## OV ROUNDUP TO HELP CASA GRAD MAX HABAN FIGHT CANCER

Join us for the "Orangevale Roundup" Fundraiser, a heartfelt effort to support one of our own, Max Haban, a Casa Roble graduate Class of 2019, and Naval Nuclear Mechanic, who is bravely facing stage 4 cancer. Throughout the month of August local businesses are coming together to collect donations, to help the family with medical and travel expenses during this challenging time. Your donation will make a significant difference in Max's journey.

Giving is simple. All you need to do is round up your purchase to the nearest dollar, give more or scan the QR code. Each participating business may have different ways for you to donate.

As we rally around Max, let's also show our appreciation to the businesses that are giving back to support the cause! Together, we can make a difference!

Special shout out to these local businesses participating in the "Orangevale Roundup" Fundraiser for Max: Dairy Queen, Scotty's Hideaway, Dezy's Beef, Bread & Beer, Jan's Lounge, La Placita & L & M Liquor & Deli.

## A TRIUMPH OF GRIT AND DETERMINATION: FOVLL 2023 ALL STARS CLINCH SECTION CHAMPIONSHIP!

By Christina Shirk,  
FOVLL Board Member

In an exhilarating championship game that had fans on the edge of their seats, FOVLL 8/9/10 All Stars emerged victorious over Maidu Little League, securing their spot in the state tournament. The road to victory was paved with sweat, tears, and nail-biting moments, making it a match for the ages.

The tension was palpable as the two teams squared off for the section championship title. Memories of their previous encounter, where they battled through eight intense innings and played under the high-stakes "little league international rules" for overtime, loomed large. FOV had narrowly lost that initial clash, but they were hungry for redemption.

From the very start, FOV came out with guns blazing. In the opening frame, Ray E set the tone with a pow-

erful double, followed by Reid B and Michael G, who both showcased their hitting prowess with clutch singles and doubles, bringing in vital runs and putting Maidu on the defensive.

The third inning proved to be a decisive turning point for FOV. Christopher V's single ignited the offensive surge, and with Ray's double driving in two runs and Reid's single adding another, they widened their lead, showing that they were in it to win it.

On the mound for FOV was the impressive Kayde G, who displayed exceptional composure under pressure. Over six innings, Kayde surrendered just two hits and allowed only one run (unearned), racking up an impressive seven strikeouts along the way. His stellar performance laid the foundation for FOV's success.

With the final score at 8-1 in favor of FOV, the jubilation on the field was contagious. The players celebrated their hard-earned victory, knowing that their journey to the state tournament was now secure.

Reid, with three hits in as many at-bats, was instrumental in leading FOV's of-

fense, while Ray's three RBIs showcased his prowess as a clutch performer. Christopher and Michael's contributions with multiple hits further solidified FOVLL's batting prowess, turning them into an unstoppable force.

This championship victory is a testament to the tenacity and never-say-die spirit of the Fair Oaks Orangevale Little League. After facing adversity and bouncing back from a hard-fought loss against Maidu, they displayed remarkable resilience in the if championship game. Their journey to the state tournament is a triumph of grit, determination, and teamwork.

As they move on to represent Section 4 in the state tournament, the FOVLL 8/9/10 All Stars have undoubtedly etched their names in the annals of little league history. Their families, friends, and fans couldn't be prouder as they cheer on their young athletes in the next stage of this thrilling adventure. Best of luck to FOVLL as they continue to chase their dreams and make their community proud!

## HEY CASA CLASS OF 1973: 50TH REUNION COMING SOON!

By MaryAnne Povey

What a treat to be invited to crash a recent meeting of the Casa Roble Class of 1973 50 reunion planning committee. Excitement filled the air as the reunion committee gathered together to prepare for an unforgettable 50th class reunion!

Memories of the past came alive as they reminisced about their time at Casa Roble, and brought out memorabilia of the "good ol' days". One piece of their past had the words to the Alma Mater, which they recalled fondly and started singing collectively! This was great to hear!

Their long-time Casa Roble pride was evident in their dedication to the school and community where at least two of the former alumni have three generations of families attending the Casa

Roble High School, furthering the bond shared among Orangevale's community.

# ORANGEVALE RESIDENTS 1850

## ORANGEVALE RESIDENTS IN 1850

California is rich in history and has quite a tale to tell. I cannot possibly do that any justice from my knowledge and thumbnail research.

What I can do is try to share what was going on around the state and the country when immigrants from all over the world traveled to a place called Mississippi Township in California and made it their home.

The Gold Rush was on – it's 1849 and the lure of making fortunes in gold drive many men to California. California has only been governed

by the US for about a year after freeing herself from Mexican rule. Names from history like Leland Stanford, Daniel Webster, Henry Clay, and Stephen Douglas should not only be remembered but revered as the driving forces for California to become the 31st state in the union and even more important a Free state. Though the Civil War was not to come for a decade, tension existed as did political posturing. We were almost split in half, with the south aligned with the Confederacy.

So, California became a state on September 9th, 1850, and by September 21st, a census was being

taken in our own Mississippi Township as in every other community across the state. Residents totaled 378 and all were miners with the exception of two Physicians. These men, and it appears they were all men, mostly between 20 – 39 lived in 102 dwellings – so that is about 4 per dwelling, with mostly different last names.

It was the next decade when families started to appear. Farmers brought their families to this place that now had a few less, but I imagine more substantial dwellings. There were only 93 dwellings and approx. 300 people. There were still miners, almost 50 of them, but there were now 15 farmers, a hotel keeper, a butcher, a couple of blacksmiths, now only one physician and several laborers.

## MAJOR FUNDING FOR FOLSOM'S "JOHNNY CASH TRAIL ART EXPERIENCE" APPROVED IN CALIFORNIA BUDGET

Assemblyman Josh Hoover (R-Folsom) announced the passage of a California budget bill that secured \$425,000 to the City of Folsom Parks & Recreation Department for the Johnny Cash Trail Art Experience - Cash's Pick No. 2.

Folsom's Johnny Cash Trail, a bike and pedestrian trail that borders Folsom State Prison, was completed in 2017. Folsom Parks & Recreation is currently fundraising to install a world-class linear public art experience that will celebrate and honor the legendary Johnny Cash, his music, and his strong connection to the City of Folsom. As part of the public art project, installations at the beginning and end of the trail will feature "Cash's Pick", 7 foot tall bronze guitar picks. The funding secured by Assemblyman Hoover will be used for the design and fabrication of Cash's Pick No. 2. The first pick is currently slated to be installed by early 2024.

"I am excited to announce significant state funding for the Johnny Cash Trail Art Experience in Folsom," said Assemblyman Hoover. "These investments will be an amazing benefit for the residents in our community and will bring this amazing city landmark one step closer to fruition for visitors to enjoy."

"The City of Folsom extends its heartfelt grati-

tude to Assemblyman Josh Hoover for securing substantial state funding to bolster the Johnny Cash Trail Art Experience", said City of Folsom Mayor Rosario Rodriguez. "This remarkable contribution will financially support Cash's Pick No. 2, marking a significant milestone in the city's efforts to install a world-class public art experience to celebrate and honor the legendary Johnny Cash, his music, and his connection to the City of Folsom. Just as Cash's iconic career started with a humble guitar pick, soon, every walk, run, and ride on the Johnny Cash trail will begin with Cash's iconic Pick. Each month, thousands enjoy the trail and its surrounding natural beauty, while enjoying the benefits of exercise. Thanks to this generous support, we can now integrate additional public art into the fabric of the Johnny Cash Trail, further enriching the experience for all who traverse it."

Josh Hoover represents Assembly District 7, which includes the cities of Citrus Heights, Folsom, and Rancho Cordova and the unincorporated communities of Carmichael, Fair Oaks, Foothill Farms, Gold River, Mather, McClellan Park, North Highlands, Orangevale, and Rosemont.

## NEGATIVITY

Negativity did not sound so bad for a nudist who heard nakedity (instead of negativity)... Going to beaches: that person's proclivity. Without even wearing anything skimpy, a naturist enjoys nature, freedom, liberty.

I have another salad for the summer! My husband found this recipe online and it is perfect for those of you who have numerous tomatoes from your garden! As a side dish, this salad will last for a few meals. Otherwise, it could be a main dish for two people. You can use whatever you have in your fridge to add to this salad. Just use whatever ingredients you have! You can adjust the quantities in this recipe as you like, feel free to add an extra veggie or swap some out for your favorite vegetables.

If you would like to share a favorite recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in

case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

**DON'S CHOPPED SALAD**  
(Below is the recipe to get you started.)

- 1 small cucumber, diced
- ¼ cup grape tomatoes, halved or fresh tomatoes, cut into bite-sized pieces
- 1 small red onion, minced
- 1 small carrot, chopped
- ½ red bell pepper, chopped
- About six dried dates, chopped (optional)
- A bunch of fresh cilantro, chopped
- 2 Tbsp extra-virgin olive oil
- Lemon juice from 1 lemon
- 1/4 teaspoon kosher salt, more to taste
- 1/8 teaspoon freshly ground black pepper, more to taste
- 1/2 cup feta cheese, crumbled

**INSTRUCTIONS**

- 1) Halve your cucumber and slice each half lengthwise into four slices. Hold the slices together like a bouquet and chop them into small pieces. Add them to a medium-sized mixing bowl.
- 2) Halve the tomatoes and add them to the bowl along with the red bell pepper, carrot, dried dates, and finely chopped cilantro. If using large tomatoes, cut them into bite-sized pieces.
- 3) Soak minced red onion in lemon juice and set aside.
- 4) Cube the feta cheese or crumble it directly into the bowl with your hands. Add the kosher salt, black pepper, olive oil, and lemon juice with onions. Mix thoroughly until the salad is well coated and serve.

You might be interested to hear what Leonardo Rosello, a Casa Roble now sophomore student, accomplished with his Capital Crew Rowing Crew.

At the Southwest Regional Rowing Championships at Lake Natoma, which involved 31 teams and over 200 boats from CA, NV, UT and

HI, and is one of the most competitive regions in the US Leo was the stroke seat (the pacesetter of the boat) in the Youth U17 four boat and finished 4th after three days of regattas.

His boat advanced to the US Rowing Youth National Championships in Sarasota, Florida June 8-11. This

year's event was the largest ever with 835 entries from 225 clubs across the country bringing in just over 4,000 athletes. Leo's crew finished 10th fastest in the nation! But he got famous for the special haircut his team mates gave him.

## ANOTHER GREAT SEASON FOR FOV LITTLE LEAGUE ALL STARS

By Jeff Pitnikoff

The Fair Oaks Orangevale Little League Majors All Stars run came to an end Tuesday evening in the section four championship game when they suffered a 9-4 loss to Maidu Little League. These two teams were the last two standing in the greater Sacramento area and Maidu will now head to States, the final step before Western Regionals. The Fair Oaks/Orangevale (FOV) boys had a fantastic run and secured the District 5 title for the 3rd consecutive year. With victories over College Glen, Arden, Rancho Cordova, Arcade Creek (two times), Rocklin and North Natomas (two times) they beat many of the top teams in the area and did so convincingly. At one point the boys were 7-0 with a run differential of 90-29 and put together an explosive 6 run 2 out rally in the 6th inning to secure that 7th win after falling behind 4-1 in the first inning. The comeback victory gave the boys a chance to play for the Section championship. The boys displayed some amazing teamwork and commitment

over the eight week span of All Stars. Attending many long, hot practices, playing new positions on the field, and opting to stay indoors leading up to game days to stay hydrated and make sure they were ready to play ball come first pitch. The boys have much to be proud of and we all gained a lifetime of memories watching them play. From the fist bumps, to the muscle flexing to the sound of "Let's Gooooo" echoing through the park after a big play, we will all crack a few smiles when we look back on the

summer of 2023.

The team would like to thank the families, friends and community members for all the amazing support. Many came out and endured multiple 5 pm games with temperatures over 100°. Many of these boys have been playing together at FOVLL since coach pitch and will eventually meet up again in high school to continue playing together.

The team was led by coaches Paul Horning, Ryan Thibeault and Manager Joe Duran.

Pitnikoff called safe at homeplate to score.

## Are YOU the one Overwatering?

How do you know? If you live in Sacramento County, actually most of the Sacramento Region, you have quite a bit of CLAY in the soil. When this clay gets wet, it will form a "seal" through which water will not travel easily. What that means is.....that when you are watering your lawn, the water soaks through your topsoil and will sit on top of the clay layer. When your topsoil can't take any more water, it flows off of your lawn and into the street and storm drains. This is where the water wasting comes from. Your lawn can only handle about 6 to 8 minutes of watering before it can no longer absorb the water from the sprinklers. Don't believe it?, time it for yourself to determine when your watering starts to flow into the streets. And, no matter how much you water your concrete curbs and road ways, they will NOT grow. ps- That clay in the soil is not providing any nutrients to your lawn. A good fertilizer to feed your lawn is the best way to a green lawn.
