to POW/MIA and two guest speakers.

The annual Memorial Day observance is our way of saying 'thank you' to the men and women who have served and who have sacrificed. We hope the families who join us for the service gain a deeper appreciation for the importance of honoring our military, whether that is those currently enlisted or veterans who served in the past. The Dignity Memorial network of providers has several initiatives to honor and support our nation's veterans and active military. The initiatives and programs include the Veterans Planning Guide, the Dignity Memorial Vietnam Wall, the Dignity Memorial Homeless Veterans Burial Program, educational veterans seminars and special pricing for members of veterans service organizations. Mount Vernon Memorial Park & Mortuary is a proud Dignity Memorial provider in Fair Oaks. The Dignity Memorial network of more than 1,800 funeral, cre-

mation and cemetery service providers is North America's most trusted resource for funeral and memorialization services. Dignity Memorial providers offer an unmatched combination of products and locations serving families with care, integrity, respect and service excellence. For more information, visit [www.MountVernonMemorial.com](http://www.MountVernonMemorial.com).

### Earrings

What if earrings gave their wearer the power to hear others' thoughts?

Perhaps they pierce through boredom and writer's blocks, and maybe change volumes from loud to soft. Mysteries are what they might help unlock.

To lose privacy would be part of their cost...

The absence of these earrings at least lowers distractions and can encourage one to think for oneself and imagine.
