COMMUNITY UNITING IN SERVICE AT THE 4TH ANNUAL OV FO FALL COMMUNITY FOOD DRIVE

Coming back to community roots, Orangevale and Fair Oaks will unite again as volunteers greet cars full of collected food, unload the bounty into sorted boxes and cheer - sharing in the morning air, music and joy such comradery through good works brings.

The Orangevale Fair Oaks Food Bank invites community to experience this day of giving and celebration by bringing non-perishable goods or cash donations, or forming a small neighborhood collection, to deliver at the drive by-drop off food drive on Saturday Sept. 7 from 8:30 a.m. to noon at the Divine Savior Church parking lot.

"Witnessing all the folks coming through the food drive lines, giving tons and tons of food, all with a sense of joy was priceless!" says Nancy Wilkerson, Assistant Scoutmaster of Troop 144 of their participation last fall. "The volunteers that we worked with were top notch and super friendly. Such joy was shared the day of the drive."

Last fall, more than 25 groups - churches, schools, sports teams and emergency respond-

ers - partnered with individual drop offs to raise raised over 21,000 pounds, over 10 tons, of food and over \$10,000 dollars in donations. Neighbors united, giving back to the communities they live in.

"In a fragmented post-Covid world, it is powerful to see our community come together. I especially love seeing churches come together. Jesus does too," says Dan Meyerpeter, Pastor at Redeemer Covenant Church. Redeemer Cove-

Dear Friend,

The Supermajority in the Assembly reached new levels of hypocrisy this week. They simultaneously passed a constitutional amendment to reduce the vote threshold for local tax increases (ACA 1) then passed another constitutional amendment to increase the vote threshold for passing taxpayer protections (ACA 13). No matter how high our taxes get in California, it never seems to be enough. Instead of increasing the cost of living in our state even further, our Legislature would be wise to get a handle on its propensity to over spend. Thankfully, these measures can still be stopped in the State Senate or rejected by voters at the ballot box.

If they do make it to the ballot, however, they will likely get a favorable title and summary from the Attorney General. You may remember that the infamous Proposition 47, which reduced penalties for shoplifting and created a nightmare for small businesses, was presented to voters as the "Safe Neighborhoods and Schools Act." This is because California allows a partisan official to write the ballot title and summary that appears on every voter's ballot. My colleague Senator Roger Niello has introduced SCA 3 to fix this by transferring this authority to the non-partisan Legislative Analyst. While it did hit a speed bump this year in the Senate Appropriations Committee, we both remain committed to pushing this forward in future years.

The Legislature is currently considering hundreds of oth-

er bills during End of Session before we adjourn for the year on September 14th. I previewed the Top 10 "bills to watch" on my podcast this week, you can watch or listen here if you are interested in learning about some of the legislation we will be debating over the next couple weeks.

I will continue fighting to protect taxpayers over these final days of session, it is an honor to represent you.

Sincerely,

Josh Hoover

NORMA HAMLIN PARK

While taking testimony of Snipes-Pershing and Palisades Parks, 40 years ago the district's directors of the Orangevale Recreation and Park District discovered that neighbors of Palisades Park had no input or recommendations. This is a two-acre park that during the rainy season looks like a lake next to the two existing tennis courts. The tennis courts belong to the park district but are located on Palisades Elementary School property. The district was reviewing each park.

However, several neighbors of Snipes-Pershing Park had definite ideas of what should be done. Those presents were shown a slide show of the two

parks from numerous angles prior to the board taking public testimony.

One neighbor of the park, Norma Hamlin, had sent a letter to the board requesting that Snipes-Pershing Park be rezoned to agricultural, with no lights or ball diamonds, just left as open space!

The area around the park is mostly privately owned with homes to the north and west and undeveloped land to the east and south. The state owns the bluff area that descends behind the park to the American River. Proposed development of the land surrounding the park had previously created controversy. Proposals were made for development and building of condominiums along the bluff area.

A dirt road that enters land adjacent to the park from the south had been used by illegal dumpers to dispose of building materials, tree trimmings and plain old garbage! One resident had requested that the park district barricade the access areas and place "No dumping" signs!

With only three-fourths of an acre of the 5.25 acre park developed, it was questioned whether the board policy should be dictated by the concerns of the immediate neighbors of the parks or by the needs of all Orangevale residents. This park is shaped like a horseshoe around a private residence and was originally intended as a rest stop for a horse trail. Residents wanted the park developed in a way to keep more homes from being built there.

Today you find the 4.5 acre is the Norma Hamlin Park which is on the southeast corner of the park district. Only .75 acre is developed with a huge playground and three picnic table area. It also has water fountains for people and dogs. Trails follow to the American River. The park property is rich in oak trees and natural vegetation and several vernal pools can be found in full bloom during the spring season.

Interested in a nice location to hike and enjoy a picnic visit Norma Hamlin Park.

Community Uniting in Service at the 4th Annual OV FO Fall Community Food Drive

Continued from Front Page

nant Church joined the drive three years ago, when Marcus Arnold of Divine Savior Catholic Church invited others to join the collection he had organized in-house the year before.

"There are a lot of hungry people in Orangevale. There is often a long line of cars at the foodbank on Main Ave," says Meyerpeter. The food bank currently serves 1,388 families, approximately a 15% increase since last year, says Andrea Scollay, OV FO Food Bank Director,

"Jesus cares about hungry people," Meyerpeter continues. "Our hope is that we can join God in this important work of loving our neighbor. It is incredibly satisfying and life giving for us to help and serve by unloading and sorting canned goods. The food drive has helped our people connect and know we are part of something bigger than ourselves."

The third reason Meyerpeter love this food drive? "Adalbertos breakfast burritos for volunteers. Enough said."

Those who work with youth feel a similar need to defragment; to reconnect our youth with the community while also giving them opportunity to experience a love and satisfaction for community leadership.

Juleah Dresser, student council faculty advisor at Orangevale Open K-8 school, relayed the invitation. They accepted.

"The students have full control over how the event is experienced, with me acting as support," explains Dresser. "I hope that the students will learn the ins and outs of running a large-scale service

event as well as the confidence that comes with being a leader. More importantly I hope that they can see the good they can do for their community and become more understanding, compassionate, and empathic people."

She is reconnecting with Orangevale Open's core values, which center on building community. This includes doing acts of service. "We have run events like this before and I felt it was time to get back to the roots of the school," says Dresser.

Come join the experience as Fair Oaks and Orangevale likewise lead back to their roots of uniting in service on September 7.

Can't joining this fall? Join in the spring.

-Mark your calendars for March/April 2024. The vision: different organizations support a chosen drive annually, so both drives succeed while making the load lighter for everyone.

ORANGEVALE COOKS BY Suzanne Feblowitz

Fall is almost here! Even though it may be too hot to bake, you might want to turn on your oven for just a bit to make this 1970's recipe. My stepmom used to make this yummy recipe often when I was growing up. It was a special treat in my family.

If you would like to share a favorite fall recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you.

If you wish to remain anonymous, just let us know and we will omit your name.

FOUR LAYER DELIGHT

1st layer: Mix together 1 ½ cup flour and ¾ cup butter (let sit out a bit) by cutting in with a pastry blender. Then add ½ cup of your favorite chopped nuts. Gently pat into a 9 x 13-inch baking pan. Bake at 375 degrees for 15 minutes. Set aside to cool.

2nd layer: Cream together an 8 ounce package of softened

cream cheese, 1 cup powdered sugar and 1 cup Cool Whip (from a large container of Cool Whip). Spread over cooled 1st layer and chill.

3rd layer: Mix 2 small packages of instant chocolate pudding (use ½ cup less milk as directed on package). Blend 2 minutes. Pour over 2nd layer and chill.

4th layer: Spread remaining Cool Whip; sprinkle with chopped nuts. Chill for several hours before serving. Enjoy!

Casa Rams Show Grit in Close Game to Undefeated Del Oro Golden Eagles

In a thrilling face-off against the undefeated Del Oro Golden Eagles, the Casa Roble Rams showcased their resilience and talent in front of an electrifying packed house. The crowd was pumped up with a DJ, the amazing cheerleaders, band and Blue Crew too! The Rams were leading 7-3 early on, with their defense dominating the first half, keeping Del Oro's star quarterback Caden Pinnick in check.

Although the Golden Eagles rallied in the second half to take a 31-13 win, the Rams

proved they can hold their own against top-tier competition.

"Our team showed incredible heart and resilience out there against a top-ranked opponent. We may not have come away with the W, but we sent a message that Casa Roble football is a force to be reckoned with," said Coach Horner, "We're gonna take this experience, learn from it, and come back even stronger."

The Rams begin league play and celebrate Homecoming on September 29 taking on Mesa Verde. JV starts at 5 pm and Varsity kicks off at 7 pm. Be sure to get your tickets early at gofan.co Go Rams!

Casa Roble Flag Football LADY RAMS MAKING HISTORY

Lost to Dixon tonight 27-10 (September 5, 2023) but made history on the night. Addison Bateson scored the first points in Casa Roble Flag Football on a defensive interception of an extra point all the way back for two points. QB Milan Massae connected on a pass to WR Savannah Sanders for the first passing and receiving touchdown in the history of Casa Roble Flag Football. Lastly, Liz Garcia scored the first two point conversion in the history of Casa Roble on a two point run from ten yards out. We didn't come away with the win but the girls looked a lot better than last week. They keep getting better. Next up, we have Woodland tomorrow evening at Casa Roble at 6pm. Go Rams!

Girls' flag football is taking the sports scene by storm! The Casa Roble team is off and running led by Coach Chris Horner and Coach Mike Jones! Stay tuned for more as we follow the girls season! Let's go Rams!

ADOPTION FEE WAIVED!!

Name: Ruthie
Animal ID: 54111494
Breed: Cattledog mix
Gender: Spayed Female
Age: 2 years
Adoption Fee: Sponsored!

Aloha! Ruthie is a 2-year-old, 45lb dog looking for her forever home. She was one of four dogs transferred to the Sacramento SPCA from Maui following their tragic fire. Ruthie was already in the shelter in Maui when the fires occurred, she was transferred to the Sacramento SPCA to make space for displaced animals looking to be reunited with their families.

Ruthie spent some time in a foster home in Maui, her foster parents say: "Her favorite toys are frisbee, balls and anything for tug-of-war. She loves car rides, playing fetch, snuggling and she is very easygoing, just a happy and sweet girl who is full of love. She is housebroken, knows sit and catch and is working on paw and wait.

She loves food, she loves her people and got along with my dog, cat and chicken. We just adored her, she responds to 'good girl' and has so much unconditional love. We will miss her!"

Ruthie's adoption fee has been fully sponsored by a loving fan!

I spent time in a foster home with other dogs and did well. I may do well with your dog with a proper introduction.

I spent time in a foster home with cats. I may do well with your cats with a proper introduction.

I don't have a history of living with children, but may do well with them.

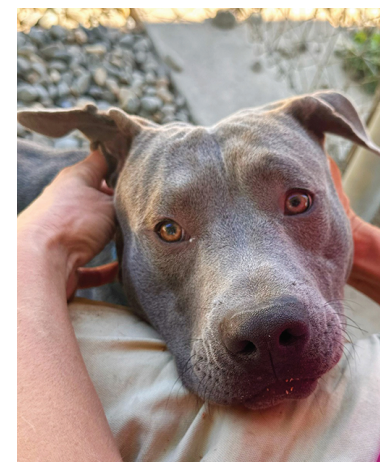

If you are interested in this specific animal, please come to the shelter for walk-in adoptions Tuesday through Saturday from 10:30am to 5:30pm. We recommend coming in as early as possible, as adoptions are first-come, first-served.

"Bradshaw Animal Shelter is full of adorable dogs waiting to become your new best friend! All adoptions include spay/neuter surgery, up-to-date vaccinations, microchipping, and a 1 year license for Sacramento County residents. Visit BradshawShelter.net to see all available dogs and see who you fall in love with or visit the shelter at 3839 Bradshaw Rd.!"

Ghost, animal ID A839387, 1 year, 8 months old, male: A young and spirited pup who enjoys playing with other pups and would love to go on adventures with you.

Boone, animal ID A839337, 3 years old, male: A sweet and shy dog who is looking for a patient and quiet home. He has a way with lady dogs, and would probably love a female doggie playmate in his new home.
