BIG DAY OF SERVICE 2024 SHINES DESPITE RAIN!

This Big Day of Service 2024 spirits were not dampened despite the rain, instead nearly 1000 volunteers shifted gears and rallied to a later start time and alternative location inside Sunrise Community Church before heading out to complete 40 of the planned 50 projects. Despite the weather, the spirit of perseverance and flexibility shone through.

10TH ANNUAL CASA CAR SHOW PAGE 8

100th ANNIVERSARY

This year Inner Wheel marks the 100th anniversary of its founding in Manchester, England by Welsh-born nurse Margarette Golding. The first club's members were wives and daughters of Rotarians intent on helping that club's efforts for the common good, but today no Rotary connection is required. From its humble beginnings in Manchester, today Inner Wheel's presence has expanded globally, with clubs in over 100 countries and 120,000-plus members.

The community service club's objectives are to promote friendship, encourage personal service, and foster international understanding. To that

end, the International Inner Wheel theme for 2023-2024 is "Shine A Light" -- working for a better future for the next generation.

Within the Sacramento district, there are seven Inner Wheel clubs and one of these is the Orangevale chapter. Of the 11 Sacramento district members who will attend the anniversary event in Manchester, three are from the Orangevale club. Each club meets monthly between September and June to work individually and collectively on numerous local and regional projects. The primary focus is on women and children, including support for new mothers, school children and those who are homeless.

Inner Wheel USA Foundation is noted for funding costly myoelectric prostheses for underinsured or uninsured children to age 18. In April a recent recipient of a myoelectric limb from El Dorado County was further gifted with a specially designed computer keyboard to continue her studies and pursue her dreams.

Join us and become part of our community based on friendship, support and love. Find Inner Wheel Club of Orangevale, CA on Facebook. For more information email Grevindegraf@gmail.com or phone (916) 201-1887.

ANNOUNCEMENTS

MEMORIAL DAY – ALL GAVE SOME; SOME GAVE ALL

Memorial Day will be celebrated on May 27, this year. Memorial Day, not to be confused with Veterans Day, is a day of remembering the men and women who died while serving in the United States Armed Forces. Veterans Day on the other hand celebrates the service of all U. S. Military veterans and is on November 11 each year. Memorial Day, formerly known as Decoration Day, originated in 1868, after the end of the American Civil War, to commemorate the soldiers who died during that war. It was a time to decorate the graves of the fallen. The end of May seemed to be appropriate since many spring flowers are available. By the 20th century Memorial Day had been extended to honor All Americans who have died in all wars in the past 248 years. Every year, Sylvan Cemetery

in Citrus Heights honors those that gave their lives in the defense of our county. We take time to salute the over 4 million men and women that have died in military service defending our country since 1775.

This year the Memorial Day service will be held on Monday, May 27, 2024, at 11:00am at Sylvan Cemetery, 7401 Auburn Blvd., Citrus Heights.

As in recent years, we will hold the Memorial Day ceremony at Sylvan Cemetery. However, we are not planning on doing the march through the cemetery. At 11:00am we will start the 1-hour ceremony at the gazebo. The Harmony Express will be in attendance to sing some patriotic songs and the CHPD will be there as an honor guard to post the colors.

We would love to see you here but if you are concerned about your health and do not want to attend - we understand.

BIG DAY OR SERVICE CONTINUED

"Blessed are the flexible", said Community Leader Brad Squires, as he commended everyone who showed up in

with delicious brunch burritos, while the Junior Casa Rams and Junior Bronco cheerleaders, along with the energetic OVEE the mascot, brought infectious enthusiasm "pumping up" the crowd before they set out to tackle the various projects around Orangevale and Fair Oaks.

Special thanks go out to the team leaders who spent months planning the projects, the dedicated volunteers who tackled them head-on, and the generous sponsors who funded the efforts. This year's Big Day of Service wouldn't have been possible without the Orangevale-Fair Oaks Community Foundation, the County of Sacramento - Sue Frost, Rotary Club of Orangevale, Lyon Real Estate, the County of Sacramento - District 4 Rich Desmond, Sunrise Community Church, Kathleen Massae Realtor, the LDS Church, Millers Ace Hardware, Albano, Dale, Dunn & Lewis Insurance Services, Inc., SMUD, Orangevale Chamber of Commerce, Fair Oaks Presbyterian Church, Rotary Club of Fair Oaks, Dairy Queen, American River Ace Hardware, and OV Recreation & Parks.

Cheers to our amazing community! Thanks to all for making this year as special as ever! We are commUNITY strong!

Brad Squires, Founder & CEO Orangevale-Fair Oaks Community Foundation with project leaders

in spite of the weather conditions.

Some projects had to be postponed due to the rain, but the day's achievements were nothing short of impressive. Volunteers tackled numerous tasks, from neighborhood cleanups to community beautification efforts. County Su-

supervisor Sue Frost joined the event to express her amazement at the ongoing community effort over the past six years. To commemorate her contributions, a tree was planted at the Orangevale Community Center in her honor, ensuring her legacy will be remembered long after her term ends in January.

The rally was supported by the Knights of Columbus who provided volunteers

Orangevale Post Office History (1930 -1954)

Continued from precious published articles.

By Peggy Ginther

Succeeding William F. Jeffs, who was carrier on Folsom Rural Route #1 for 19 years, George Thomas Johnston (Tom) was appointed rural mail carrier on the Orangevale Route in January 1930. During Tom Johnstons annual vacation or due to rare illnesses, E.C. French was the primary substitute carrier, however there is record of other substitute carriers including Mrs. Alma Binning and Mrs. Maxine Ross. Orangevale had 150 mailboxes in 1930.

In 1947 – Rural Route 1 from Folsom to Orangevale

was reported as being the second oldest rural route in the United States.

In 1950, as the Orangevale area's need for a post office was being assessed, two petitions circulated for the naming of the post office, one with the name of Kingsley. However, most residents protested the name Kingsley so a second petition with the name Orangevale was also circulated. All petitions and appraisals of the area had been submitted to the postal officials in Washington, D.C. and the decision on location and naming for the proposed post office would be made public by about March 1, 1951.

In May 1951, the Orangevale Post Office was set

up in the Orangevale General Supply store on Hazel near Greenback Lane, immediately behind the Orangevale Community Clubhouse. The official opening had long time resident Mrs. Martha Bost sworn in as postmaster with Mrs. Mildred Birks assisting. It was opened as a fourth-class post office. The post office offered stamp, package and money order service. Several requests for first day cancellations were eagerly waiting for the Orangevale cancellation stamp to arrive from Washington.

Starting in April 1954, residents house numbering was changing, and they were instructed to learn their house number and observe what direction the carrier took on route past their house so that their mailbox could be placed on the correct side of the street. Due to the increase in mail volume, it was predicted that the Orangevale Post Office would get a second-class rating. At that same time, Vernon Cable was contracted by the government to construct the new 30 by 80-foot concrete block post office building adjoining the west end of the Orangevale Department Store. Upon completion of the new post office site, the rural route that served Orangevale for more than 50 years would officially be transferred to the post office.

Post Office History from 1955- Present will be in the next issue.

Orangevale History Project meets the first Wednesday of each month at 6:30 pm in June will meet at Pathway Fellowship Church at 8999 Greenback Ln. (change location) with presentation on the original Community Clubhouse at Greenback and Hazel Ave.

10TH ANNUAL CASA CAR SHOW BIG SUCCESS!

By MaryAnne Povey

The Casa Roble Auto Shop hit the accelerator at their 10th Annual Car Show, revving up excitement with a spectacular display of over 400 classic cars courtesy of the NorCal Cruisers Car Club and other car enthusiasts! This year's event, moved to the back field of Casa Roble High School on a perfect Saturday morning, drew a large crowd of classic

car fans, vendors, and local businesses eager to support this annual community tradition.

There was a strong sense of excitement among the participants, vendors and attendees who not only viewed the endless rows of amazing cars on display, but also had a chance to win many fantastic raffle prizes donated by many businesses and other contributors.

Nate Smith, Casa Auto Shop Teacher/Advisor described

It is Spring and Mother's Day is on Sunday, May 12. One of my favorite breakfast treats is one that I used to make for my mother in the 1970's. When I had young children, I taught them this easy recipe. Let your children help with this treat. Serve with eggs and fruit for a complete breakfast!

If you would like to share a favorite summer recipe, please send a copy to Suzanne Feblowitz at the Orangevale View (editor@ovview.com). Be sure to include your phone number or email with your recipe in case we need to contact you. If you wish to re-

main anonymous, just let us know and we will omit your name.

this year "as the best show yet". He was thankful for all the support of the volunteers who have stepped up to create a memorable and a very successful event, year after year.

Woman's Club Gives to Community

Since 1913, the Orangevale Woman's Club (OVWC), now 90 members strong, has been giving back to the community. In March, Orangevale Copy, Badfish Coffee, Rollingwood YMCA, Grocery Outlet and The Last Tangle served as collection sites for our 4th annual Bra & Menstrual Product donation drive of which close to 11,000 items were collected to help local women and girls. Bras were delivered to the Underground Clothing Connection, HART of Orangevale & Fairs Oaks, and to Maryhouse. Menstrual product items were given to the McKinney-Vento program of San Juan Unified School District, Orangevale Teen Council and Orangevale-Fair Oaks Food Bank.

In April, 160 attendees enjoyed our fun Bunco night fundraiser. The dessert bar, fabulous raffle baskets and Silent Auction added to the fun and fundraising. Please save the date of Saturday, October 12th, for our next Bunco Night!

Proceeds from our Bunco Night and Yard Sale helped the Club provide college scholarships to three achieving local high school seniors who were recognized at our May meeting.

In mid-April, we again cleaned up two blocks of Madison Avenue picking up trash through our "Adopt-a-Street" project. A few members enjoyed leading projects for the Big Day of Service and members volunteered on additional projects.

Come find something special for Mother's Day or yourself at our booth at the Spring Craft Fair, Saturday, May 11th, 9am-3pm, at the Orangevale Community Center. Be sure

to wave "Hello" to us as we drive by in the June 15th Orangevale Red, White & Blue Parade!

OVWC is grateful to our generous community who helps us to give back to those in need. To find out more about helping our community while having fun doing it, please visit our website at: www.orangevalewomansclub.org. After a summer break, our next meeting will be Thursday, September 5th, 11am, at the Orangevale Grange.

NORTH FORTY: THE HEARTBEAT OF NORTHERN CALIFORNIA'S COUNTRY SCENE HEADLINES OV SUMMER PALOOZA'S SATURDAY NIGHT JUNE 15

North Forty: The Heartbeat of Northern California's Country Scene

In the vibrant tapestry of Northern California's music scene, one band stands out with a twang that resonates through the redwoods and vineyards: North Forty. This isn't just a band; it's a high-octane celebration of life, love, and the pursuit of good times. Founded by the dynamic duo LG and Allison Hyatt, North Forty is more than a musical act—it's a family affair that brings together the heartstrings and guitar strings in a harmonious blend.

The band's roots are as deep as they are enchanting, with LG's lead vocals providing the narrative to our lives, while Allison's fiddle playing dances through the melodies like a wildfire. Their chemistry is palpable, setting stages ablaze with energy that's both raw and refined. And let's not forget the powerhouse that is Kerina Kinch, whose voice carries the torch passed on by Nashville legends, lighting up the path for a new generation of country aficionados.

North Forty's repertoire is a

treasure trove of country radio anthems and classic rock gems that get boots stomping and hearts racing. When Allison Hyatt takes on "The Devil Went Down to Georgia," you can almost see the fiddle's bow sparking with electricity, igniting the crowd's passion. And as LG and Kerina belt out hits from country titans like Luke Combs and Miranda Lambert, you're transported to a world where every chorus is a chorus of friends, every verse a verse of memories.

Their journey has seen them share the spotlight with icons and inspire fans at festivals like Country in the Park in Sacramento and the Santa Rosa Country Summer Music Festival. With a calendar that's as packed as their setlists, North Forty's shows are a beacon for those seeking refuge in the rhythm of country life.

Behind the scenes, the band is a well-oiled machine, with Nashville's own Jonny Houlihan shaping the sound that defines Kerina's solo ventures. Her singles "Bulletproof" and "Whiskey Kind of Night" are not just songs; they're anthems for the fearless and

soundtracks for the soulful.

North Forty is more than a band; it's a movement. They bring the spirit of the saloon to every venue, transforming bars into barn dances and clubs into honky-tonks. Their music is a passport to a place where every moment is a celebration, every song a story worth telling.

For those lucky enough to witness North Forty live, it's an experience that's etched into memory, a melody that lingers long after the last note has faded. They don't just play music; they create moments, craft experiences, and curate a soundtrack for the best days of our lives.

So, if you're looking to add a little country to your step, a little nostalgia to your night, or a little soul to your celebration, look no further than North Forty. They're not just playing songs; they're playing the soundtrack to your life, one beat, one strum, one fiddle note at a time. Here's to North Forty, the heartbeat of Northern California's country scene.

GUILTY AS CHARGED: THE YOUNG SOUTHERN ROCK SENSATIONS

In the heart of Northern California, a group of young rockers is making waves far beyond their hometown of Lincoln. Guilty as Charged, a band of young musicians, has become a phenomenon in the NorCal music scene. Their journey is a testament to the power of passion, talent, and the vibrant spirit of Classic and Southern Rock 'n' Roll.

The band's inception at The Rockstar Music Academy, Lincoln's premier music school, was the beginning of what would become a meteoric rise. These young musicians have not only honed their skills but have also managed to capture the essence of classic rock, blending it seamlessly with their original compositions to create a sound that resonates with fans of all ages.

The lineup, featuring the multi-talented Stevie Pagan on guitars and vocals, Cade Christopherson with his dynamic bass and vocal

performances, Brody Manning's captivating keys and vocals, and the rhythmic prowess of Halen Morgan on drums and vocals, showcases an impressive range of musicality that belies their youth.

Their accolades speak volumes, having been voted the Best Band of 2022 and 2023 in Lincoln, CA, and also securing the title in Roseville, CA, for 2023. These titles are not just awards; they are a reflection of the band's ability to consistently draw crowds and deliver performances that leave audiences wanting more.

Guilty as Charged's reputation for electrifying live shows has spread like wildfire, with every venue they grace reaching full capacity. Their energy and presence on stage are reminiscent of rock legends, proving that age is no barrier when it comes to delivering powerhouse performances.

Their journey is not just about the music; it's about the message they carry. They represent a new

GUILTY AS CHARGED CONTINUE

generation of artists, unafraid to dream big and bold enough to chase those dreams. They are a beacon of inspiration for young musicians everywhere, showing that with dedication and hard work, the stage is never too far away.

For those looking to experience the raw, unadulterated joy of Guilty as Charge's music, following them on social media is a must. Their Facebook and Instagram pages are hubs of activity, offering fans a glimpse into their world and updates on upcoming live performances.

Guilty as Charged is more than just a band; they are a movement, a fresh face of rock that carries the torch for future generations. Their story is still being written, and if their trajectory is anything to go by, it's going to be one for the history books. Rock on, Guilty as Charged, rock on. Elana Jane, a name that resonates with the heartbeats of country music lovers, is a testament to the enduring spirit of the genre. Hailing from the sun-kissed landscapes of Fair Oaks California, Elana has carved a niche for herself in the vast expanse of country music with her latest EP, "Jacket is Jean." This collection of soulful tracks has not only garnered critical acclaim but also secured a coveted spot on Spotify's editorial playlists, New Music Friday Country and Fresh Finds Country.

Elana's talent has shone brightly as she has opened for a constellation of notable artists, including Carly Pearce, Jon Pardi, Ashley McBryde, Billy Currington, Jerrod Niemann, Dylan Scott, Parmalee, Michael Ray, and Jana Kramer. Now, in a heartfelt homecoming, Elana Jane is set to perform for her community at the Orangevale Summer Palooza on June 15. The festival, a vibrant celebration of community and history, promises to be an unforgettable event with a lineup of local food, music, and fun activities for all ages. Elana's performance is highly anticipated, as it will not only showcase her incredible mu-

sical prowess but also her deep connection to her roots in Fair Oaks.

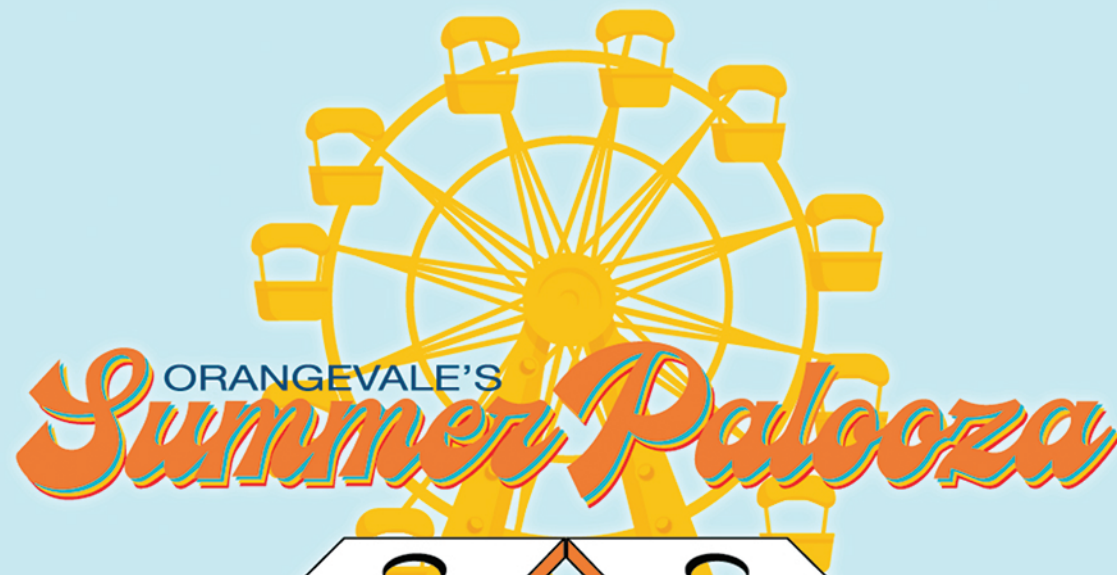

Elana Jane's journey is a beautiful blend of passion, dedication, and raw talent. Her music, infused with the essence of country's rich tradition and her own unique flair, continues to touch the souls of listeners far and wide. Shoes

Shoes (normally found on a surface or on feet)
strangely hang on wire above a street.
Could hanging shoes be a warning or a message?
Minds are what these shoes could mess with.
Maybe they're part of a legend.
They could be a symbol of a change, departure, or
end.
Perhaps they mark territory (more so if they have
scent).
Wire over street is where lost shoes could've
went...
