4TH ANNUAL TURKEY BOWL NEEDS YOU!

TURKEY BOWL

Did you know that the need for food assistance at the Orangevale-Fair Oaks Food Bank has gone up five times for local seniors & families? In an effort to help our neighbors in need this holiday season, we are hosting the 4th Annual Turkey Bowl to raise

funds to provide Thanksgiving meals to 500 local families.

Community leaders and business owners will compete in teams by bowling a frozen turkey down the frozen food aisle at Grocery Outlet to see who will win the coveted title of "Turkey Bowl Champs 2023". Each team competes not only seeing who can knock down the most pins, but also who can get the most pledges and donations in support of their team. Funds raised will go 100 percent to the Orangevale-Fair

Christmas Comes Early: Rotary Christmas Basket Seeks Host Families

For volunteers, Christmas comes early. Choirs start preparing their music, food banks start collecting holiday food supplies and the Orangevale Rotary Club starts finding the angels in our community that will supply another family's Christmas.

Orangevale Rotary Christmas 'Basket' Program: Russ and Lorie Rheams, of the OV Rotary Club, connect donor host families anonymously with families in need to supply their Christmas. Their hunt has begun to find host families for each receiving family.

"We really want to help those families that fall through the cracks of other programs," L.Rheams says. "The ones who have enough to squeak by each month, but not enough for Christmas, seniors on a fixed income who might be overlooked."

Host families select the size of family they can adopt and provide grocery items for Christmas dinner, modest gifts for each child, a small gift for each parent and a few extras, like tooth brushes and lunch supplies for the two weeks children are out of school. Connections are

HONORING ALL WHO SERVED

Folsom residents will honor the nation's veterans at the 23rd annual Wayne Spence Folsom Veterans Day Parade starting at 9 a.m. Saturday, November 11.

The parade stages in the Target/Home Goods parking lot and begins on East Bidwell Street near Montrose Drive. The parade will travel westbound on E. Bidwell Street, northbound on Coloma Street, and proceeds to Natoma Street. The event wraps up with a brief ceremony to honor local veterans at the Veterans Memorial in City Lions Park.

The Folsom Police Department will coordinate a temporary closure of all lanes of traffic on

East Bidwell Street from approximately 8 to 11 a.m. Natoma Street from Coloma to Wales Drive will close from approximately 9:15 to 11:15 a.m. Closures will be lifted immediately after the parade ends. Detours around the parade will be marked; motorists are encouraged to take Riley and School streets as alternate routes.

More than 2,000 participants will take part in this year's parade, including floats, classic cars, horseback riders, color guards, and a variety of community groups. The parade is held rain or shine; for more information call 916-461-6615 or email tocampo@folsom.ca.us.

ANNOUNCEMENTS

November is here!

The election is quickly approaching and new changes will be forthcoming. It is my sincere hope that you registered to vote and on election day you were able to cast your ballot. It is one of our constitutional freedoms and everyone needs to take advantage of having freedom of speech. Contrary to what some people believe, it truly is a freedom that we all take for granted. I don't believe in supporting any particular party in my column, but I do believe in voting and following the laws of our country. I encourage everyone to do the same.

This month is also Veteran's Day. We have a lot of Veterans right here in Orangevale and I would like to take this moment to honor them by saying "THANK YOU" to all the ladies and gentleman who served our great country. I also send my respect to those who may have lost a loved one who served. It is because of the dedication and devotion of those men and women that served or are currently serving that I am able to write this column and to be involved in our community paper. I am grateful for all things we as citizens enjoy due to your work and dedication. Many blessings to all Veterans on Veteran's Day and every day.

As we move along towards the holiday season, I am asking that you open up your hearts and donate a turkey or a gift card that will be used for providing a turkey meal. I have team up with Rick Maldonado of L&M Liquor and Deli to compete in this year's Turkey Bowl (see page 15). Our team goal is to

LISA MONTES -EDITOR

raise \$500 which should feed 20 local families. At this point, we are in need of many more turkey donations so we can fill the plates of those folks who are less fortunate. If you would like to donate (any amount is appreciated) visit website <https://give.ovfocf.org/teams/20944-tri-tippers>. Your donation is tax deductible. For more information, please contact me at 916.934.2207.

**2023 LEGISLATIVE
RECAP: THE GOOD,
THE BAD, AND THE
UGLY**

By Assemblyman Josh Hoover

The 2023 legislative session officially came to an end this month as the Governor's deadline to sign or veto bills passed on October 14, 2023. In total, this legislative year saw 1,046 bills land on Governor Newsom's desk and he signed 890 of them into law. Here is a summary of the good, bad, and ugly legislative outcomes in 2023 that will go into law in January:

THE GOOD

SB 14 (Grove) - Combating Human Trafficking

This hard-fought piece of legislation will make human trafficking of a minor a serious felony in California. Many may find it hard to believe that it wasn't already, but prior to this bill passing this crime did not fall under our state's Three Strikes law. After passing with unanimous bi-partisan support in the State Senate, SB 14 was killed in the Assembly Public Safety Committee earlier this year. Thanks to enormous public pressure and bipartisan outcry, the committee re-voted and rightfully moved the bill forward.

SB 799 (Portantino) - Vetoed by the Governor

This bill to provide unemployment insurance benefits to striking workers passed out of the Legislature despite a strong coalition of opposition. Thankfully Governor Newsom refused to sign it into law stating in his veto letter that "now is not the time to increase costs or incur this sizable debt." The state's unemployment insurance (UI) fund is currently over \$18 billion in debt to the federal government. California employers are on the hook to pay back this loan after years of mismanagement by the state, a problem the Legislature refused to fix when it had a budget surplus. SB 799 would have further exacerbated the situation with our UI system.

Many Bills Harmful to Public Safety Defeated

Sometimes good news comes in the form of defeating bad bills. A number of bills that would have made our communities less safe were killed at different stages of the process. These included legislative efforts to defund school resource officers (AB 1299), ban the use of police canines (AB 742), prohibit consensual searches (AB 93), prohibit enforcement of low-level infractions (SB 50), expand eligibility for early release from prison (SB 81), allow parole consideration for criminals sentenced to life in prison (SB 94), and allow felons to vote from prison (ACA 4).

THE BAD

Lack of Progress on Fentanyl Crisis

Putting a stop to the fentanyl crisis that is killing over 100 Californians per week, including high school students in our community, needs to be one of the state's top priorities. While the Legislature did pass a number of bills relating to fentanyl education, it failed to increase penalties on the dealers trafficking fentanyl into our neighborhoods. They even killed a bill I coauthored to require Naloxone (medicine that rapidly reverses an opioid overdose) in every school. Much work remains to be done to address this crisis and I look forward to pushing for greater change in the coming year.

Failure to Reform Proposition 47

At the beginning of the legislative year, I introduced AB 75 to reform Proposition 47 and restore some accountability in our criminal justice system. Prop. 47 (infamously named the "Safe Neighborhoods and Schools Act" when it passed in 2014) reduced a number of felonies to misdemeanors and contributed to an increase in retail theft across the state. My bill would have

brought back harsher penalties for serial theft offenders, but it was defeated in the Assembly Public Safety Committee along with other efforts to reform Prop. 47.

Passed Legislation that will Cost Consumers

The Legislature passed two minimum wage bills that will further increase the cost of living for California families. AB 1228 creates a \$20 minimum wage for fast food workers, while SB 525 creates a \$25 minimum wage for healthcare workers. The latter bill will result in increased healthcare costs for consumers, while potentially decreasing healthcare access in the parts of our state where hospitals are already struggling to stay afloat.

The Ugly

Taxpayers Under Fire

The Legislature simultaneously passed a constitutional amendment to reduce the vote threshold for local tax increases (ACA 1) and a constitutional amendment to increase the vote threshold for passing taxpayer protections (ACA 13). No matter how high our taxes get in California, it never seems to be enough. Instead of making it easier to increase taxes in our state even further, our Legislature would be wise to get a handle on its propensity to overspend. Voters will have the opportunity to make their voice heard on these measures at the ballot box in 2024.

It is an honor to be your representative and I look forward to continuing the fight for policies in the Legislature that protect the interests of the families, taxpayers, and small businesses in our community.

ORANGEVALE COOKS

BY
Suzanne Feblowitz

It's not too early to think of holiday cookies! My good friend from college was traveling with me recently and she mentioned the cookies that all her friends and family love. I was lucky that she wanted to share her recipe. These cookies are delicious. They require a few more steps, but the result is a cookie that tastes like it came from a fancy bakery!

If you would like to share a favorite fall recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to remain anonymous, just let us know and we will omit your name.

Kathy's Brown Butter Bourbon Pecan Chocolate Chunk Cookies

Pecans:

1 ½ cups pecan halves, finely chopped
2 TBSP unsalted butter

Melt the butter in a large skillet over medium heat. Add in chopped pecans and cook, stirring occasionally, for 4-5 minutes, or until lightly toasted. Set aside.

Browned Butter:

2 sticks unsalted butter, melted until browned
Melt this butter in a saucepan over medium heat. Cook the butter, swirling the pan occasionally. Keep watching the butter. The top of the butter will become foamy with popping noises. When the butter turns amber color and has tiny bits on the bottom with a nutty aroma, then remove from heat and pour into a medium mixing bowl.

Cookies:

2 ½ cups all purpose flour
1 tsp salt
½ tsp cinnamon
½ tsp baking soda
1 tsp baking powder
1 cup dark brown sugar, packed
½ cup granulated sugar
2 tsp vanilla extract
3 Tbsp bourbon

2 large eggs, room temperature
8 oz semi sweet or dark chocolate, roughly chopped into chunks

Combine flour, salt, cinnamon, baking soda and baking powder; whisk to combine
In a large bowl with a mixer, combine melted brown butter and both sugars and beat on medium speed until combined for about 1 minute.

Add in the vanilla and bourbon.
Add in the eggs beating after each.

Using a spoon or spatula, fold in the flour mixture just until flour disappears. Then fold in the chocolate chunks and the pecans.

Cover and refrigerate for 4 hours

Preheat oven to 350 degrees. Line baking pans with parchment paper. Roll into balls or use a cookie scoop and bake for 12 minutes. Let cool on pan for 15 minutes and then transfer to cooling rack.

CASA RAMS TRIUMPH: A SEASON TO REMEMBER!
By Tim Engle

The Casa Roble Rams have wrapped up an impressive regular season, showcasing resilience and determination on the field. With a final 61-22 victory over Dixon, the Rams not only clinched the

league title but also solidified their dominant presence in the Golden Empire League. Over the course of the season, the Rams racked up an impressive 424 points, while only allowing 103 from their opponents. A testament to both their offensive prowess and staunch defense. A standout moment came

during the third quarter against Dixon when the opposition narrowed the gap to just one score, at 22-30. But, showcasing their championship mentality, the Rams surged ahead to seal the league title in dominant fashion.

Head Coach Chris Horner praised the team's tenacity, stating, "The boys overcame a lot of early mistakes to rally at the end to come out with the win." As Golden Empire League champions, they got a bye in the first round of play-offs and will play at home on November 10. Stay tuned for more details about the play-offs as they unfold. Go Rams!

2023 Cross Country Season Nears the Finish Line

Casa Roble Cross Country is nearing the end of another successful season. So far they have completed 8 races, improved their personal records, went on a team trip, brought home many medals, won an invitational, and competed in league meets. Their races range between 2 miles to 5K, over varied terrain and locations. The team started conditioning last June, and is still going strong, with thousands of miles run as a team.

The season started with the Oakmont Invitational in Rocklin on Saturday, August 26th. For new runners to the team, this was their first big race experience. Nerves aside, the team finished strong and used the experience to further their personal and team goals. The team had 3 medalists - Brooklyn Rozumowicz, Corbin Faircloth, and Micah Heberlein.

Mid-September the team competed at the Woodbridge Classic in Irvine. It was a rare night race with runners competing under the lights and, in one case, fire-

works! The team had 9 medalists: Kylie Browning, Summer Frosh, Lilly Gonzales, Lauren Rozumowicz, Brooklyn Rozumowicz, Amiya Farias, Sergio Vivar, Corbin Faircloth, and Micah Heberlein. The next day the team took a trip to Disneyland. When you race hard, you also play hard. The trip was an excellent travel experience and was great for team-bonding.

On Saturday October 14th the Varsity team brought home a medal, with Sergio Vivar coming in 2nd, but it was the Frosh/Soph teams who had a big day at the

Wildfire Invitational in Foresthill. In the Girls race, Kylie Browning, London Black and Alexandra Lembach took home medals. In the Boys race, Corbin Faircloth brought home the individual win, with Aidan Choy, Micah Heberlein, and Hudson Antrobus also finishing in the medals. The Frosh/Soph Boys team finished strong with the Team win as well.

On Thursday October 26, the team competed in League Championships. The event started off with a recognition of all of the seniors. Our seniors, Amiya Farias (Team Captain), Sergio Vivar (Team Captain), Mason Webb and Alex Barralaga, have displayed tremendous leadership and mentoring of the younger runners. They will be missed but we can't wait to see what they accomplish in the future.

Onto the racing, Frosh/Soph Girls started things off strong - Alexandra Lembach 2nd, Summer Frosh 3rd, and London Black 6th. The Frosh/Soph Boys posted some new personal records with Liam Wall and Dallon Hogan finishing in the top 10. Girls Varsity came away with 2 runners making All League - Brooklyn Rozumowicz and Amiya Farias. Coming into the Boys Varsity race, Casa and Mira Loma were tied with one win each. It was a hard fought contest, but Mira Loma came out ahead in the final by 1 point. The Boys finished well with 3 runners making All League - Sergio Vivar, Corbin Faircloth, and Micah Heberlein. For the second year in a row, Sergio Vivar was named Boys League MVP!

Up next for the team is the Sac-Joaquin Sub-Section Meet in Calaveras on Saturday November 4th.

Anagram for Carve

An anagram for carve? crave.

Something desired could be engraved. Carve and crave relate, moving deep undersurface.

Both involve care, focus, purpose.

Both may lead to a taste (or what may be on a plate).

Their likeness: food for thought, something to contemplate...
